## FIREMEN DO NOT FAVOR NEW PLAN

Move by Which Borough Can Save Money Will Not Be Taken Up by Council

Because borough firemen and officers of the various companies are very much opposed to a move to place the truck drivers to work in the steel plant, suggested by Quincy Bent when he was general manager of the local plant, Council will take no action, a member of Council declared today.

Frank A. Robbins, Jr., general manager of the local plant, at a meeting of citizens and taxpayers held recently at the home of President Nelley, emphasized the fact that the company would be only too willing to give drivers positions in the plant so that they would be tied close enough to the fire houses to answer a call at any time in a few minutes.

Mr. Robbins brought out that this method would be much better than when the horses were used. The men, according to Mr. Robbins, would be able to get to the fire houses before the firemen, who work at the plant can answer the call.

Save Borough \$3,000  
A move of this kind would save the borough more than \$3,000 a year, it is understood. Even with an advance of three and one-half mills on the tax rate this year, not enough money is available at the present time to make a saving of seven thousand dollars this year would be timely, in the opinion of prominent taxpayers.

A large number of firemen of all the companies are employed in the steel plant. When an alarm is sent in before the truck leaves the plant house he must wait a short time to

## Mrs. Alden Gives Hints on Food Conservation at Red Cross Demonstration

Mrs. C. A. Alden, Friday evening gave some very timely hints on food conservation at a demonstration in the Red Cross headquarters. The receipts were on meatless meals. Mrs. Alden's receipts are as follows:

**Salmon Loaf**—One can salmon, two cups bread crumbs, one can milk, one egg, salt, pepper, small onion, dried salmon, add the bread crumbs, seasoning and grated onion. Beat the egg slightly and add the milk. Combine with the salmon. Bake in buttered loaf pan for 25 to 30 minutes. Serve plain or with hot tartar sauce.

**Hot Tartar Sauce**—Two tablespoons vinegar, two teaspoons lemon juice, one-third cup butter substitute, two tablespoons Worcestershire sauce, one-third cup hot water. Melt the butter substitute and add to hot water. Combine the lemon juice, vinegar and Worcestershire sauce and add to the water. Serve hot.

**Soup**—One and one-half cups milk, one can corn, two tablespoons butter substitute, two tablespoons flour, one tablespoon green peas, one cup grated potato, salt, pepper and seasoning, cheese, salted pepper to taste. Melt the butter substitute, then add the flour and milk and cook until smooth. Add the yolks of eggs, corn and seasoning, cheese and green pepper. Beat well, then add the stiff beaten whites of eggs. Bake 20 minutes.

**Cheese Fondue**—One cup scalded milk, one cup soft stale bread crumbs, one-quarter pound grated cheese, one tablespoon butter substitute, one-half teaspoon salt, two eggs. Soak the bread crumbs a few minutes in the scalded milk. Then add to the milk and butter substitute, salt and yolks of eggs. Beat the whites of eggs to a stiff froth and fold them in at the last. Pour into a buttered baking dish and bake 20 minutes in moderate oven.

**lima Bean Loaf**—One cup dried lima beans, one and one-half cup bread crumbs, one cup milk, one egg, one tablespoon bacon fat, Wash and soak the lima beans over night. Cook until soft, drain and rub through a sieve. Add the other ingredients, mix well, turn into a greased baking dish and bake thirty minutes in moderate oven. Serve with tomato sauce.

**Rice and Cheese**—Two cups boiled rice, one-half pound grated cheese, one cup milk, one-half teaspoon salt, two tablespoons flour, one tablespoon butter substitute. Melt the butter substitute in a sauce of the milk and flour, add the cheese, stirring until melted. Put in alternate layers in baking dish, cover with milk and one-half cup bread crumbs and put the butter substitute over the crumbs in small pieces. Bake until brown. In food value this dish takes the place of both meat and potatoes.

**MURPHY FUNERAL**  
Funeral services for Richard Murphy, an employe of the local steel plant for many years, who died Saturday morning at 4 o'clock, will be held from the St. James Catholic Church, Wednesday morning. Burial will be made in Mt. Calvary Cemetery. Mrs. Murphy is survived by three daughters, Mrs. William Norris and Mrs. Charles Souillard.

## TYPHOID DOWN IN FIRST MONTH

Pennsylvania Had Only Forty-Five Deaths From That Disease in January

State Health Department reports just received, show that the death rate from typhoid fever in Pennsylvania was only 45, which is stated in a bulletin issued by the department to be "not only the lowest for any months for the twelve-year period since the Health Department was organized, but in no corresponding months of January have less than 69 deaths from this disease occurred. The lowest previous rates were noted in May and July, 1915, being recorded at 49 and 59 respectively. In January, 1906, the typhoid death rate was 365, rising to 475 in January next year and since then steadily falling. It went below 100 for the first time in January, 1913. The total death rate in January this year, when the winter weather was especially severe, was 11, 122, or 13.4 per cent of the population of Pennsylvania, the highest rate from that disease in any month in years. The deaths from typhoid fever of all kinds were 94 and 563. In this severely cold month, there were 63 persons committed suicide, 85 killed by auto accidents, 139 deaths from railway injuries and 621 from other forms of violence. There were 18,936 births.

**Road Work Split**—The readjusting of bids for construction of a road to link Pittsburgh with the National Pike, because the tenders made were too high, Highways Commission split the road work into two sections. One part of 3.19 miles lies in South Fayette township, Allegheny county, and the other of 3.66 miles lies in Cecil and North Star townships, Washington county. Bids have also been asked again on three miles in Blair county.

**Enforcing Law**—According to reports coming to the Capitol enforcement of the dog license code has been undertaken in most of the counties and hundreds of ownerless and unlicensed dogs have been killed. In counties where sheep raising is being revived, the dogs have been rounded up by farmers and catched.

**Conscience Active**—Twenty-one dollars and thirty cents sent in an envelope mailed at the Nictown post office in Philadelphia and addressed to the State Treasurer for "state taxes," were added to the state conscience fund to-day. The sender used ordinary brown wrapping paper for the letter.

**Three Appointed**—Governor Brumbaugh to-day named William Adamson, Zottsville, to be a trustee of the State Hospital at Ashland and Royal C. Irving to be justice of the peace for Union township, Tioga county; and J. Paul Burkhardt, Bernville.

**Increases Filed**—Notices of increases of rates have been filed with the Public Service Commission by the Boyertown Electric Co., Boyertown, Pa.

## Fore-runner of Progress

A thousand miles without changing cars; freight from coast to coast; fast express from afar;—all are the outgrowth of a great principle first applied by

## WESTERN UNION

when it brought under one system the early unconnected telegraph lines. On this principle of "through connections" all freight, express and sleeping car service is based today.

THE WESTERN UNION TELEGRAPH CO.

## Watch the Little Pimples; They Are Nature's Warning

Unsightly and Disfiguring Signs of Bad Blood  
Don't close your eyes to the warning which nature gives, when unsightly pimples appear on your face and other parts of the body.  
Not only are these pimples and blotches disfiguring, but they lead to serious skin diseases that spread and cause the most discomforting irritation and pain. Sometimes they fortell Eczema, boils, blisters, scaly eruptions and other annoyances that burn like flames of fire, and make you feel that your skin is ablaze.  
When these symptoms appear on any part of the body, take prompt steps to rid the blood of these disorders. And the one remedy which has no equal as a purifier is S. S. S., the purely vegetable blood medicine, which has been on the market for more than fifty years. It is sold by druggists everywhere.  
If you are afflicted with any form of skin disease, do not expect to be cured by lotions, ointments, salves and other local remedies, as they can not possibly reach the source of the trouble, which is in the blood. Begin taking S. S. S. to-day, and write a complete history of your case to our chief medical adviser who will give you special instructions, without charge. Write at once to Swift Specific Co., 411 Swift Laboratory, Atlanta, Ga.—Adv.

## Strive To Have Healthy Skin

Next time you are in a gathering of women note the different conditions apparent in complexion. You will see some filled with blackheads, some dry and rough, some smooth and glossy, some smeared with rouge, some streaked with heavy metallic powders and once in a while you will see one that is a demonstration of intelligence from every point of view. The color is rosy, the skin is clear and smooth, the pores are small and open, the powder does not show on the firm vigorous skin. Every woman has a good complexion if she will only use a little discretion. If you would acquire real beauty, the beauty of perfect health, you must replenish your worn-out nerves with lecithin, Nature's own nerve restorer, and put into your blood the invigorating iron which Nature intended it to have for health. In most of the modern foods these and other vitalizing elements have been largely eliminated. Yet to be healthy and beautiful the system must have them. They are found in Bio-feren, not only in proper proportions to restore weakened vitality but in such form as the system can best assimilate them.  
A treatment of lecithin and iron potentiate as combined in Bio-feren increases the appetite, aids nutrition and invigorates the system.  
Bio-feren in its pellet form is easy and palatable to take—no liquid

## As Age Advances the Liver Requires occasional slight stimulation.

**CARTER'S LITTLE LIVER PILLS**  
correct  
CONSTIPATION  
*Blood*

Colorless or Pale Faces usually indicate the absence of iron in the blood, a condition which will be greatly helped by **Carter's Iron Pills**

## GET RID OF YOUR RHEUMATISM

"Bliss Native Herb Tablets are without doubt the best medicine for rheumatism I ever used." S. W. Mills, East Lynn, W. Va.  
"I am strong and healthy at seventy-four, thanks to Bliss Native Herb Tablets." S. C. Martin, Stevensburg, Va.

