## CONTEST IN BAPTIST S. S.

School Divided Into Two Big Teams For Membership Drive

For the past two weeks the Sunday school of the Tabernacle Baptist Church, of which the Rev. Millard Osmore Peirce is pastor, has been preparing and organizing for an extensive campaign to take place to-morrow in the interest of new Sunday school scholars. A number of conferences have been held for the purpose of discussing ways and means of increasing the school's attendance. A survey of the field of the proposed house-to-house canvass has been mapped out and a copy placed in the hands of each worker. Teams of workers have been organized and have been assigned to their respective places of endeavor. The church's press has enabled the printing association to prepare a considerable amount of attractive literature inviting the unchurched and un-Sunday schooled into its fold. One of the unique methods which the Tabernacle Sunday school has put into action is the use of a large auto truck, which goes from home to home gathering up the children, carrying to them and from the Sunday school service. The great spirit is being manifested by those interested in the drive and it is anticipated that the school's attendance will be increased greatly with the completion of the campaign. During the past year the roll has been more than doubled.

## TO DEDICATE PIPE ORGAN

Messiah Lutheran and St. Paul Baptist Congregations to Celebrate

The closing exercises in connection with the dedication of the pipe organ at St. Paul's Baptist Church will be held to-morrow afternoon at 2.30, when the Messiah Lutheran Church with its pastor and choir will have charge of the service. It is but fitting that Messiah should be at St. Paul's on this occasion as it was through her instrumentality that the pipe organ now adorning the church was made a fact. St. Paul's Church appreciated immensely the kindness shown her by Messiah in this respect through her pastor, the Rev. Mr. Hanson, and Luther Minter. They have shown sympathetic considerations for St. Paul and have done well by her. The pastor of St. Paul's brethren is especially grateful to these speakers for assisting him as they have in his effort to secure the pipe organ and for willingly agreeing to come and help the church in the dedicatory exercises. The choir of Messiah under the leadership of Prof. A. W. Hartman will have charge of the music. John C. Nissley, Dr. H. H. Cooper, organist, will also assist. The program: Organ prelude, doxology, invocation, the Rev. Warner Church by choir, scripture, the Rev. H. H. Cooper, prayer, the Rev. O. P. Goodwin
