

SATURDAY FIXED BY MAYOR AS "LIBERTY DAY"

City Asked to Make Patriotic Showing When Big Loan Drive Begins

Furlish up your Stars and Stripes, or secure a new flag, for on next Saturday every building in Harrisburg should fly that historic pennant which stands for Liberty.

ished. Hundreds more, gallant young men, the sons of rich and poor, are challenging death on the front lines in France. If you have one scintilla of patriotism prepare to make a display.

of our entrance into the struggle for Democracy be commemorated in proper manner. Let us on this day consecrate anew our thought and purpose for the coming struggle.

gentry Fleet, so that he will not go out in Class A1. Registrant Huss, on the contrary, moved all influences to be sent out for general military service, passing one test after another.

KENLON'S SONS FASTER THAN DAD

He Urges Them to Enlist and Finds Both Are in the Navy

New York—For some time John Kenlon, Chief of the New York Fire Department, had something on his mind. After dinner at his country home in Coytesville, N. J., the other night, he decided to speak out.

"Boys, when I came to this country from Ireland, I didn't have a cent or a friend. I worked for \$5 a week. But I found this to be a good country, full of opportunities. Yes, there were opportunities for that peasant lad, who came here from Ireland, and every one was kind and helpful. I got on. I went into the New York Fire Department, and today I am the Chief.

can't do enough. Now, that's the thing I am going to tell you. You are my boys, and you are men, although you are not quite draft age. You know all the United States of America has done for me and has done for you.

"New, then, if by to-morrow night you don't come to me and say, 'What do you say, boys?' she asked. 'What's that you're smiling about?'

Gerald Kenlon looked at Eddie, Eddie grinned and Gerald said: "Dad, we also agree with what you say. We didn't want to tell you and mother just yet, not knowing just how you would take it, but the fact is that we are both in the United States Navy. We passed our final tests yesterday."

\$300,000 Fire Raging at Atlantic City Threatens Business Center of City

Atlantic City, N. J., April 1.—Fire originating in the Oliver H. Guttridge four-story brick building, in the center of a business block bounded by South Carolina avenue and Tennessee avenue on Atlantic avenue, the resort's main street, early this morning swept a half-block to Tennessee avenue, gutting eight business buildings and inflicting \$300,000 damage. The total insurance is \$90,000.

MILITIA UNITS ABOUT READY

Muster in Will Be Finished Up Within a Few Days, According to Officials

Only half a dozen units of the Reserve Militia remain to be organized and mustered in. They will include the machine gun detachments. The "First Infantry" is in the best shape with the Third next. The machine gun and two companies in the Third, which is a western organization, are to be mustered this week if arrangements are completed.

The Harrisburg unit and others in the Second Infantry will be mustered in the next few days. They are all practically filled and in some instances have more than the number necessary. The final cavalry muster will take place about April 15.

Equipment is being issued as rapidly as the muster-in takes place and indoor rifle practice is under way. "I will be paid to various units by the regimental officers during the latter part of April and May and in June an officers school will be held.

Legal End Next.—The work of the Attorney General's Department will be explained and its relation to the state government discussed at the April luncheon of the Pennsylvania State Society, composed of heads of departments and commissioners, here on Wednesday.

Return—Governor Brumbaugh will return from Philadelphia late to-night. In his absence no one would make any statement regarding the Daniels' charges about Philadelphia vice conditions.

State to Improve.—According to Philadelphia newspapers the State Highway department has been promised improvement of the Lancaster pike from City Line to Rosemont. This was recently taken over by the State.

Johnstown Office.—Johnstown announces that a change has been made in the employment bureau districts in that section. Johnstown will be made more of a center according to the statements in that city.

Appointed Warden.—West Chester politicians say that John H. Anderson, of that place, has been notified by the Governor's office that he has been appointed a deputy fish warden.

Palmer Returns.—L. R. Palmer, acting commissioner of labor and industry, is home from Chicago, where he delivered the address on Pennsylvania being first in the field to care for disabled soldiers before the convention of industrial engineers.

