

# MAROON TOSSERS TO MEET INDEPENDENTS IN FINAL BATTLE TOMORROW NIGHT

## TWILIGHT GAMES FOR HILL TEAMS; NEED GOOD UMP'S

Allison Hill Officials Anticipate Good Season; Practice Starts Next Week

Officers and managers of the Allison Hill Baseball League last evening adopted a schedule of 48 games to be played on the Seventeenth and Chestnut street diamond, beginning May 6 and closing July 25. Contests will be played every evening, Friday being used for the playing off of postponed contests.

Forecasters are to the effect that the league will experience the best season since its organization, and the managers are lining up their players so as to give Hill residents a good ball game throughout the summer months. The Reading, Galahad, Rosewood and Hick-A-Thrift nines will be the representatives again this season, and competition promises to be keen until the close of the schedule.

**Need Good Umpires**  
Officers of the league are on the lookout for good umpires, as several vacancies have occurred on the staff, and candidates should write to A. H. Fritz, secretary of the Hill League, who can be reached at 32 S. Seventeenth street. Another matter which is taking the attention of the officers and managers is that of finance. Since the business of the league has to be conducted by contribution, friends of the organization who desire to contribute should address the secretary.

The meeting last evening was held at the usual place with all the managers and officers of the league in attendance. Another meeting will be held next Thursday night to take further action. The schedule follows for three months:

## Jack Ozar Throws His Opponent in Short Order

Lebanon, Pa., April 12.—For the second consecutive time, Jack Ozar, of this city, defeated Joe Turner, of Washington, winning two straight falls after Turner had compelled Ozar to concede the first fall in 1 minute and 5 seconds. Turner swept Ozar off his feet by the intensity of his attack at the opening of the bout and securing a double leg lock, quickly won the first fall. Ozar employed a body scissor on his feet, but was thrown on his back in 23 minutes, and won the third fall in 31 1/4 minutes with double arm lock.

The bout was staged in Fisher Academy of Music as a Red Cross benefit, and was advertised to be for the middleweight wrestling championship and belt, but Ozar declined both the title and belt, for the reason that he could not get down to the middleweight limit of 155 pounds, having entered the lightweight class by reason of his weight of 178 pounds. Charles Fisher, of New York, was the referee.

## FINAL MATCH IN BOWLING SERIES

Bunnies Win Out on Academy Alleys, Defeating the Easter Lilies

In the final match last night Taylor-Kennedy bowlers showed some real form. The Bunnies defeated the Easter Lilies, score 5023 to 4543. Prizes amounting to \$275 were distributed to the following winners:

**Prize Winners**  
The Keystone, who finished first in the league standing, received \$100 in gold, while the other teams were awarded prizes as follows: Crescents, \$60; Lions, \$40; Tigers, \$20; Capitals, \$15; Stars, \$12.50; Senators, \$12.50; Bears, \$12.50. George Hargest, the highest scorer of the league, received a cash prize of \$25.00.

In the opening game of the match the Bunnies were awarded the decision with a margin of 179 pins. In the second session the Easter Lilies showed a bit of fight, but were finally overcome with a margin of 173 pins. The last game found the Bunnies master of ceremonies and the trick was turned for a three-game victory, when the margin was found to be 188 pins.

Bentz, of the Bunnies, won the honors in both the high single and high triple scores with margins of 173 and 463 pins, respectively. The score:

## Veteran Promoter Dies; Friend of Late John L.

Philadelphia, April 12.—The death is announced of Richard H. Kearney (Dick Carney), well known to old-time sportsmen. He was active in promoting various forms of sport, including boxing, horse racing, dog racing and was also an enthusiastic baseball fan. He was personally acquainted with such veteran sporting men as John L. Sullivan, Jake Kilrain, Jim Corbett, Billy McLean, Arthur Chambers, John H. Clark, Dick Fozarty and others prominent in a generation ago. He toured Europe with John L. Sullivan and was present at nearly all his contests. Kearney was a great friend and admirer of John H. Clark. He helped to train Clark for his famous ring battle with Arthur Chambers and furnished part of the stakes for Clark on that occasion. Mr. Kearney was buried this morning from his late residence, 724 South Fifteenth street.

## Syracuse Turns Down Offer From New League

Syracuse, N. Y., April 12.—Syracuse will not be represented in the New International League, although a franchise was granted this city, it was authoritatively stated here last night. It was understood that the parties interested in the franchise rights have decided not to accept them. An effort will be made to have it transferred to Billy Gibson, who has applied for a franchise for the Bronx.

## TECH HIGH SHOOTERS LOOK LIKE FUTURE TRAP CHAMPS

Under the direction of Professor H. B. Shreiner and H. B. Shoop the local trapshooting expert, the Technical High School Gun Club is rapidly getting into shape to meet the Academy shooters as well as the leading high school organization. The Maroon team has been victorious in both of its former meets with the Academy, and Manager "Bill" Johnson hopes to add the Reading aggregation to the list.

