Philadelphia School Superintendent Changes Views Because of Public Sentiment

### Venerable Lutheran Church Drops German

St. Louis, April 18.—The Trinity Evangelical Lutheran Church, founded seventy years ago, and said to be the oldest church of that denomination in the United States, has voted to discontinue the use of the German language. The Holy Cross Lutheran school also decided to discontinue the use of German, making the twenty-second and last Lutheran school in the city to take this action.

an unwavering champion of teaching the German language, yesterday predicted that the study of the Teuton tongue eventually would be eliminated from the schools of the nation.

Several hours after Doctor Gar-

Several hours after Doctor Garber so declared himself, Charles Brum Helms, state secretary of the Pennsylvania Camp, Patriotic Order Sons of America, gave out a statement by Gabriel H. Moyer, Deputy Auditor General of Pennsylvania and state president of the order, in which was this sentiment: "I say knock it out for all time. We can't stand for that sort of 'kultur.' If Garber and Simon Gratz are in the way and can't see the light, we have 35.000 loyal Sons of America in the city of Philadelphia who will show the way."

Mr. Moyer said:
"There will be no letup in Pennsylvania as far as our order is concerned. We propose to push the fighting line up to the men who make the laws and to the Governor of this state to strike the teaching of German out of the public schools. In the light of what has transpired and what is transpiring daily in the Old World no decent and right thinking person having any regard for the Delty will want to hold communion or fellowship now or hereafter with any Prussian. The out rages committed and atrocities practiced are too heinous to be published in the newspapers; no regard is had for the sanctity of the marriage relation, plural marriages are sanctioned, good morals are beaten down and human beings are brought to the level of the beasts of the field. If this kind of doctrine is permitted to be taught and practiced, what shall we say of future generations? I say, knock it out for all time. We can't stand for that sort of 'kultur."

Wrinkles Erased In Ten Minutes-A New Marvel

Minutes—A New Marvel
The beautifying sensation of the
day is the "tarkroot treatment." No
discovery in the field of beauty culture has ever before met with such
enthusiastic, such instantaneous, approval. Nothing will so surely and
quickly iron out the age-lines and
wrinkles, the sagging and folds, and
give the face such a naturally youthful appearance. One need merely mix
a teaspoonful of powdered tarkroot
with a teaspoonful of plain water,
smooth this soothing emulsion over
the face, then go to the mirror and
watch the wrinkles and flabbiness
vanish like magic! One can scarcely