Baldwin Sues—Speaker Baldwin has invoked the automobile law which he had a hand in passing to punish a reckless operator near Media. The man banged up the speaker's car.

Carothers a Speaker.—C. E. Carothers, deputy secretary of agriculture, was one of the speakers at the Western Pennsylvania Republicans' dinner at Pittsburgh.

Four Towns Complain.—Four municipalities to-day entered complaints before the Public Service Commission against utility companies. The boroughs of Verona, Oakmont, attacked the new rates and regulations of the Suburban Water Company, one of the charges being that there should be a schedule which would be "clearly understandable." In another section the right of the company to say whether water should be furnished to a garage or a stable is challenged and the capacity of the company to furnish its customers with water is questioned.

Invest in Bonds.—Third-class cities and boroughs of industrial engineers were to-day asked by the Bureau of municipalities of the Department of Labor and industry to invest money in their sinking funds in the Third Liberty Loan as a matter of patriotism and also of good business as the bonds will bear from four and a half per cent. It is pointed out that there are thousands of dollars of uninvested cash in sinking funds of municipalities.

New Justice.—D. D. Goshorn was to-day appointed justice of the peace for Cambridge Springs borough.

Middletown Case.—The complaint of the borough of Middletown against the water service of the Middletown and Swatara Consolidated Water Company, was argued before the Public Service Commission to-day, bringing to a conclusion proceedings which have been protracted and which will probably have a big effect upon water service in Dauphin and adjoining counties through precedents.

Taxes Come In.—The State Treasury was enriched to-day by some big payments of state taxes. The City of Pittsburgh paid \$56,000 tax on loans, the Lehigh Valley Railroad \$11,000, and the United Natural Gas Company \$88,750, on capital stock.

Tractors Work Here.—Farm tractors were to-day sent out by the state for work and demonstration purposes in Harrisburg and Perry township, Dauphin county. More people went to see them plow. More tractors are to be sent out this week.

LAST DAY TO FILE RETURNS HELPED BOTH HIS WIFE AND HIS SON

Sinking Springs Contractor Says Tanlac Restored Health and Harmony at Home

RESULTS CAME PROMPTLY "My wife was in a bad way from nervous indigestion," says Peter R. Leininger, a well-known stone mason contractor of Sinking Springs, Pa.

"I read in the paper where Tanlac had brought relief in a similar case. I bought a bottle of this wonderful medicine and it gave her relief from the very first doses. She improved steadily and it wasn't long until she found herself enjoying her meals and sleeping well and long.

"We both feel now that she is permanently cured and we have been giving Tanlac to our young son and he is rapidly becoming well and strong so that thanks to Tanlac health and harmony has been restored to our home.

Tanlac is now being introduced here at Gorgas' Drug Store.

Over 70, But Relieved By Internal Baths

Mrs. L. M. Wadlia, writes Dr. Chas. A. Tyrrell, of New York, as follows: "Within the last month I have had wonderful results and all inflammation has nearly subsided. I could hardly expect a woman over 70 to receive benefit from a trouble of long standing as quickly as a younger person. Money could not buy my 'B. L. Cascade' if I could not get another."

It is difficult to believe how many internal troubles internal bathing will relieve until you realize that physicians agree that 95 per cent. of human ailments are caused by accumulated waste in the lower intestine.

The "B. L. Cascade," the scientific method of internal bathing, removes in a perfectly natural way all poisonous waste, and has been so successful in promoting health that over half a million intelligent Americans are now using it regularly.

It is produced by Chas. A. Tyrrell, M. D., of New York, who for 25 years has been a specialist on Internal Baths, and is now being shown and explained by Croll Keller, 405 Market Street, Philadelphia.

He will give you a request a very interesting booklet on Internal Bathing, by Dr. Tyrrell, "The Man of Today is Only 50 Per Cent. Efficient."

Ask for it to-day and know more about yourself and your family than you ever have before.—Advertisement.

Glass of Hot Water Before Breakfast a Splendid Habit

Open sluices of the system each morning and wash away the poisonous, stagnant matter.

