

DIVIDES ESTATE AMONG FRIENDS

Late Deputy Superintendent of Public Instruction-Makes Many Bequests

Leaving the greater part of his estate to Miss Lou M. Nolf, of Putneyville, Armstrong county, A. D. Glenn, Deputy Superintendent of Public Instruction, in his will, filed for probate with Register Roy C. Danner, directs that his home, furniture and library at that place should be given to her, together with \$5,000 and his trunk and its contents, which is in his room in this city.

Oxidaze for Coughs, Colds, Br. Asthma

Years of study and observation convinced him it would safely and surely stop a bad cough and give instant relief in Bronchial Asthma. Money back if it fails. Guaranteed.

part of the document nullified is to be cut off entirely and not receive the sum allotted. In disposing of his personal effects Mr. Glenn directs Miss Nolf to receive the property at Putneyville, while Miss Mary Y. McKeynolds, this city, is to receive everything at his home at 1010 North Second street except his trunk and its contents, which, it is specifically stated, are to be turned over to Miss Nolf. The will was drawn in June, 1910. The entire estate is valued at \$20,000.

May Not Be Harrisburg Boy Dead in France

Relatives and friends of Corporal John W. Kirby, 105 Ann alley, are becoming hopeful that the John T. Kirby announced in yesterday's casualty list as killed in France, was not the Harrisburg boy. No official confirmation has arrived from the war department supplementing the mention of the name in the casualty list.

Young Kirby is known to have sailed for France sometime near the middle of March with the Thirty-fifth Regiment United States Engineers. Since that time nothing has been heard from him. He enlisted here April 11, 1917, in the old Eighth Regiment, National Guard, from which he secured a transfer to the Engineers. His brother Robert Kirby enlisted with him, and is at present stationed at Camp Hancock with One Hundred and Twelfth Regiment. Kirby is 19 years old. His parents are Mr. and Mrs. George J. Kirby.

DONATO GROUP GOES TO RESERVOIR PARK

all over the city. The \$25,000 gift from Mr. Hershey up to this time has been kept in a large box at a warehouse. The recommendation of an "art commission," appointed shortly after the fountain was presented, was received and no further action taken. The choice of a site made at that time was upon the recommendation of Park Expert Warren H. Manning, who favored placing it in the River Park front at the foot of Locust street.

At the time sites were discussed a plan to place the fountain at the entrance of Reservoir Park at Twenty-first and Market streets, was mentioned, but was not approved.

To Take Up Plans Commissioner Gross said he will take up the question at once and that he will be glad to make a recommendation to Council if assured funds to place the statutory. It is likely if the commissioners agree on a site that a formal ceremony of acceptance will be arranged late in the spring.

A letter was received from Mayor H. L. Trout, of Lancaster, thanking Mayor Keister and the City Council for its resolutions passed last week extending best wishes to Lancaster on the 100th anniversary of the incorporation of the city. A resolution of regret because of the death of Prof. Pierce Rettew, a member of the City Civil Service Board, was passed by Council and will be sent to the family. Mr. Rettew was largely instrumental in the arrangements for the mental examinations of applicants for appointment to the city police force.

quiring property owners or occupants to repair leaks or breaks in water service pipes with 72 hours after notice from the department and providing a penalty of fine or imprisonment. Ordinances increasing the appropriation for a small sewer, and changing the width of Chestnut street at Fourth street, was passed finally.

Commissioner Burnett was directed to investigate the various complaints of the water department, providing a penalty of fine or imprisonment. Ordinances increasing the appropriation for a small sewer, and changing the width of Chestnut street at Fourth street, was passed finally.

Contracts for supplies for the water department were awarded as follows: Cast iron pipe and castings, Donaldson Iron Company, \$55.40 a ton and .05 1-2 a pound respectively; 6-inch valves, \$19.97 each, Rensselaer Valve Company; corporation stock, 67 each, 1-2-inch; \$2.50, 2-inch, A. P. Smith Manufacturing Company; iron castings, W. O. Hlekok Manufacturing Company, 484 a pound; alum and hypochlorite of lime, Pennsylvania Salt Manufacturing Company, \$1.87 1-2 a hundred pounds and .04 1-2 a pound, respectively.

GERMA U-BOAT INTERRED IN SPAIN

Washington, March 26.—The German submarine U-48, which entered the harbor at Ferrol, Spain, on the afternoon of March 21, will be interned and the crew sent to the interior of Spain, the State Department was informed today by the American embassy at Madrid. The submarine is said to have been damaged in a fight.

REPEL TO LET MAN WORK Employees of the Harrisburg Pipe and Pipe Bending Company rose in revolt yesterday morning when Edward Wickelmeier, an employe, it is said, made seditious utterances, criticizing the government. His fellow workmen would not allow him to work with them. It is said that the case will be turned over to Harvey T. Smith, United States Marshal, although no action has yet been taken.

