WAGING CAMPAIGN TO INCREASE MEMBERSHIP

Great interest is being shown in

Great interest is being shown in the membership campaign of Steelton Nest No. 1628, Order of Owls, the object of which is to increase the membership from 150 to 500 within thirty days.

The order is the youngest fraternal organization in the borough, but the success has been remarkable and the supreme president of the order has just issued the necessary dispensation to allow the building up process to be carried through at the reduced charter free.

In connection with the campaign arrangements have been completed for a big mass "smoker" open to the general public which will be held to-morrow evening at Red Men's Hall, 144 North Front street, at which the special attraction will be an address by E. Joseph Schott, of Philadelphia, the supreme state organizer of the order, who is known as an interesting orator. DeWiit A. Fry, past president of Keystone Nest No. 1932, and Dr. J. H. Kreider, of Harrisburg, will also take part.
