Thus far the police have been unable to trace Schmidt's first wife, Margaret Darsch, or Irma Pallatinus, the latter having disappeared after becoming Schmidt's housekeeper at his home here.

Mrs. Ulrich Braun, who came here to claim the body of the dead man, permitted Schmidt's daughter to take charge of the funeral arrangements when told that such action would not jeopardize her widow's rights to the name of Braun with \$3,500 turned over to him by Miss Adele Ulrich, with whom Schmidt, under the name of Braun, arrived in Lakewood in 1914, after his marriage to her in New York. Hope Jersey Home May Yield Solution of Mystery Surrounding Two Women

Lakewood, N. J., April 27.—County

authorities to-day began the work of opening an abandoned well in search of bodies, at the house where Helmut Schmidt, alias Emil Braun, who committed suicide in a Detroit jail on Tuesday after his arrest for murder in connection with the disappearance of a girl, lived several years ago.

Richard Plumer, prosecutor, said the step was taken on suspicion that Mrs. Schmidt, with whom Schmidt arrived in Lakewood in 1913 after his marriage to her in New York city after meeting her through a matrimonial advertisement, and Grella Darsch, a German girl, had been killed and their bodies thrown into the well, which is under a porch. Schmidt purchased the property here under the name of Braun with \$3,500 turned over to him by Miss Adele Ulrich, with whom Schmidt, under the name of Braun, arrived in Lakewood in 1914, after his marriage to her in New York. "Braun" posed as a jeweler and was known to be an expert photographer.

Developments in the Schmidt inquiry in Detroit yesterday indicated the man was in this county as a German agent interested in obtaining papers ago regarding American fortifications.
