

STRATEGISTS LOOK FOR NEW TEUTON THRUST

Battle in Drive For Channel Ports Not Final Nor Determined

Washington, April 22.—Another German thrust at the allied lines more powerful than those that have gone before is looked for by the War Department's strategists if the present drive at the channel ports fails.

There are indications that should the offensive here also fail to lead to some definite result, the enemy may undertake a further and even more powerful thrust.

Increased sniping and machine gun fire, was noted both along the Meuse and north of Toul.

A Well Made Suit or Coat The Most Valuable of All Spring or Summer Garments

The most practical and serviceable garment that a woman can buy in the face of a shortage of desirable all wool materials is a well made suit or coat.

You know how many purposes Suits and Coats can serve—how they save the other clothes—how well dressed you can be all summer and late into next Fall without extravagance.

Naturally, a great deal depends upon the warmth of the Suit or Coat which you buy remembering that it is to your interest to buy where there is no mistaking of values, or over-estimation of values.

Many Becoming Styles Are Shown at \$25 & \$27.50

This week's showing of finely tailored Suits is as complete as any line we have presented at any time since the opening of the season.

Materials are fine quality serges, tricootines, imported tweeds and heavy weight shape-retaining jersey cloths.

Sizes for misses and women of small as well as large figures.

Foulard--A Fashionable Summer Silk

The beauty of these Foulards has given them a pre-eminent place in the realm of fashionable fabrics this season.

These fine Foulards have a twilled surface that will not let them wear rough or pull like the old satin foulards.

Three favorite combinations are— Navy and White Black and White White and Black