Those of us who are accustomed to feel dull and heavy when we arise; splitting headache, stuffy from a cold, foul tongue, nasty breath, acid stomach, lame back, can, instead, both look and feel as fresh as a daisy always by washing the poisons and toxins from the body with phosphated hot water each morning.

We should drink, before breakfast, a glass of real hot water with a teaspoonful of limestone phosphate in it to flush from the stomach, liver, kidneys and ten yards of bowels the previous day's indigestible waste, sour bile and poisonous toxins; thus cleansing, sweetening and purifying the entire alimentary tract before putting more food into the stomach.

The action of limestone phosphate, as hot water on an empty stomach, is wonderfully invigorating. It cleans out all the sour fermentations, gases, waste and acidity and gives one a splendid appetite for breakfast. It is said to be but a little while until the roses begin to appear in the cheeks. A quarter pound of limestone phosphate will cost very little at the drug store, but is sufficient to make anyone who is bothered with biliousness, constipation, stomach trouble, or rheumatism a real enthusiast on the subject of internal sanitation. Try it and you are assured that you will look better and feel better in every way shortly.

KEEP THE CHILDREN WELL Unless looked after, children are prone to neglect themselves, and become constipated. Bliss Native Herb Tablets are a wonderful remedy for constipation. They gently act on the stomach, liver and bowels, tone up the system, bring back the glow of health, improve appetite, and are easy to take. Take Bliss Native Herb Tablets and you will remove the fundamental cause of many ailments, and lay the foundation for a healthy, cheerful, happy existence. They are the only recognized "Laxative" Tablets, and the genuine have this trade mark on the box.

Price per box of 200 tablets, \$1. Sold by Kennedy's Drug Store and local agents everywhere. UNDERTAKER Chas. H. Mauk 1745 N. 1st St. PRIVATE AMBULANCE PHONES EDUCATIONAL School of Commerce AND Harrisburg Business College Troup Building, 15 S. Market St. Bookkeeping, Short-hand, Stenotype, Typewriting, Civil Service. If you want to secure a good position and hold it, get thorough training in a standard school of Established Reputation. Day and Night School. Enter any Monday. Fully accredited by the National Association.

WIN AND LOSE IN NATIONAL ARMY

[Continued from First Page.]

attitude of these two registrants was a considerable contrast. For months the case of Garman, whose number was the first one drawn, had been a subject of wide comment owing to his exertions to be put in deferred classification, his final appeal being made to the President. As a sort of compromise he was allowed three months to settle up his business, but having done that the board heard that he had taken employment with the American International Shipbuilding Corporation at Hog Island. As an industrial worker Garman now put up a new plea and so strong it was that the local board to-day received word that the government had decided to keep Garman working for the Emer-

Draft Board No. 1.—William Henry Nickel, Montgomery; William Bernard Naughton, Paolo Russ, Harry Lock Aldinger, Wolfe Hoffman, Henry Augustus Schreck. Draft Board No. 2.—Robert J. Nickolson, Harvey F. Schade, Norman J. Strickler, Daniel J. Moore, Herman Shopwell, John F. Sattler, Albert L. Stambaugh, Millerstown; Calvin McCarthy, Christian U. Miller. Draft Board No. 3.—Charles H. Stutz, William H. Patrick, William Houseman, Bruce L. Murray, James H. Davis, William G. Hoke, John Janagan, Williamsport; Walter D. Fenstermacher. County Elizabethville District.—Harry M. Sweigard, Enders, Allen C. Lentz, Elizabethville; Michael Kelly, Wiconisco; Lewis C. Buffington, Elizabethville; Alfred W. Clemson, Halifax. Steelton District.—Victor E. Oberholzer, Middletown; Albert E. Schmelz, Steelton; Eugene Kipp, Middletown; Amos Ralph Miller,

