

# DRIVE MAKES ARMY GREATER AGAINST FOE

### More Than Million Rally in Addition to Those Now With Allies

London, April 24.—More than one million soldiers in addition to those who would otherwise be in the field against Germany, have been gained by the Allies in consequence of the German offensive. Winston Spencer Churchill, minister of munitions, said yesterday in an address to the American labor delegation which is visiting England.

"So far as moral effects are concerned," he said, "all that the Germans have achieved by the battle has been an increase in and closer consolidation of the forces fighting against them. By their attack they have called into the field against them in this campaign alone more than one million soldiers additional to those who would otherwise have been there."

"Under the pressure of this hard fought battle we have been able to draw from this country hundreds of thousands of men whom it would have been difficult to summon except under that pressure. Far more men have been called to the colors by the battle than have been lost in the battle. It was the same with America, and the same with France, and it was exactly the same with the offensive in Italy.

"No preponderance of material advantage has been gained by the enemy for all the immense sacrifices he has been made to suffer."

# YOUR SICK CHILD IS CONSTIPATED! LOOK AT TONGUE

### Hurry, Mother! Remove poisons from little stomach, liver, bowels

### Give "California Syrup of Figs" if cross, bilious or feverish

No matter what all your child, a gentle, thorough laxative should always be the first treatment given. If your little one is out-of-sorts, half-sick, isn't resting, eating and acting naturally—look, Mother! see if tongue is coated. This is a sure sign that the little stomach, liver and bowels are clogged with waste.

When cross, irritable, feverish, stomach sour, breath bad or has stomach-ache, diarrhoea, sore throat, full of cold, give a teaspoonful of "California Syrup of Figs," and in a few hours all the constipated poison, undigested food and sour bile gently moves out of the little bowels with-out griping, and you have a well, playful child again.

Mothers can rest easy after giving this harmless "fruit laxative," because it never fails to cleanse the little one's liver and bowels and sweeten the stomach and they dearly love its pleasant taste. Full directions for babies, children of all ages and for grown-ups printed on each bottle.

Beware of counterfeit fig syrups. Ask your druggist for a bottle of "California Syrup of Figs," then see that it is made by the "California Fig Syrup Company."

# SEDITIONOUS WORDS A VIOLATION OF ESPIONAGE LAW

### Free Speech Pleas to Shield Treasonable Talk Termed "Idle and Flimsy"

Philadelphia, April 24.—The United States Circuit Court of Appeals in this city yesterday responded to the call of the country to stamp out pro-German propaganda, seditious and disloyalty, when Judge Buffington, unequivocally supported by Judges McPherson and Woolley, filed an opinion, holding that "mere verbal statements" if uttered for a sinister purpose are violations of the espionage law, even though no injury results to the Government.

This decision is a death blow to seditious and preachers of disloyalty who have prated about "the inalienable right of free speech" and vehemently protested that they cannot be imprisoned unless there is positive proof that the Government has been harmed by their statements.

Judge Buffington waved aside such contentions, and a conviction for violating the espionage law will be sustained, even if the Government has suffered no harm.

All that the Government need prove, according to Judge Buffington's opinion, is that a person made seditious or disloyal statements with intent to interfere with its war plans, and a conviction for violating the espionage law will be sustained, even if the Government has suffered no harm.

WOMEN TO PAY DOUBLE RENT FOR BATHING SUITS Atlantic City, April 24.—The price of bathing suits is going to take a jump. Bathing suit masters, the fashionable ones, yesterday announced that hereafter nothing really presentable in the way of surf togs for particular women will be sold for less than fifty cents, a 100 per cent. jump. The reason is that "alley boys," who take care of bath-house corridors, have given notice of a 100 per cent. advance in their wages because of the soaring prices for labor elsewhere.

RECTOR WHO REMOVED FLAG DISMISSED BY VESTRYMEN Long Island City, N. Y., April 24.—The vestry of the Episcopal Church of the Redeemer in the Astor section here last night the resignation of the rector, the Rev. Leigh R. Urban, who recently removed from the church an American flag hung there by his parishioners.

HOLD INDIANA MAYOR ENEMY OF ALLIES Washington, April 24.—Frederick C. Miller, the German Mayor of Michigan City, Ind., was arrested and locked up as an enemy alien when he came here yesterday to discuss with Federal officials the prospects for completing his naturalization. He took out first papers before the United States went to war.

