## ON GUARD!

Throughout every hour of every day, keen-  
visioned sentries watch at dreary outposts to  
prevent surprise attacks and protect their com-  
rades from the enemies' attempted raids.

So, too, we are ever on guard—always alert—  
that no inferior merchandise shall find its way  
through our store to you. "What we must not  
sell" is the subject of many hours of careful  
thought. Even those least acquainted with mar-  
ket conditions will realize what it means to main-  
tain a quality standard as high as ours in these  
days of merchandising difficulties.

This is a part of our service to you—to con-  
tinue the policy of the Bowman store as your  
guarantee of quality and satisfaction.

## Dresses That Make Little Girls Look Their Best

Mothers are very much smitten with the  
new juvenile garments shown in our chil-  
dren's department. Especially appealing at  
this season of the year are the many pretty  
dresses for coming summer days. And  
summer-time certainly does require a great  
number of pretty dresses to make the little  
ones look their best.

You will find here little girls' dresses in  
poplin and pique. Pretty white dresses  
trimmed in dainty colors, with smocking,  
belts and pockets—two to six years of age.

## Beautiful to Look At are the new Dorothy Dodd Shoes

Easy to wear because of their  
faultless fit.

Woman's shoes once hid timid-  
ly beneath the sheltering folds of  
long skirts. Those days are past.  
The practical, stylish, short skirt  
now calls for shapely shoes.

The new Dorothy Dodd shoes  
with military heels are much in  
favor for walking and general  
outdoor use. Dorothy Dodds are  
here for every occasion. Also  
other dependable makes of shoes  
for women and children.

## Fine Underwear of Silks

for Women and Misses

There's no apology needed these days  
for women to wear silk. Uncle Sam  
needs cotton and wool materials himself,  
and with silk women are going to enjoy  
the charms of fine underwear, more than  
ever before.

Milady will wear them with her new  
Spring apparel; in chemise, combinations,  
bloomers, corset covers, etc. Each one  
smartly embellished with embroidery and  
lace, and the higher priced ones making  
pretty uses of ribbon. Colors flesh and  
white.

Kayser silk underwear is here in com-  
plete assortment. Vests with or without  
straps at \$2.25 to \$4.98. Bloomers at  
\$2.98 to \$5.98. Combination suits, trim-  
med in venise laces and plain hemstitch-  
ed, \$2.98 to \$6.98. Also a fine line of  
envelope chemise.

## One Dollar Sends a Refrigerator to Your Home

Join the Bowman  
1918 Refrigerator Club  
and be prepared for the  
warm days that are  
soon here. This year  
more than any other, it  
is essential to be care-  
ful with foods. Con-  
servation in food sup-  
ply is more important  
than in saving on other  
materials. Food is the  
ammunition of the sol-  
diers and the suste-  
nance of all our allies in  
the European coun-  
tries. The more food  
we save the more we  
will have to ship  
abroad and the more

we will have for our own use next winter.  
Select the refrigerator you want. Delivery will be made  
at once, or later if you prefer. You will have it paid for when  
hot weather comes.  
This splendid side style refrigerator—capacity 75 pounds of  
ce—all white lined—lever locks—roomy compartments—  
three doors ..... \$19.75  
We have the famous Belding-Hall "stone-lined" and cen-  
tury refrigerators. Also the Seeger dry air syphon.  
BOWMAN'S—Fifth Floor.

## Quality Men's Furnishings

In this department for men, as well as  
other merchandise for women, we aim to  
secure only the high quality goods. They  
will reveal themselves on the most cursory  
examinations as readily as the synopsis re-  
veals the contents of a book. Higher qual-  
ity furnishings can't be found. And to pay  
more than we ask is like trying to pour  
water in a bottle already full—the overflow  
is simply pure waste.  
BOWMAN'S—Main Floor.

## There's Much Loveliness In OUR WAISTS

Those who love pretty  
waists and who are just as  
particular about the little  
trimming touches as about  
lovely materials and attrac-  
tive colors, will find this  
gathering of waists very  
much to their liking in this  
bright, fresh bevy of blouses  
just received from their  
makers.

The spring colors and  
styles are so numerous in  
this showing that a detailed  
description of all would still  
be unsatisfactory, for one's eyes are the court of Last Resort  
anyway, and every waist here is so worthy of personal in-  
spection—and admiration. Prices could not be lower.  
Tailored Waists in striped crepe de chine and voile at \$2.95  
to \$6.95.  
Lingerie and Organdie Waists with high and low neck, in  
all shades, \$2.98 to \$4.95.
