Father William J. Farrell, of West Newton, Mass., a regimental chaplain proved such a good fighter that a high officer offered him a commission in his command. Father Parrell went to the assistance of a battery when four of the American gunners were killed, carried up ammunition and helped the crew to keep the gun working. He was wounded slightly. Raymond Connor, of New Haven, a sanitary squad runner, was one of eight men captured by the Germans who escaped and went to Scicheprey. They took charge of the first aid station there until a doctor arrived. Connor then went to the rear and organized a new squad, returned to the front and was wounded.

'KING OF MOONSHINERS'

Georgia's "king of moonshiners," so characterized by W. Paul Carpenter, Assistant United States District Attorney for the northern district of Georgia, has stepped from the role of a leading merchant, grand jury foreman and farmer of Woodstock, Cherokee county, Ga., to become one of Uncle Sam's guests at the federal nenitentiary.

Uncle Sam's guests at the federal penitentiary.

J. H. Hardin is his name, and, until a few weeks ago, he was known as one of the foremost residents oils community. According to his own estimates, Hardin, through his mercantile, farming and other interests, last year did a business exceeding \$40,000. He served as foreman of the grand jury. He was generally held as a first citizen.

Then federal officers haled him into court, where testimony showed 40,000 pounds of sugar and 46,000 pounds of meal were delivered to him during the last quarter of 1917. The Assistant District Actorney halled him as "the king of all moonshiners in North Georgia." He was sentenced to serve eighteen monthis in the federal prison and pay a fine of \$350.

Your Government Needs More BOYS' Clubs

Government Officials are Urging the Support of the Boys' Club Federation as a Patriotic Duty

"To make the boys of the Nation paysically and morally fit is to fill the ranks of the producers for the present and future, and is specially deserving of the highest commendation. I extend my best wishes to the Boys' Club Federation in its patriotic efforts." HERBERT HOVER, U.S. Food Commissioner. "This is truly Boy conservation and the Federation will indeed help the Nation in this presentrisis."—WILLIAM B. WILSON, U. S. Secretary of Labor.

Boys are the life-blood of to-morrow's civilization. Boy delinquency in America must not equal that of foreign countries. The Boy Club Federation works to forestall this calamity. They should be made morally and physically fit. New clubs are needed for this. Perhaps one is needed in your own city. If so, the Boys' Club Federation will help you organize. This is the only organization specializing in the underprivileged BOY of all ages, without restrictive fees or standards and worthy of your utmost support.
