

# TECH LEADERS ARE HARD AT WORK ON SEASON'S SCHEDULES---VINCOME TO PLAY

## FINAL PENNSY SYSTEM CONTESTS HERE TOMORROW

Athletic Teams Will Compete in City For Championship of Railroad Circuit

The final indoor elimination contests between teams of the Pennsylvania railroad system will be held in this city within the coming week. This announcement was made today by S. G. Hepford, of the Enola P. R. Y. M. C. A. in charge of athletics on the Philadelphia division. The tub-of-war contest will be staged on the Reilly street gymnasium floor to-morrow between the winners of the eastern district and the winners of the western district.

**Volleyball Game**  
Next Saturday the final volleyball game will be played on the Reilly street floor for the Pennsylvania championship. The contesting teams will represent Altoona, the Philadelphia General Office and the Philadelphia Terminal Division. Mr. Hepford will act as referee. Another final match which will probably be staged next Saturday is the trap shooting contest.

This match will either be on the Division street grounds or at Philadelphia.

**Grand Windup Bill**  
Some time later in the month the various winners in the grand division basketball race will meet to determine the championship of the Pennsylvania lines. The teams which will compete are: Eastern Pennsylvania Altoona Machine Shop; Central division, Williamsport; Northern division, Olean; New Jersey division, Camden; Maryland division, Wilmington; Philadelphia Terminal division, Philadelphia Motive Power; general offices, accounting department.

**Tarsus Club Honors Team That Won Cage Games**  
Basketball victories of the Tarsus five were exploited last night at a banquet given to the victors by the Tarsus School of Gymnastics. Plans for taking up tennis and other sports were also discussed. The big celebration took place at University Club, Front and Market streets.

There were speeches and music. W. D. Bottgenbaugh, physical director, welcomed the guests and complimented the champions. The Rev. Floyd Appleton, pastor of St. Paul's Episcopal Church, praised the athletes for their good work and told of the advantages in physical training. Other speakers were J. H. Keen, F. R. Kerr and H. O. Long, the manager.

**Willard Starts Work For Fight With Fulton**  
Chicago, April 5.—Jess Willard yesterday began training for his match with Fred Fulton.

His work consisted of a five-mile walk. He will walk that distance each day for a week, then will begin work in the gym.  
The champion believes Colorado will get the fight. Promoter Colonel Miller having received a good offer from that state.

## SNOODLES—Our Hero Just Wanted to Prepare for an Emergency—

## Mitchell Good Man Always After Cash

CHARLEY MITCHELL IN HIS PRIME

New York, April 5.—The sporting men of the country join with those of England in mourning the death of Charley Mitchell, formerly heavy-weight champion of England.  
Although classed as a heavyweight, Mitchell never weighed up to the minimum now set at 158 pounds. When he fought the unconquerable John L. in Chantilly, France, he weighed at ringside 154 pounds. The champion was 50 pounds heavier and two inches taller, but Mitchell gave him, in Sullivan's own words "The battle of his life."  
Mitchell began his pugilistic career when he was 18 years old, fighting an open air battle with Bob Cunningham in Birmingham, England, and scored a knockout. He then went to London where he encountered Bill Kennedy. They fought a 30-round bloody battle, to a draw. His next notable fight was with Billy Gray, who went down before the "Boy" in 11 rounds. Mitchell was always ready to meet anyone, providing the cash was right. He never worried about a defeat.

## Three Real Leaders For Tech High Sports

Technical high school has three real leaders in William Fortna, William Johnson and Glenn Beard, who will manage the football team, the gun club and the tennis squads. All three lads are busy arranging schedules for the Maroon teams. They won out over a large field of candidates.

Manager "Bill" Fortna is having trouble to persuade a sufficient number of high school teams to oppose Tech on the gridiron this coming fall. As a result, it may be necessary for him to fill the schedule with contests against several preparatory schools and college reserves. Tech is finding it more difficult to arrange a series of games this year, than ever before. With all the boys of Harrisburg coming to Tech, the city should have a big winner.

**Game Each Saturday**  
Efforts are being made to have a game in Harrisburg every Saturday with the exception of the contest at Greensburg. This will mean that Tech will have all but one of its games at home. "Bill" is a college prep student, who can play basketball. He is a clever pitcher at baseball, and his report cards show a goodly number of "A's."