Return.—Governor Brumbaugh will return from Philadelphia late to-night. In his absence no one would make any statement regarding the Daniels' charges about Philadelphia vice conditions. State to Improve.—According to Philadelphia newspapers the State Highway department has been promised improvement of the Lancaster pike from City Line to Rosemont. This was recently taken over by the State. Johnstown Office.—Johnstown announces that a change has been made in the employment bureau districts in that section. Johnstown will be made more of a center according to the statements in that city. Appointed Warden.—West Chester politicians say that John H. Anderson, of that place, has been notified by the Governor's office that he has been appointed a deputy fish warden. Palmer Returns.—L. R. Baldwin Sues—Speaker Baldwin has invoked the automobile law which he had a hand in passing to punish a reckless operator near Media. The man banged up the speaker's car. Carothers a Speaker.—C. E. Carothers, deputy secretary of agriculture, was one of the speakers at the Western Pennsylvania Republicans' dinner at Pittsburgh. Four Towns Complain.—Four municipalities to-day entered complaints before the Public Service Commission against utility companies. The boroughs of Verona, Oakmont, attacked the new rates and regulations of the Suburban Water Company, one of the charges being that there should be a schedule which would be "clearly understandable." In another section the right of the company to say whether water should be furnished to a garage or a stable is challenged and the capacity of the company to furnish its customers with water is questioned. Invest in Bonds.—Third-class cities and boroughs of industrial engineers were to-day asked by the Bureau of municipalities of the Department of Labor and industry to invest money in their sinking funds in the Third Liberty Loan as a matter of patriotism and also of good business as the bonds will bear from four and a half per cent. It is pointed out that there are thousands of dollars of uninvested cash in sinking funds of municipalities. New Justice.—D. D. Goshorn was to-day appointed justice of the peace for Cambridge Springs borough. Middletown Case.—The complaint of the borough of Middletown against the water service of the Middletown and Swatara Consolidated Water Company, was argued before the Public Service Commission to-day, bringing to a conclusion proceedings which have been protracted and which will probably have a big effect upon water service in Dauphin and adjoining counties through precedents. Taxes Come In.—The State Treasury was enriched to-day by some big payments of state taxes. The City of Pittsburgh paid \$56,000 tax on loans, the Lehigh Valley Railroad \$11,000, and the United Natural Gas Company \$88,750, on capital stock. Tractors Work Here.—Farm tractors were to-day sent out by the state for work and demonstration purposes in Harrisburg and Perry township, Dauphin county. More people went to see them plow. More tractors are to be sent out this week. York Sanitizes.—The State Health authorities to-day received word that sanitizers have been sent to Conover township, York county, and had been traced to contact with York Haven cases while contacts had also been found in cigarmaking plants at Strintstown. The disease has appeared in East Franklin township, Armstrong county. Dorset Here.—E. B. Dorset, former chief of the State Bureau of Markets, was the cause of some stir at the Capitol to-day as he was at work in the bureau offices. The word went around that he had been put back. It happens that Mr. Dorset is a farm adviser and is working under the State Defense Commission and came here for consultation with the marketing specialty on which he is lecturing. The Commission—Considerable curiosity exists about the Capitol whether the State Commission of Agriculture will meet here to-morrow. It is the regular day to meet, but no one knows whether a call has gone out. Governor Brumbaugh has not yet indicated what he is going to do about Gifford Pinchot for membership in that body. Major Here—Major Joseph H. Thompson, formerly at Camp Meade and now in the Army with the old Tenth Infantry, was at the Capitol to-day to see friends. BREAD WASTERS IN JAIL London.—Wasting bread is a serious offense in England these days. Recently two members of the crew of a Brazilian ship were sentenced to six months in prison for this crime. Another, who was found guilty of having caused the waste, was fined \$1,000, with the option of three months in jail. A fourth member of the crew was fined \$25, with the alternative of three months.

CARTER'S LITTLE LIVER PILLS. WHAT YOU SURELY NEED is a healthy, active, industrious liver. Small doses of these pills taken regularly insure that. You may also need a purgative sometimes. Then take one larger dose. Keep that in mind; it will pay you rich dividends in Health and Happiness. Genuine bears signature. Small Pill Small Dose Small Price. ROSY CHEEKS or HEALTHY COLOR indicates Iron in the Blood. Pale or feeble usually show its absence. A condition which will be much helped by CARTER'S IRON PILLS.
