### Republican Clubs Are Active in Registration

Members of the Harrisburg, the West End and the East End Republican Clubs took an active part in the registration of voters to-day. The clubs are planning to actively assist Senator Beidleman in his canvass for the nomination as Lieucenau Governor on the Republican ticket at the May primaries. The West End club membership is still talking enthusiastically of a recent meeting at which Senator Beidleman and Gabriel H. Moyer, special deputy Auditor General, made addresses. All of the local clubs are on record with resolutions in favor of the Beidleman candidacy.

May Be "Peace Offensive"

A dispatch from Stockholm Tuesday reported that a message from Basle announced that Emperor Charles of Austria was making a new peace offer, appealing to Italy to consider it in her own interests.

That a "peace offensive" would be made by the central powers in the event that the German offensive on the west appeared abortive has been predicted frequently in allied capitals. This may be the beginning.
