Baltimere, March 28.—Jess Willard and Colonel J. C. Miller, his manager, conferred with the police authorities yesterday regarding the Jossibility of holding the champlon's proposed title bout with Fred Fulton on July 4 next in Baltimore. The president of the Police Board, General Lawrason Riggs, read the law governing boxing matches here to his visitors and told them that it was his opinion that the attitude of the general public would oppose such a fight as contemplated.

The law requires that permits be secured from the Mayor and the Police Board, and the refusal of either would prevent the match. The law also stipulates fifteen rounds as the length of a boxing bout.

However, the corporal addressed the boys on the campus without interruption, urging the older ones to enlist and younger ones to help war activities.

Dr. Work gave his reason that he thought the parents should be protected. There are few boys in the school 18 years old, and he considered it unwise to have the lads excited by appedis to enlist, this being a matter for parents alone. The Government allows boys under 18 years old to enlist with parents' consent.
