EMBARGO lire Vexations

To prevent tire troubles piling up until they threaten the service of your car, equip with Firestone Tires,

insulation reduces friction. Individual cords are imbedded in protecting rubber so that no two cords can touch to cause Cord or Fabric. Both have friction. The extra thick cushspecial Firestone features ion layer does double duty. It which minimize tire troubles distributes road blows over a and lengthen mileage. In the larger area of carcass. It Firestone Cord Tire pure gum welds the tread to the carcass.

Ask your dealer to show you this section. Have him point out the superiorities that produce Firestone comfort, Firestone safety, Firestone Most Miles per Dollar.

Actual size

3½ inches

Firestone Cord Tire improvements have shown the way for material advances in Firestone fabric construction. In the Firestone Fabric Tire you find more rubber between the fabric layers, added strength to cushion layer and tread, special reinforcement to strengthen the sidewall and unite it more firmly to the bead. Put an embargo on tire vexations. Begin by making your next tire a Firestone cord or fabric.

A daily free movement of the bowels becomes a serious blem as you step from middle-life into old age; and much pendence can no longer be placed on nature herself. The wels find artificial aid necessary.

The stronger the physic, as old people soon learn; the greater the contraction of the bowels thereafter, and so the greater the contraction of the bowels instructer, and so the wise purposely avoid salt waters, pills and other harsh pur-gatives. Many have learned to place absolute reliance on the gentle but positive action of a combination of simple laxative herbs with pepsin sold by druggists under the name of Dr. Caldwell's Syrup Pepsin.

It produces an agreeable movement as nearly natural and free as high pharmaceutical skill can make it. Thousands use it regularly, in the small dose prescribed, and keep them-selves in fine health and good cheer, and entirely free from