USE 2,000-POUND BASIS Explaining the system of Harrisburg coal prices, the head of one of the big coal houses here yesterday said prices dictated by the Fuel Administration are upon a basis of 2,000 pounds, and that the coal is sold strictly kept under heavy penalty. "We are not permitted," he stated, "under this ruling to accept orders for coal at present prices for gross ton delivery; but all coal must be upon a 2,000-pound basis for schedule in force. Orders are accepted subject to the price of coal at the time of delivery, for the prices are constantly changing. On orders for more than 12,000 pounds the Government will not permit dealers to send more than two-thirds of the amount desired until every other order on record shall have received its share of coal, after which the balance may be hauled."

WILL PRESENT FLAGS Newville, Pa., April 24.—On Friday evening the Third Liberty Loan honor flags for the North and South divisions will be presented. A short parade will follow to the places where the flags are to be displayed. All persons are requested to hang out an American flag in their homes. The Grand Army of the Republic, Home Guards, Red Cross, Civic Club, school children and all other organizations and citizens are requested to join in the exercises and parade, carrying a small American flag. Meet at the schoolhouse at 6.30 p. m.

HELD FOR AUTO THEFT Harry Yundt, 1218 Market street, a brakeman on the P. & R., was arrested last night for the alleged theft of two automobiles. He is charged with stealing an automobile here and motoring to Reading and stealing another machine there and motoring back. He was arrested on a Reading warrant.

PLAN COMMENCEMENT The Wharton Study Club, which is fostered by the University of Pennsylvania, is planning to celebrate its second annual commencement with a big dance and class day exercises early in June. The war pretty well drained this institution and the graduating class will number only about one dozen. Final examinations start May 27.

TO REPEAT ENTERTAINMENT The entertainment given by a score of young people under the leadership of Mrs. Isaac Vost at the Second Reformed Church last Thursday evening will be repeated to-morrow evening at the Shinnell community center. A collection for the Red Cross Auxiliary of the Shinnell community center will be taken.

# NAVAL RAID SEEN AS START OF MOVE TO BLOCK U-BOATS

### Officials at Washington Have Long Believed Submarines Could Be Bottled Up

Washington, April 24.—American naval officers await eagerly the full story of the successful French-British naval blow against the German destroyer and U-boat bases on the Belgian coast. The impression prevails here, supported by certain facts regarding American naval preparations, that a carefully-planned naval offensive against the U-boats has begun, which is to be pressed vigorously until the underwater raiders are bottled up or checked to such an extent that their operations will no longer be a serious factor.

There is nothing to indicate that the Navy Department has any advance information as to the operations in the anti-submarine warfare with-in the next few weeks that would establish a definite check on the U-boats. American co-operation in this effort is being extended in various ways which cannot be disclosed.

It has long been the belief of many officers here that much could be done toward bottling up the U-boats at their source—their bases on the Belgian coast.

The raids on Zeebrugge and Ostend were put through with a dash and enterprise that demonstrated the high spirit of the Allied naval forces and the eagerness of officers and men to get into the fight. The operation is the most daring attempt by the Allied sea forces, in some respects during the war, and the fact that landing parties were successfully put ashore and the survivors re-embarked in the face of the German batteries and troops shows, officers here say, that nothing should be viewed as impossible until it has been tried out. It was suggested yesterday that the recent raid against trawlers by British ships was a part of the general plan for aggressive action. The German light craft were engaged in mine sweeping.

Opinion among naval experts is divided as to the efficacy of the effort of the Allied naval forces.

# RONALD M. HARVIE DIES IN HOSPITAL

Ronald M. Harvie, justice of the peace and undertaker, of Fayetteville, Pa., died at the Harrisburg Hospital this morning. He was 33 years old, and a son of James D. Harvie, of Wheeling, W. Va., at the time of the job printing department of the Harrisburg Telegraph, when the paper was published from the Berger Building, at Third and Market streets. Mr. Harvie was brought to the hospital several days ago from the Franklin county town to undergo an operation for appendicitis and the removal of gall stones. His condition was critical when brought to the institution. Besides being justice of the peace and undertaker, he was superintendent of the Rummel-Himes plants factory at Fayetteville.

He and three children survive. Kraiss Bros., Chambersburg, undertakers, took the body to his home over the Cumberland Valley Railroad this afternoon. Mrs. M. F. Dwyer, Mrs. Jennie Lutz and Mrs. E. C. Harvie, Jr., reside in this city.

# Lid on Alsace-Lorraine Makes Diet Sullen

Amsterdam, April 24.—At the reopening of the Alsace-Lorraine Diet, says a Strasbourg dispatch to the Berlin Socialist newspaper, Vorwaerts, the speaker announced nothing must be said on the future of Alsace-Lorraine as to its independence or merging with some Federal State. As a silent protest against this ruling delegates refused to vote in the election of president, but twenty-three out of the forty-seven members present casting ballots.

