Fair Food Prices

The following statement, revised to April 30, regarding fair prices for food necessities, was issued to-day by the local Federal Food Administration.

Consumer prices are figured on a quotation "cash-and-carry" basis. Credit and delivery prices may be higher. The Federal Food Administration has no authority to fix prices. It may, however, determine what are fair prices, based on reasonable profits to the wholesaler and retailer. If your retailer charges more on a "cash-and-carry" basis than the prices named below, report him by letter to the Federal Food Administration, Chamber of Commerce.
