GOVERNOR FOR THE GARDEN ARMY

Praising the Idea and Asking Support For It

Governor Brumbaugh to-day issued at the request of the United States Department of the Interior,

sued at the request of the United States Department of the Interior, an official statement commending the United States School Garden army. The statement will be sent to school superintendents throughout the state, for enlistment of boys and girls in the working force.

The statement says:

"The government of the United States through the Department of the Interior, is organizing the United States School Garden Army, for the purpose of increasing and conserving the food supply of the people of this country, and of our Allies in this world war. It is confidently held that our boys and girls can, it organized and directed aright, produce \$250,000,000 worth of food. The educational value of the effort will be vastly more valuable than the food produced.

"That Pennsylvania, true to her patriotic past, may do her full share in this great enterprise, I urge all school authorities and committees of Public Safety in active co-operation to organize our state at once for this service.

"Let the most capable teachers, skilled in agricultural activities and capable in organization, be chosen to direct this vastly important work. Let the most capable teachers of Justin this Army of the Soil, and let there be chosen one or more directors in every city of 20,000 or more provided and let there be chosen one or more directors in every city of 20,000 or more provided and let there be chosen one or more directors in every city of 20,000 or more provided and let there be chosen one or more directors in every city of 20,000 or more provided and let there be chosen one or more directors in every city of 20,000 or more provided and let there be chosen one or more directors in every city of 20,000 or more provided and let there be chosen one or more directors in every city of 20,000 or more provided and let there be chosen one or more directors in every city of 20,000 or more provided and let there be chosen one or more directors in every city of 20,000 or more provided and let there be chosen one or more directors in every city of 2

"The planting season is here. Delay will be disastrous. For the sake of our Nation, let no one neglect his or her personal obligation, but by prompt action, assure a state-wide and effective response to this great national need."

Loan Meetings Held in Four West Shore Towns

Inclement weather was largely responsible for the poor attendance at the patriotic meetings held at Lemoyne, New Cumberland, West Fairview and Shiremanstown, last evening. The meetings were held under the auspices of the Cumberland County Public Safety Committee. Speakers from the county talked on the Third Liberty loan and what West Shore residents must do to help the country get its allotment. The sale of bonds in West Shore towns is in charge of committees of businessmen. Camp Hill reports a promised subscription list to date of \$18,000. The Boy Scout drive in East. Pennsboro township and Camp Hill borough will likely be in charge of the Rev. Raymond Ketchledge, passfor of the Camp Hill Presbyterian Church, and Scoutmaster of Troop No. 1, Boy Scouts of Camp Hill.

War Department Issues Denial of Heavy Losses; Spread of False Reports Credited to Germans

Washigton, April 8.

Washigton, April 8.

THE WAR DEPARTMENT gave to the press the following statement:

Pending the receipt from Secretary Baker of a reply to a cablegram from the War Department asking specifically if his order directing that all publication with reference to persons in the American Expeditionary Forces be given out from General Pershing's headquarters forbade the publication from the War Department of lists of casualties, the War Department announces that the lists of casualties which have been received from General Pershing during the last four days have been absolutely minor in numbers and that there has been no great loss on our western front reported.

Should there be a report of large losses or a disaster of any kind, the fact will not be concealed, but the figures, at least, will be given out immediately. The relatives of the soldiers named in the casualty lists during the last four days have been already informed.

It is understood by the department that a German propaganda has been initiated for the purpose of causing unrest and disseminating the idea that there has been a large casualty list on the other side among the American forces, but not only on this occasion, but on all occasions, the public may be assured that there will be no suppression of bad news.

DRINK HOT WATER AND RID JOINTS OF RHEUMATIC RUST

Why rheumatism and lumbago sufferers should drink phosphated hot water each morning before breakfast

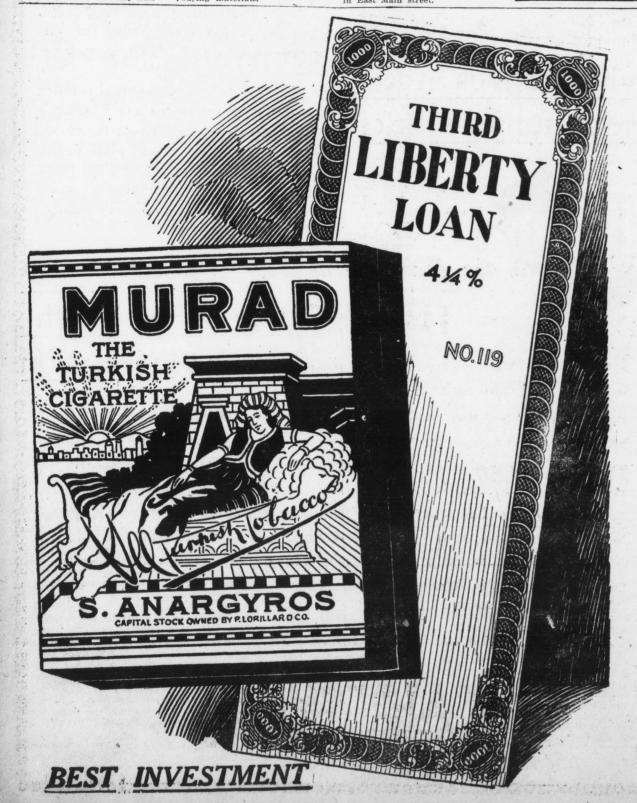

Just as coal, when it burns, leaves behind a certain amount of incombustible material in the form of ashes, so the food and drink taken day after day leaves in the alimentary canal a Tertain amount of indigestible material, which if not completely eliminated each day, becomes food for the millions of bacteria which infest the bowels. From this mass of left-over waste material, toxins and ptomaine-like poisons, called uric acid, is formed and them sucked into the blood where it continues to circulate, collecting grain by grain in the joints of the body much like rust collects on the hinge as shown above.

Men and women who suffer from lumbago, rheumatism or sore, stiff aching joints should begin drinking phosphated hot water, not as a means to magic relief from pain, but to prevent more uric acid form.

Men and women who suffer from lumbago, rheumatism or sore, stiff aching joints should begin drinking phosphated hot water, not as a means to magic relief from pain, but to prevent more uric acid forming in the system. Before eating breakfast each morning, drink a glass of real hot water with a teaspoonful of limestone would be a cause it cleanses the alimentary or gans of all the waste, gases and sour fermentations, making one look and feel clean, sweet and fresh all the standards are constipation, billous attacks, sallowness, nasty breath and stomach acidity.