**WILL SING TONIGHT**  
At the big patriotic meeting this evening in the Chestnut Street Auditorium, which will be addressed by "Smiling Pat" O'Brien, Mrs. Roy G. Cox and George Sutton will sing. The Kurzenknebe orchestra will furnish the music and community singing will be featured in the program as well.

**BIG TEMPERANCE RALLY**  
The big temperance rally scheduled for May 17 has been changed to Friday, April 26, because they can secure Professor J. H. Dickson for the earlier date. Professor Dickson has been president of Wooster College, Ohio, and is the national assistant secretary of the Dry Federation.

## HOW MRS. BOYD AVOIDED AN OPERATION

Canton, Ohio.—"I suffered from female trouble which caused me much suffering. The local man is very well known, being treasurer of the Steelton Club, an organizer composed of businessmen and prominent residents, and secretary of the Citizen Fire Company. These two offices he has held for a long time.

**Rushing Work on Blast Furnace No. 7 at Plant**  
With better weather conditions work on the erection of blast furnace No. 7 at the local steel plant is being rushed to a great extent. Work on the erection of this furnace started more than a year ago, but was held up on account of labor and weather. Officials this morning said they expected to see the furnace in operation late this summer. This furnace is one of the biggest improvement program announced by the Bethlehem Steel Company when the local plant was purchased from the Pennsylvania Steel Company.

**Blast furnace No. 2** which was scheduled to be put into operation this morning has been held up, and officials were unable to give any information when the furnace would be ready for use. It was learned this morning that as soon as blast furnace No. 7 is put into service, No. 1 and No. 2 will be abandoned, and that the furnaces will be renamed. Furnaces Nos. 1 and 2 are of the oldest type and of little use to the local plant with its modern equipment, it is understood.

## SEIDERS GOES TO BETHLEHEM

Ralph Seiders, of Locust street, a prominent resident of the borough, for nine years an employe of the local steel plant, has been transferred to the Bethlehem plant offices. Seiders to-day finished his duties at the local plant. The local man has been working in the accounting department of the local plant and will follow out the same line of work at Bethlehem, where the billing department. Seiders is well known in Steelton, being president of the Steelton Canoe Club and a tennis player of distinction.

## MISS GARDNER MARRIED

Announcement of the marriage of Miss Louise Gardner, a well-known resident of Bruce Road, Philadelphia, April 1, 1918, came as a surprise to her many friends here. The bride is the daughter of Mr. and Mrs. V. Gardner, North Second street. The newly-married couple will reside in Philadelphia.

## BISHOP HELLE TO LECTURE

"Right Makes Might," is the subject of a lecture to be given by Bishop W. F. Helle, chairman of the War Commission of the United Evangelical Church in the local Grace United Evangelical Church, Lincoln street, this evening.

## COMMITTEE MEETING

A meeting of the executive committee of the Civic Club will be held at the home of Mrs. J. M. Hartz, South Front street, to-morrow afternoon, at 2:30 o'clock.

## STEELTON VISITORS

Mr. and Mrs. George Neff, of Newville, spent Sunday with Mrs. John Beidel and Mrs. Lloyd Kennedy.

## CURED A "GROUCH" By Internal Baths

Mr. Joseph A. Weis writes Dr. Chas. A. Tyrrell, of New York, as follows:  
On the 15th of June, 1915, I purchased a J. E. L. Cascade. The results it has produced are simply marvelous. For 20 years I used cathartics but have used nothing but a Cascade for almost a month. I feel like a new man; I want to be pleasant to everybody. Before the Cascade I was a grouch. Did not like anybody and could not be pleasant to anybody. I have used the "J. E. L. Cascade" you will find yourself always bright, confident and nervous in the lower intestine makes you bilious, blue, dull and nervous. Internal baths as Nature's own cure for constipation—just antiseptic warm water properly applied. Drugs force Nature—Dr. J. E. L. Cascade gently assists her.

## For Skin Soreness

of infants and children you can find nothing that beats like  
**Sykes Comfort Powder**  
Leading physicians and nurses have used and endorsed it for more than 25 years. It will have used nothing but the Comfort Powder Co., Boston, Mass.

## Doathriens

"Buy Liberty Bonds Until It Hurts"  
It is produced by Chas. A. Tyrrell, M. D., of New York, who has specialized on internal bathing for 25 years, and will be shown and explained to you by Crook Keller, 465 Market street, Harrisburg, who will also be glad to give you free on request an interesting booklet called "Why Man of Today is Only 50 Per Cent Efficient," which covers the subject in a very thorough way.
