

Troop 13 Will Start Patrol Leaders School

Dr. Hazan will start a six weeks' course in first-aid work, paying particular attention to splints and stretcher work.

On Saturday, if the weather is fair, the bicycle division of Troop 13 will ride to Camp Boyd on the Juniata, twenty-two miles from Harrisburg.

In the second Liberty Loan campaign Troop 13 took four medals. In this drive the scouts have made up their minds to do twice this good, notwithstanding the handicap under which they will start.

Troop 13's meetings are getting more interesting each week. The meetings are in charge of various patrol leaders.

Senior Patrol Leader Hazan and Assistant Patrol Leader Bayles have turned in their maps. The map work consists of plotting roads, streams and houses with the use of the compass and pacing the distance along the roads.

Troop 20 opened its regular meeting last Friday evening at 7:30 o'clock. After the regular opening exercises, including a prayer by the chaplain and the salute to the flag, the manuals of the Third Liberty Loan Campaign were distributed and discussed.

Scout Master Swope explained in detail the method of selling the Bonds. Each scout has a

For the Future Scouts

Voltaire and Frederick the Great were warm friends. Voltaire, the great Frenchman, was the exponent of what we might call "socialism" and Frederick the Great was the author of the salient points in Germany's present-day military system.

It was Frederick's avowed intention to cultivate Voltaire's friendship and develop a happy medium between what we would style autocracy and democracy. The two worked happily on their plan and splendid progress was made.

There will be a patriotic rally to-night at the Grace Methodist Church, attended by all the Boy Scouts in the city. At this meeting medals won by scouts in the Second Liberty Loan will be presented by Postmaster Sites.

Now that the Third Liberty Loan campaign is in full swing, Boy Scouts have again volunteered for Bonds at every opportunity, to put the heart behind the dollar and to win other dollars with that heart.

SERVICE FLAG FOR TROOP SIX

Members to Take Hike With Good Quarters for the Night

During the business meeting of Troop 6 on Monday night the Susquehannock Council of Camp Fire Girls presented the troop with a large service flag bearing two stars, one for Assistant Scoutmaster Addison Armstrong, who is in the Medical Corps somewhere in France, and the other for Assistant Scoutmaster W. F. Demming, who is also "over there" with the aviation section.

Miss Martha Shartzer, president of the Camp Fire Council, paid a glowing tribute to the young men who volunteered their service to their country and pointed out that this should set an example for service to the Scouts who are not old enough to take their place in the trenches but who do aid their government by service at home.

To-morrow afternoon about twenty members of the troop will assemble at the scout room for an overnight hike. The destination has been kept a secret but comfortable location for the night is promised and a good time is in store for those who go along.

The track team of the troop is busy practicing for the intertroop meet to be held in the near future. Owing to the size and age of the members of the troop it would be unfair to match them against any other single troop, but we are ready to accept challenges from any combination of two troops.