# SING FOR LIBERTY LOAN IN EARLY MORNING

Eighty singers marched through the town until early this morning, singing patriotic songs to bring vim and vigor into the Liberty Loan Campaign. Under the direction of Ira E. Behney, John W. Phillips and Mr. Markley, the songsters were divided into five divisions, singing in various parts of the city. The chorals were arranged by the Liberty Loan "Stunts" Committee.

CHEWING GUM PROFITABLE A grand total of \$1,970.93 has been announced as the result of the three-day sale of chewing gum for the benefit of the Harrisburg Chapter, American Red Cross, last week. In addition to this amount, about 11,000 packages of chewing gum were given to the Red Cross for distribution to the soldiers passing through Harrisburg.

HELD AS GAMBLER A. A. Reiner and G. Golden, Rochester, N. Y., were held under \$500 bail yesterday on a gambling charge by his board at York, is believed to be in this city. It is said he failed to return his questionnaire.

# Hotelmen Sell Bottled Liquors Despite the Law

The fact that hotelkeepers are not observing the regulations limiting the sale of liquor over their bars was disclosed in an investigation conducted last night, when it was shown that three bartenders in succession handed bottled liquor across their bars without any hesitation. The regulations, issued by United States District Attorney Travers Fisher Kane, request that hotelmen refuse to sell liquor in bottles, as this practice makes bootlegging possible.

# BOMB TIMED TO EXPLODE IN PORT. BLEW UP FLORENCE II

Paris, Tuesday, April 23.—The blowing up of the American steamship Florence II, off the coast of Brittany, is believed to have been due, says the radio agency, to a bomb placed on board before she left the United States, so timed to explode when the vessel reached port. Owing to a fire on board, the news agency adds, the bomb exploded prematurely.

# PHYSICIAN ENTERS ARMY

Guy William Hess, formerly of Hanover, classed as a draft deserter by his board at York, is believed to be in this city. It is said he failed to return his questionnaire.

# Real War Story Is on Program at Fahnstock Hall For Y. M. C. A. Hut

Harrisburgers will have opportunity to learn more about real war next Saturday night at Fahnstock Hall than they have even imagined from written accounts. The occasion will be the appearance of the Gettysburg Three Hundred and Twenty-sixth Battalion Light Tank Corps, which is now stationed over there, but is likely to move on to France any day. Sergeant-Major Bowman is in charge, and will be one of the speakers; he should be most interesting, for he was on the spot when the Germans launched their first gas attack, wiping out 20,000 of the most gallant men in the British Army, who at that time had no protection from gas.

The object of this entertainment is to secure funds for some athletic equipment. Camp Cody, at Gettysburg, has no Y. M. C. A. hut or any other means of recreation, and these men, who are rated as the best trained "tankers" in the whole country, need funds for recreation. Some of the men who will speak have had firsthand experience in ambulance units along No Man's Land, and many Harrisburgers have relatives now in the same service. It is hoped these folks in particular will respond. Sergeant Bowman carries a small American flag, given him by his mother when he left the country. It was carried on his ambulance through several hundred battles, and is torn by shot and shell. He will explain the methods of bringing in and caring for the wounded. Sergeant Bowman will explain in detail how the ambulance men go out during the thick of the fray to pick up the wounded and hurry them back to perfect "dripping surgeons wait," and then hasten to return for another load of suffering soldiers.

# "Buy Bonds and Biff the Boche"

HELL 1991-2356 UNITED

# "Carry On"

We can, all of us, well adopt the famous slogan of the English Army. While a recent patriotic meeting was in session in London, an air raid was announced. "Carry on," the audience cried. The boom of German bombs and English anti-air craft guns mingled, often interrupted the speaker, but the meeting continued. Later, forty-five casualties and numbers of wounded were reported.

Such is the spirit we must show. We have no air raids, but many other demands are made upon our patriotism. This store will "carry on." Whatever demands are made by our Government will be cheerfully complied with. Efficient patriotism is essential to internal prosperity—and we shall do everything possible to be of service to our customers through the emergency.

# Faultless Fitting Footwear

We say "Faultless," because we believe this season's Dorothy Dodd models are as dainty, sensible and faultless fitting shoes as you would care to wear.

This fact will mean more to you this year than ever before, because America's women are bound to be on their feet more than usual, and conservation of energy begins with foot comfort. To be continually conscious of tired feet from ill-fitting shoes not only spoils your comfort, but impairs your usefulness.

Begin the Spring and Summer season right by letting us fit Dorothy's to your feet. Our shoe department has a splendid assortment of stylish and durable shoes for women and children.
