COLLECT WASTE TO RAISE FUNDS

Nursery Home of Harrisburg Conducts Second Annual Campaign

Next week the Nursery Home of Harrisburg will start its second annual campaign of waste collecting in this city for the purpose of raising funds for the maintenance of the home. It is planned to collect and sell all useless accumulations of waste and rubbish harbored in Harrisburg's cellars, attics, and other storing places.

There is such an unusual demand this year on the citizens for every purpose, that the Nursery Home has again taken up this plan of conserving and converting waste into a source of revenue for helping it meet the extra heavy demands that war conditions have made upon its resources.

Complete details of the plan of campaign will be announced later, when the work is about to commence, and in the meantime the following list of desirable articles is given, in order that housewives may be searching their homes in advance:

Rags, all sorts of unwearable and worn-out clothing, old carpets, rugs, old rubber footwear, hot water heaters, old automobile tires, old pieces of metal such as copper, brass, zinc, tinfall and plated ware, etc.
