Following is the list of the athletes who have been traded or sold among the major league clubs since last season. It does not include those players who have been traded and called to the colors:

WELLY'S CORNER

Officials of the Allison Hill Twilight League have the right idea. In addition to a silver cup and pennant, a Liberty Bond may be awarded the winner on this season's series.

With a little over a month until the time for holding the annual Pennsylvania scholastic track and field meet nothing has been done other than plans for this season's event. The Harrisburg track athletic committee hope to take up the plans soon.

Present indications are not encouraging for a big meet this year. In order to bring about stronger enthusiasm immediate action is necessary. Central is out. Reading, York, Allentown and Norristown High schools have arranged schedules. Some of the Tech students, who graduate are leaving the school to take up war work, and Coach Hill is having his troubles in keeping together enough candidates to make a creditable showing in the various scholastic events.

There is one meet to look forward to that promises a memorable event. Grammar school athletes have started work and when the annual meet is held in June, there will be a meet worth seeing. War will not interfere with these future track and field stars.

Johnny Evers to Boston Americans; Dade Paskert to Chicago. St. Louis—Dan Grimer to Brooklyn. Boston—George Tyler to Chicago, Jesse Barnes to New York.

Mike Predergast to Philadelphia, "Pickles" Dillofer to Philadelphia. STANFORD SUSPENDS ATHLETICS Palo Alto, April 9.—Intercollegiate athletics will be suspended for the duration of the war at Stanford University. Already inquiries regarding time and dates for the use of the courts indicate many new players. The annual tournament will be handled by the Harrisburg Tennis Association of which Douglas M. Royal is the president.

Shippensburg High Team Loses First Ball Game

Gettysburg, Pa., April 9.—Zinn's winless helped in the downfall of the Shippensburg High school before the local high school boys by the score of 11 to 6. Bunting, home runs were about even, but ten bases on balls given by the visiting twirler gave the advantage to the home boys and made it rather easy for them. Plank, the home pitcher, a nephew of Eddie Plank, worked throughout the game with a broken thumb on his pitching hand, which lessened his usual effectiveness. The score:
