Look back at your childhood days

Look back at your childhood days. Remember the "dose" mother insisted on—castor oil, calomel, catharties. How you hated them, how you fought against taking them.

With our children it's different. Mothers who cling to the old form of physic simply don't realize what they do. The children's revolt is wellfounded. Their tender little "insides" are injured by them.

If your child's stomach, liver and bowels need cleansing, give only delicious "California Syrup of Figs." It action is positive, but gentle. Dyspepsia, indigestion, weak stomach and similar names simply mean that the supply of digestive juices is inadequate. That is where Stuart's Dyspepsia Tablets come in—by supplying this deficiency.

If you will eat a Stuart's Dyspepsia Tablet after each meal and one just' before you go to bed, you will learn that there is no harm in your meals.

The reason is clearly plain. Your system lacks the proper digestive juices to make your meals easily digested. Stuart's Dyspepsia Tablets give the stomach and other organs of the digestive apparatus the wherewithal to digest food.
