Will Nuxated Iron Help Make New Age of Healthier Women and Stronger Sturdier Men?

City Physicians Say That By Enriching the Blood and Creating Thousands of New Red Blood Cells It Increases the Strength and Endurance of Delicate, Nervous, Run-Down Folks in Two Weeks' Time in Many Instances.

SINCE the discovery of organic iron, Nuxated Iron or "Fer Nuxate," as the French call it, has taken the world by storm, it is conservatively estimated that over three million people annually are taking it in this country alone.

Dr. Ferdinand King, a New York Physician and Medical Author, when interviewed on this subject, said: "There can be no sturdier iron men without iron. Pallor means anemia. Anemia means iron deficiency. The skin of iron deficient men is pale; the flesh flabby. The muscles lack tone; the brain gives and the memory fails; the nerves become weak, nervous, irritable, despondent and finally become choleric. When the iron goes from the blood of women, the result is a weak, muscular from their checks."

Dr. James Francis Sullivan, formerly physician of Bellevue Hospital (Out-Door Dept.), New York, and the Westchester County Hospital, says: "In my talks with physicians, I have strongly emphasized the great necessity of the most effective examinations of their weak, anemic, run-down patients. Thousands of persons go on suffering for years, without recognizing themselves for all kinds of ills, when the real and true cause underlying their condition is simply a lack of sufficient iron in the red blood corpuscles to enable nature to transform the food they eat into brain, muscle tissue and energy. But beware of the old forms of metallic iron which frequently do more harm than good."

RHEUMATIC PAINS DISAPPEAR BLISS NATIVE HERB TABLETS PRAISED BY MANY

"Twenty years ago I was bothered with rheumatic pains through my shoulders and lungs to such an extent that my head was drawn down on my neck, causing great suffering. After trying different medicines, I was finally persuaded to try Bliss Native Herb Tablets. After taking this remedy for a week I could move my head, and after continuing treatment for a remarkably short time was able to work."

From the Battle of Bunker Hill to a lawn fete of the present day in honor of the Red Cross, marches in "Draft 258," the patriotic pageant of "Draft 258," the logical successor to "The Sinner," which was shown to the enthusiastic audiences at the Colonial Theater yesterday, and which will be shown for the last time to-day. Improving Every Day Says Tonall Done For Her What Other Remedies Failed to Do.

"I am glad to recommend Tonall," says Mrs. Sarah Wohl, of No. 3 Wall St., York, Pa. "I have only taken one bottle of Tonall and I realize Tonall contains just what my system required. I was in misery most of the time, due to indigestion, and I did not dare eat only light foods which contained but little nourishment. I was getting weaker, right along and becoming nervous. I would get excited at the least cause and my bowels were irregular. I admit my ambition was fast dwindling away and I was complaining so much and becoming disgusted because I had tried so many medicines without receiving any noticeable results. My son got me a bottle of Tonall and said, 'Try it.' As a friend of his, Mr. Charles Selemeyer, of 240 E. King St., had recommended it, I tried it. I had not taken it long when I felt like eating and my ambition started again. Oh, I just cannot explain how good I do feel."
