

SPROUL VISITS SCRANTON CITY

Meets Old Friends and Receives Assurances of Support From Many People

Senator William C. Sproul went to Scranton yesterday and visited among old friends. There was no intention to have a demonstration, but so many people wanted to see him that it was in reality a big endorsement of his candidacy. At least a thousand people greeted him during the day.

The Easiest Way To End Dandruff

There is one sure way that never fails to remove dandruff completely and that is to dissolve it. This dissolves it entirely. To do this, just get about four ounces of plain, ordinary liquid arvon; apply it at night when retiring; use enough to moisten the scalp and rub it in gently with the finger tips.

By morning, most if not all of your dandruff will be gone, and three or four more applications will completely dissolve and entirely destroy every single sign and trace of it, no matter how much dandruff you may have.

You will find, too, that all itching and digging of the scalp will stop instantly, and your hair will be fluffy, lustrous, glossy, silky and soft, and look and feel a hundred times better.

It is so simple, so easy, so sure, and so inexpensive, and it is so effective, that it is a wonder that it is not used by every one.

and they escorted him to the hotel. His first visitor was W. G. O'Malley, former director of the Department of Public Safety. A delegation of printers then had a friendly talk with the Senator, and an hour later the hotel lobby was crowded with men eager to greet the candidate.

Excusing himself for a half hour, Senator Sproul visited Harry Dale, one of the city's leading merchants and a classmate of the Senator's. Senator Sproul stepped into the Federal building for a few minutes to meet his friend, Judge C. E. Witmer, of the United States court. Then he went across the street to the courthouse where he was tendered a hearty welcome by the county officials and county employees.

When the candidate returned to the hotel several hundred friends were awaiting him. Former Senator M. E. McDonald, E. Schuyler Gernon, School Controller George Carson, Architect F. L. Brown, Arja Powell, Dr. Albert Kolb, of the local federal draft board; Representative Hugh A. Dawson and State Mine Inspector David T. Williams, together with several other mine inspectors were among the throng.

At noon Senator Sproul was escorted to the Hotel Casey, where he was the guest of honor at the meeting of the Kiwanis Club, which is composed of prominent businessmen.

When the candidate returned to Jermyn there was another large crowd to greet him. The Rev. W. L. Sawtelle, D. D., rector of the First Presbyterian Church; the Rev. John D. Skilton, principal of the schools of Lackawanna, and several other

clergyman welcomed him and talked for ten minutes.

Last evening Senator Sproul was the guest of J. Benjamin Dimmick, who was a candidate for Senator against Boies Penrose and who was supported by J. Denny O'Neill, at a dinner in the Dimmick home in Green Ridge. Later the Senator returned to Jermyn to meet other friends.

W. L. Connell, twice Mayor of Scranton, and one of the city's most influential citizens, announced to-day that he is for Senator Sproul to the finish and that he will also support Senator E. E. Beldeman, candidate for Lieutenant Governor.

"Senator Sproul, in my opinion, is peculiarly fitted for the office of Governor, both because of his wide experience in the legislative halls of the state and his training as a business man," Mr. Connell said.

"He deserves the support of every Republican in the state and is an ideal candidate for the place. I have every reason to believe he will be nominated at the primaries."

RHEUMATISM LEAVES YOU FOREVER
Deep Seated Uric Acid Deposits Are Dissolved and the Rheumatic Poison Starts to Leave the System Within Twenty-four Hours.

Geo. A. Gorgas, whom you all know, is anxious to give you a systematic sufferer in this vicinity that if two bottles of Allenru, the sure conqueror of rheumatism, does not stop all agony, reduce swollen joints and do away with even the slightest twinge of rheumatic pain, he will gladly return your money without comment.

Allenru has been tried and tested for years, and really marvelous results have been accomplished in the most severe cases where the suffering and agony was intense and pitiable. It is a relief that is immediate. Allenru relieves at once. Immediately after you start to take it the uric acid deposits, dissolves the secretions and drives rheumatic poisons out of the body through the kidneys and bowels.

It is marvelous how quickly it acts. Blisters, relief often comes in two days, and even in cases where the suffering has been long and all traces disappear in a few days.

Mr. James H. Allen, the discoverer of Allenru, has been a sufferer himself for years. He has suffered the torments of acute rheumatism, and he has instructed Geo. A. Gorgas to guarantee it in every instance.

Only Half a Man!
Most Men Neglect the Blood and Nerves Until Too Late

It doesn't take very much weakening of a man's blood, nerve and vital forces to cut his strength in half and leave him "only half a man." The dangerous feature of this impoverished condition is that much of the damage is done before the victim is aware of it.

When a man or woman begins to look or feel older than they really are, when they begin to tire easily, or have in their back, it is almost certain that impoverished blood, frayed nerves or faulty digestion is the cause of the trouble.

DR. CHASE'S BLOOD AND NERVE TABLETS have restored health and strength in thousands of cases of general weakness and impoverished blood. They contain the vital element of Iron, Glandular, Gentian and other remedies that build up body and nerves alike.