Halifax Water Works Appraised at \$19,500

Civil engineers appointed to appraise the property of the Halifax water works preparatory to its purchase by the borough, filed their report late yesterday afternoon with the court, Judge S. J. M. McCarell, confirming it, subject to exceptions which must be filed within thirty days. The engineers estimate the total value of the plant, supply and distribution lines at \$19,500, including an allowance of interest on the investment and deducting a depreciation charge of 1 per cent. a year. The engineers who made the report are C. W. Hardt, Warren B. Keim and John DeGrey. The water works was incorporated in 1887, changing hands in 1908, and going into receivership in 1915. In 1917 the ordinance was passed by the borough council to purchase the property and furnish the water under municipal control. In

If you want to make the one supreme life-long purchase, come in tomorrow and take advantage of this sale of Baby Grands

YOU WANT A BABY GRAND PIANO. You know you want one. There isn't a cultured person throughout this big land but has longed to see a Baby Grand installed within their home. But there are two reasons why every refined home does not own a Grand. We know them both. One is, because until now Baby Grands have been so large that the average room in modern homes would not accommodate them. The other reason is, they have been high in price, compared to the cost of other pianos. The price for any standard Baby Grand has been from \$600 to \$700, but if you will come in to-morrow, we will show you 25 or more of the most beautiful Baby Grand Pianos you have ever seen. You have never seen one in any home of your friends that you have liked better, in design, in finish, in beauty of tone or in the perfection of its playing qualities. Every one of them is in exquisite mahogany. The Brambach Baby Grand pianos are not big and cumbersome and are not high priced

Conditions upon which these Grands are sold 1 That, if for any reason whatsoever, the piano is not satisfactory after a 30 days' trial and inspection in your home, you may have your money back. 2 That you may exchange it for any reason whatsoever, for any other new instrument that we carry of equal grade, at any time within six months, without incurring any loss or being put to any extra expense. 3 That the piano is guaranteed without restriction or reservation for the period of 3 years. 4 That you may take 3 years' time in which to make settlement, dividing the payments over a 36-month period as best suits your convenience. \$495 The value of these Baby Grands is \$600. The introductory price is \$495, which price can be divided up into payments to suit the purchaser, covering a period of 3 years. We will gladly send you, upon request, a tissue paper pattern, the exact size of this remarkable little Grand, which, when spread out upon your floor, will show the convenience of its size. Send for one—once.

J. H. Troup Music House Troup Building 15 South Market Square During this introductory sale, the store will remain open evenings by appointment.

Municipal League Will Co-operate in Borough War Garden Movement

Support of the war garden movement in the borough was assured by the Municipal League at its meeting last night. The members agreed to make a contribution toward paying for the cost of plowing land to be used for the gardens.

E. C. Henderson, in charge of the local food administration, recently called a meeting of the other members and started plans for extensive garden work. With the co-operation of the Municipal League the arrangements will be carried out successfully.

The league also approved continuing the playgrounds during the summer. Plans for the season will be made to-morrow evening at the meeting of the Parks and Playground Commission. The reports included calling attention to the need of observance of clean-up days and an improvement in the car service in the borough during rush hours.

People's Bank to Enlarge Present Quarters, Rumor

Rumors in business circles to-day were to the effect that plans were under way for the enlargement of the People's Bank. Bank officials would neither confirm nor deny the rumor, saying that they had nothing to say of their intentions at the present time.

Ten Men to Be Sent to Camp by Board Next Week

Ten men from this district in the first class who have passed the physical examination will be sent to camp next Tuesday morning, according to an announcement made at the office of the local exemption board this morning. Orders requesting this number of men were received by board officials yesterday.

W. E. Abercrombie Was a Great Charity Worker

The loss of W. E. Abercrombie will be keenly felt in welfare and charitable circles of the borough. This man, during the time he lived in the borough took a very active part in the welfare of the borough's residents, especially those who were in need of charity. Many of his noble deeds are not well known by the majority of the residents, as they were not given wide circulation. Only those residents who are closely connected with charity and welfare work could appreciate the wonderful work of Mr. Abercrombie. His untiring efforts to always help someone who needed charity were the admiration of those who knew him. His efforts to see that the poorer people in Steelton were supplied with coal during the winter to keep warm was only one of the many things he did during the cold weather to alleviate suffering among the poorer class. He worked hard for the furtherance of the Good Cross and War Work Company since this country's entrance in the war. Funeral services for Mr. Abercrombie, who died Sunday morning, will be held to-morrow afternoon.

COMMISSION MEETING

A commission on religious education and publicity of the local Federation of Churches will be held this evening at 7.45 o'clock at the home of Stanley R. Zimmerman, 421 Pine street.

PASS RESOLUTIONS

Members of the Citizens' Fire Company, Hygienic Hose Company and the Municipal League, last evening passed resolutions of regret because of the death of W. E. Abercrombie.
