Be Prepared to Meet Third Liberty Loan Drive

BELL 1991-2356 UNITED

HARRISBURG, TUESDAY, APRIL 2, 1918.

FOUNDED 1858

Only a Box, But---

it has been to France and delivered such precious contents as only an American mother can send to her soldier son.

This New York son gave the empty box to a comrade—one of our boys "over there"—who sends it to this city filled with souvenirs of priceless value to a Harrisburg mother.

The same box will now start on its third trip across the ocean, carrying its tokens of cheer and affection from Mrs. Annie Berkstresser, of 243 South Thirteenth street, to Gordon A. Berkstresser—one of the Bowman & Company boys in France.

Many more mothers and sons may have occasion to welcome this same little wooden box in various sections of the world. May its trips as a carrier of loving remembrances be frequent ere its useful days are over.

The box was on exhibition Saturday in the Bowman window, and with its many souvenirs, created a great deal of attention.

A Message to Thrifty Buyers of Suits

There are so many women who buy suits throughout the Spring season, regardless of any official day on which to introduce them, that complete stocks must be carried in a large store such as this, in order to permit wide range of selection.

Excellent Values at \$25.00

Belted and plain models, many of which are braid bound, pleated, plain or ripple backs—cotton and pony effects. Overcollars of pique or silk in white or contrasting colors. Trimmings of buttons and buckles add much to their attractiveness. Serge and poplin in tan, copen, Pekin, navy and black.

A special number at this price for stouts up to 53, of navy and black serge in a well made model with dependable lining.

Finer Effects at \$29.50 to \$35.00

At this price it is possible to select from a most complete assortment of serge and poplin in many models of plain and semi-tailored suits that have both style and service.

Braid-bound or trimmings of rows of braid, a long row of buttons, the much favored vest, an over-collar of white silk, pongee or a contrasting color, are shown in gray, copen, tan, Pekin, khaki, navy, black and Shepherd checks.

Sport Suits of Guernsey Cloth, Tyrol wool and jersey in a most complete showing. Patch pockets, belted and pleated backs, or the more conservative tailored models are shown, along with sleeveless suits in purple, hay, canteloupe, copen, Pekin, Manilla Tan, Khaki gray, taupe, and beautiful Heather colors.

BUY YOUR RUGS NOW

Manufacturers' Production Only Thirty Per Cent Of Normal Output

Prices Less Now Than You Will Be Able To Buy Them For Later

This store is fortunate in having one of the most complete assortments of floor coverings to be found in this section of the state—contracted for a year ago when prices were very much lower than similar quality can be bought for today. This saving is decidedly to your advantage, and we quote some of the many sizes and varieties to be found here:

The most searching investigation will inform you that the leading rug and linoleum makers are utilizing about 70 per cent. of their productive capacity for the making of ducks, blankets, awning, or other material for military purposes. This means a greatly curtailed production in floor coverings and a scarcity later.
