Beidleman Friend of Labor

Senator Beidleman made short
speeches at both district meetings,
telling the committeemen of his legislative record and requesting them
to inform the electors. In his eight
years of service in the Legislature he
has been an unusually active member and many business and labor
organizations of this country have
found him their friend in the passage and defeat of legislation.

Mr. Beidleman has done much for
organized labor and it is showing
that his assistance is appreciated.
The railroad men are especially appeciative of his work for them.
When Dr. M. G. Brumbaugh was a
candidate for governor it was Senator Beidleman who obtained a pledge
from him that if an effort was made
to repeal the "full crew" act the bill
would be vetoed. The pledge was in
writing and it was kept.

While the Tenth Legislative district organization was being addressed by Mr. Beidleman, Mayor E.
V. Babocok paid his initial visit to
headquarters. He went into the
meeting and made a short speech
for the whole state ticket.

A number of local candidates calied to meet Mr. Beidleman and Mr.
Woodward. They reported good sentiment in their districts for the
whole ticket headed by Senator W.
C. Sproul for the nomination for
governor. Mr. Beidleman received
callers at the William Penn Hotel
last night.

"I was told by naval men that she was loaded at Bahia, Brazil, with ore," he said. "And that the port was full of Germans from a cruiser and other ships interned there. Opportunity to put a plant in her cargo was ample."

Apparently these units have been recruited from former residents of the dual monarchy and from deserters from the enemy ranks. Austro-Hungarian commanders, who have many thousands of Czechs and Slavs in their units, are said to be fearful of the effect this move may have on their troops. This and the fact that the Czechs at Prague and elsewhere and the Slavs in Carniola and southward have become openly hostile to the Austrian government may explain why the enemy offensive against Italy has been delayed. Berlin has heralded and urged an offensive but Austro-Hungarian attacks have not yet developed.