Glenn Beard has been a big factor in tennis since Tech adopted this sport. He has always been one of the mainstays of the team. Last season, he was assistant manager of the basketball team. This year he managed the victorious Varsity basketball quintet. His popularity with the student body is demonstrated by the fact that he is the only Tech ever to be given the honor of managing two Tech teams in one year.

"Bill" Johnson will lead the Tech

## Academy Basketball Team to Play Hard Schedule

Harrisburg Academy will have an interesting but hard schedule for the basketball season. In the lineup will be a number of last season's stars. Coach Gavin and Manager Stelmeyer are out with the squad daily. The schedule follows:  
April 13—Gettysburg Academy, at home.  
April 27—624th Aero Squadron, Middletown, at home.  
May 4—Franklin and Marshall Academy, at Lancaster.  
May 11—Baltimore City College, at home.  
May 18—Yeates School, at Lancaster.  
May 25—Aero Squadron, at Middletown.  
June 1—Halifax High School, at home.  
June 8—Faculty, at home.

## ROSEWOOD A. C. IN HILL LEAGUE

Plan Seven-Inning Games; All Contests to Start at 6.30 P. M.

The Rosewood Athletic Club with Earl Killinger as manager, was given a franchise in the Allison Hill Twilight League at the weekly meeting last evening at the Hill freight station of the Reading railroad. The admission of the Rosewood aggregation will mean that the circuit will be composed of Rosewood, Galahad, Reading and Hick-A-Thrifts. The change indicates that the teams will probably be more evenly balanced than ever.

One of the big questions discussed was the matter of arranging for the finances of the league. Patrons of the league who enjoy this sport gratis will be asked to give their financial support to the league as in former years. Increased cost of supplies will mean that the organization will need more coin than ever.

### Seven-Inning Games

Games of seven innings duration with the contests starting at 6.30 will be played. In case of a tie at the end of the seventh inning, the tie-off will be played. The league will open May 6.  
C. Howard Reel, president; E. E. Krause, vice-president; A. H. Fritz, secretary and treasurer attended the meeting together with the following club representatives: Hick-A-Thrifts, Ben Whitman and Murray Washburn; Reading, Charles Pressler; Galahad, Allen H. Fritz; Rosewoods, Earl Killinger. The next meeting will take place Thursday night when other matters will be discussed.

## BOWLING

Camp Curtin, 3; Rosewood, 0.  
Camp Curtin, 30; Flins, 8.  
Camp Curtin, 30; Flins, 22, away.  
Totals, Camp Curtin, 556; opponents, 325.

## WELLY'S CORNER

The new International League is finding it difficult to get under sail. It may not be easy sailing after the start is made. Players are not breaking their necks to get a berth in the new organization.

Franchise owners in the New York State League are trying to get an explanation as to the right of J. H. Farrell to head another baseball organization. What about the New York State League ownership? Has he tendered his resignation or secured permission to lead a new organization? There is a loud cry over the Farrell circuit to keep away from the game this season.

A dispatch from Scranton says that Bill Coughlin the veteran, is going back to the baseball game. He has sold out his business and is seeking a berth as a manager. Veteran "Bill" never knows when he has had enough. However, he might have a successful summer trying to make baseball fans forget about the war, and then he is likely to find it a troublesome season. However Coughlin has had enough trouble in his time and can stand most anything.

Plans for the next boxing show of the Motive Power Athletic Association may not be completed in time for April 10, and it looks as if the second big show would be held during the week of April 22. Manager William Egan has been in communication with a number of good boys, and is also considering a plan which will give local patrons an attractive program at bargain prices.

The major league baseball teams are moving northward and will be in this vicinity soon. The season opens next week. The usual preseason games are now on. Rain has interfered to some extent but the big teams are rounding up in good shape and ought to make a creditable showing on opening day, April 14.

## A FIRST-CLASS AUTOMOBILE At a Very Low Price

Our Spring stock is now complete. Every auto has been marked at a big saving—every car is in A-1 condition. Roadsters, Touring Cars, Runabouts and Trucks—every make known in 1918-17-16 Models.
