

# NEWS AND NOTES OF THE BOY SCOUTS

## TROOP SIX IS STILL ON JOB

### Rumors of Disbandment Are Denied by Boys Who Are Working Hard

There are persistent rumors about that Troop 6 has been disbanded and broken up. In answer to these rumors let us look at the following record. Saturday, April 27, overnight hike. Monday, April 29, marshmallow toast in Spooky Hollow with Susquehanna Camp Fire Girls. Wednesday night, patrol leaders' meeting. Friday baseball practice. Week of May 6, intensive campaign by troop to collect old newspapers and magazines, intensive drive for sale of thrift stamps planned for entire year; Scouts selling Liberty Bonds, details working at the Liberty Loan tent at the post office; baseball game scheduled with Troop 8; second annual inter-patrol track meet on May 18. No Scouts, Troop 6 is still alive and doing business at the same old stand, only with a little more pep. Watch us go!

## TROOP EIGHT HAS BUSY SCHEDULES

### "Watch Us Grow" Slogan; Being Lined Up With a Will

The "spirits" are still working at Troop 8 and showing us to the front. Our motto is, "Watch Us Grow." We are going some. Seven new members were taken in on Monday evening and took the oath. Thirty-five scouts were present at the meeting on Monday. There was also one visitor. The chaplain of the troop is to be complimented for his fine work. In opening the meeting on Monday he read from the book of Ruth about the "spirits" after the Reapers. "Fellows don't forget that is what all scouts are at this time. Get to work! Sell bonds! Not only for personal honor but for Uncle Edna. A report was made at the meeting Monday as follows: Four scouts sold fourteen bonds at fifty dollars each, making a total of \$700. Listen, fellows. We are just started. At the meeting on Monday evening John Duncan was appointed temporary senior patrol leader. He was given this honor for the good work he did on Friday evening in conducting the members of the troop to the rally.

The baseball team will meet the team of Troop 8 next week. Troop 8 looks forward to this game with confidence. Their coach, Scoutmaster Jenkins, is an old-time baseball man and promises to have some stuff up fully buck the champion athletic troop of the city remains to be seen. On Saturday, May 18, the troop will hold its second annual inter-patrol track meet with the Eagle and Silver Fox will meet the Wolf and Tiger and endeavor to get square for last year's defeat when the latter team won by a score of 105 to 95. The troop will be divided into three classes: First class, Scouts weighing over 110 pounds; second class, Scouts between 85 and 110; third class, Scouts under 85 pounds. All entries must be handed to Athletic Director Haehnlein or Scoutmaster Huntsberger, by May 15.

ROY REEL, Scout Scribe.

## Examinations Are Held in First Aid Work

The regular weekly meeting of Troop 20 was held last Thursday. Examinations were given in first aid and several other of the second class requirements. The following scouts were granted certificates last week: Raymond Balsbaugh, Charles Parsons, Edwin Wagner.

On Friday evening the troop marched down the Grace M. E. Church to attend the Liberty Loan rally. Members of the troop took part in the program, although no members received war medals, for the obvious reason that the troop did not take part in the campaigns preceding this one as we were not actually organized at the time. On Tuesday evening the troop paraded in the district assigned it, carrying many banners boosting the Third Liberty Loan and W. S. S. Several scouts made speeches. Charles Parsons, the troop bugler, made his first public appearance and made an excellent showing. On Thursday evening the troop paraded to Second and Pine streets carrying the Liberty Loan banners, where they took part in a patriotic service. This evening the regular monthly meeting will be held. The most important item on the program is the balloting for several candidates. Scouts are requested to bring the data regarding the number of houses and stores in their district. Patrol leaders' reports for April are due tonight. Don't forget that this is the last night of your registration if you want your name sent in with the troop. The troop wishes to announce that it is ready to give its full co-operation to the scout executive, J. Frederick Virgin, and pledges its support to the limit. Watch scouting grow in Harrisburg! WM. F. TYSON, JR., Scribe.

## 25 MEN ENLIST IN DAY

Twenty-five men were enlisted at the Harrisburg Recruiting Station yesterday. Twenty men have been the average number per day for the week.

## Boy and Girl Scouts to Hold a Big Social

There will be big doings at Troop 21 tonight. A social will be held for the Girl Scouts and Boy Scouts of Ridge Avenue M. E. Church. Ice cream, you bet your life! All you can eat! The social will start at 7:30 o'clock and from then until 8:30 there will be games, of all sorts. This will be followed by stereoscopic slides of educational value. Then follow refreshments. Mr. Virgin, Scout executive, will be present. The Rev. H. R. Bender will give a speech of greeting to the Scouts.

## Three New Scouts Admitted to Ranks of Troop Twelve

The weekly meeting of Troop 12, was called to order April 22, with seventeen boys present. Three new scouts were admitted. The patrols were rearranged and J. Smith, as assistant. Smith was advanced from the Silver Fox for good work. The Silver Fox has Hawthorne as leader and Swanson as assistant. Dr. Zimmerman, former scoutmaster, who resigned to do his bit for his country in the Army, gave a farewell talk and personally gave each Scout a good-by. He was presented with a wrist watch by the troop. John Smith made the presentation. Scout Goodyear passed his tenderfoot examination. The troop practiced some simple drilling and then adjourned to meet Monday, April 29.

## TROOP 12 TO HIKE

The troop will meet at the home of P. P. Haehnlein, 15 North Eighth street, Friday night at 7 o'clock for a business meeting, to be followed by a hike if the weather permits. All members out.

## May 12, "Mother's Day;" All Must Write Home From Front Overseas

Paris, May 3.—"Mother's Day"—a day on which every soldier of the American Expeditionary Forces, young and old, high and low, is expected to write home to mother—has been fixed for May 12. The idea originated with The Stars and Stripes, the official newspaper of the American forces in Europe, and was approved by headquarters, which is doing everything possible to help it along.

## Child Killed in Auto Clashed Teddy Bear

Wilmington, Del., May 3.—Andrew K. Baker, aged 59, of Dover, N. J., was killed, his daughter, Mrs. J. Ernest Lowe, was badly injured, her husband was slightly hurt, their 5-year-old daughter was killed and their 3-year-old son sustained a fractured skull when their touringcar was struck by a Philadelphia and Reading freight train yesterday. In the arm of the little daughter of the Lowes was clutched a Teddy bear with which she had been playing when the accident occurred.

## Corns—\$100.00 Reward

Take them out, roots and all. Cutting the top or burning it off with caustic liquids is dangerous and would stop it from aching. Same way with a corn. Try soaking feet in the medicated and oxygenated water produced by adding a little Rodell Bath Saltrate. \$100.00 will be paid if anyone, after giving this a reasonable trial, proves it is not the equal of any treatment of its kind ever perfected by science. Sold by Keller's Drug Store, G. A. Gorge, Clark's Medicine Store, H. C. Kennedy, and most other druggists, in packages of convenient sizes and very moderate prices. "Forty-five cents' worth" is enough to rid the whole family of foot misery and keep them that way.

## What Is Rheumatism? Why Suffer From It?

Sufferers Should Realize That It Is a Blood Infection and Can Be Permanently Relieved. Rheumatism means that the blood has become saturated with uric acid poison. It does not require medical advice to know that good health is absolutely dependent upon pure blood. When the muscles and joints become sore and drawn with rheumatism, it is not a wise thing to take a little salve and by rubbing it on the sore spot, expect to get rid of your rheumatism. You must go deeper than that, down deep into the