In the last meet some good records were hung up at the Division Street grounds. On the firing line are seen (reading from left to right) Holtry, Mattson, Crimmel, Reed, Black and Captain Douglas. In the top picture are members of the first year class, which is indicative of the strong interest manifested by the first year students. Professor Shreiner and Mr. Shoop are in the rear.

## CERTIFICATES AS TENNIS TROPHIES

National Association Improves Plan to Give Liberty Bonds, Is Decision

New York, April 12.—The United States National Lawn Tennis Association has approved the use of certificates as trophies in all sanctioned tournaments this season. With the restoration of championships, this question has been brought up by the clubs which are planning their tennis events.

## Norman Ross Clips Four World's Swimming Marks

Chicago, April 12.—Norman Ross, of the Olympic Club, of San Francisco, smashed four world's records in the 500-yard event. His time, 5:53 2/5. Ross made the 300 yards in 3:45 1/5, the 400 yards in 4:38 2/5 and the 440 in 5:08 4/5. In the 500-yard national breast stroke event "Mike" McDermott of the Harrisburg Sportsmen's Association, each team will be given a neutral umpire. If there are any questions that cannot be decided, a third man will be selected. One rule agreed upon is that the targets must be smashed. "Dust" will not count. The match starts at 1.30. The championship contest between J. G. Martin and M. B. Stewart may not be until tomorrow. These shooters want a little time to practice for a long race. There was some talk to-day of making it a 1,000-target race, to include a series of ten matches of 100 each.

## HEAVY GUARD FOR RACE HORSE

Sun Briar's Illness Makes This Step Necessary Says Owner

New York, April 12.—Unwilling to risk a repetition of the Hawthorn incident when that favorite for the Kentucky derby was suddenly taken ill few days before the race, Willis Sharpe Kilmer, owner of Sun Briar, ante-post choice for the blue ribbon classic, has ordered an extra guard of watchmen to be placed around the American colt's stall at Churchill Downs.

Word has been received at Louisville that Owner Kilmer and a coterie of his northern New York state friends have formed a pool of \$50,000 to wager on Sun Briar to win the derby.

## Pittsburgh Is Right on Question of Big Battle

Pittsburgh, Pa., April 12.—There is no question about where Pittsburghers stand on the matter of a prizefight between Jess Willard and Fred Fulton. That the proposed battle should be prevented, and Jess and Fred, like other American fighters, in the French trenches, is the consensus of those who have participated so far in the voting contest conducted by one of the local newspapers.

## Villanova Twirler Is Back With the St. Louis Team

Villanova, Pa., April 12.—Vince Molynaux, who has instructed the Villanova pitchers for the last few weeks, spent his day in college Wednesday and will leave for St. Louis to join the American League baseball team of that city. He had a trial with the Browns and was out-arguing the event members of the organization could not say this morning. At any rate, the shoot is to be on the best to be offered in the sporting line in Harrisburg this season.

## Bitter Rivalry Exists Between Opposing Teams

Repairs have been made to the clubhouse and bridge crossing the creek to the house, it was announced by officers to-day. During the winter the wind tore the roof of the clubhouse and it was necessary to rebuild this part of the house. This work was completed a short time ago. Repairs to the bridge crossing the creek placed the bridge in good condition.

## WELLY'S CORNER

Charlie Herzog is a prize fuser. He is no slouch when he starts trouble and is generally in a position to dictate. He has a contract that must be honored. He knows it, also the man who made it, one John McGraw. It might be a good thing to pay Herzog all the law requires, and then can him.

The baseball player who insists on something extra in a way of salary this year, must have something to back him up in his demands. There is a small army of baseball stars out of jobs many of whom are not subject to draft. Managers need have little trouble in getting material.

Not until the baseball season is underway will Harrisburg's popular local stars be missed. Uncle Sam has in his big army many boys who have helped to make town lot baseball famous in and about Harrisburg, and have been prominent in the West End, East End A. A., Rosewood, Belmont, Trainers, West Fairview and other teams. New stars will be developed, but it will take sometime to do it.

## Amateur Boxing Bill Passes New York Senate

Albany, N. Y., April 12.—The Lawson bill legalizing amateur boxing exhibitions under supervision of the Amateur Athletic Union and the Intercollegiate Athletic Association, passed the Senate yesterday by 31 to 16. By passing the bill the Senate completely reversed its decision of Wednesday, when, after a warm debate, the bill was defeated by a vote of 23 to 16.

## Skill Is the One Big Factor in Trapshooting

Obviously, the most important part of a trapshooter's equipment is a shotgun, and in this there is a wide range of choice, both as to the type of arm and the cost.

Complete equipment is desirable, but, after all, it is simple ability to get what is shot at that makes the successful trapshooter.
