Justice Agents Invade Circus; Take 52 From **Barnum & Bailey Tents**

Philadelphia, May 3. - The Barnum Philadelphia, May 3. — The Barnum and Balley Circus may stay in Philaelephia a little longer than was at the strain of the little longer than have at the strain of the little longer than the strain of the little little

wanted to spend a day looking over he big show.

Manuel to the sorrow of street of the big show.

Manuel to the sorrow of street of the circus employees and hangers-on. The Federal agents spent a perfectly enjoyable afternoon and brought company back of the Federal Building with them. The company consisted of fifty-two alegaded slackers, mostly of dusky hue.

Everybody who looked like a worker about the big tents was stoped and either made to show his registration certificate or he was arrested. It was a jovial occasion for the jovernment agents, but there was not nuch in the way of joy for the vicins. They came from every state of the Mississippi river, and jorty-five of them were negroes, the emainder being either white or a mixture of various races. They were all held for an investigation and were the to City Hall. The raid was connected by the police and the Department of Justice agents.

Hair Often Ruined

(which is pure and greaseless), and so better than the most expensive loap or anything else you can use. One or two teaspoonfuls will cleanse the hair and scalp thoroughly. Simply moisten the hair with water and rub it in. It makes in abundance of rich, creamy lather, which rinses out easily, removing yery particle of dust, dirt, dandruff and excessive oil. The hair dries quickly and evenly, and it leaves the calp soft, and the hair fine and liky, bright, lustrous, fluffy and lasy to manage.

Soap should be used very carefully, if you want to keep your hair looking its best. Most soaps and prepared shampoos contain too much alkali. This dries the scalp, makes the hair brittle, and ruins it.

The best thing for steady use is lust ordinary mulsified cocoanut oil (which is pure and greaseless), and setter than the most of the company of the

REPAIRING ALARM SYSTEM
Repairs to the lower section of
the fire alarm system which have
been under way for two days are not
yet completed, Chief O. E. B. Malehorn said this morning. The section
went out of service on Wednesday
afternoon. The repairs are being
made by steel company electricians.

TO REMODEL BUILDING
G. W. Parks, owner of the Parks
building, North Front street, which
was damaged by fire early yesterday morning, said to-day that he
would rebuild the section of the
structure damaged by fire. He said
work would be started in the very
pear future.

MISS MARY MINICK

The engagement of Miss Mary Minick, 437 Myers street, to Alexander Kormushoff was announced yesterday. The wedding will take place some time this month. Both are well known on the West Side. The bridegroom is a member of the Bulgarian-Balkan band.

Playgrounds Supervisor

Unable to secure James R. Irwin to supervise the borough playgrounds this summer, the Parks and ly session, last evening decided to inquire at once for a new instructor.

Mr. Irwin, who has had charge of Mr. Irwin, who has had charge of the work here for two years, is sub-ject to call for the Army. Several minor changes in the method of operating the playgrounds this sea-son will be made, it was learned to-day. Theplayground fund is made up of an appropriation of \$1,000 from the borough and \$600 from the Bethlehem Steel Company.

Major J. W. Peters, of Steelton, stationed at Camp Hancock, is home on a short furlough. The officer re-ports that all Steelton men in that camp are in the best of health and

Commission Searching For Changes in Alarm Boxes Announced by Fire Chief

Changes in location of alarm boxes in the lower end of the borboxes in the lower end of the borough were announced this morning
by Fire Chief Malehorn. Fire alarm
box No. 114, formerly located in the
steel plant quarry property, has now
been placed on pole No. 6 watchbox
at the entrance of the steel foundry.
Keys to this box are located at No.
6 watchbox and at the stone quarry
office. Box 121 has been moved
from the pole west of No. 3 blast
furnace engineroom to the Locust
Grove cinder dump where it is now
located on a pole in front of police
shanty.

LITTLE DAMAGE

Much Activity in Farming Regions, Say Reports to the State Capitol

Fears of a rep-ctition of the early May frosts of three years

hard hit by the early frosts of last September. Some fears were tertained for fruit crops, but the

ower counties had no trouble.
From accounts there are many fruit trees which will begin to ear this year because of the systenatic planting of orchards in recent years and the reports on the blosoms are very favorable. Reports coming to the State Department of Agriculture are also telling of exten-

Agriculture are also telling of extensive planting of potatoes among gardeners and on truck farms and that there will be large areas on general farms devoted to corn.

To Discuss Questions—Questions attending co-operation of the Pennsylvania and United States Government in employment matters, particularly with reference to the demands for special avocations, will be taken up at Washington with Secretary of Labor Wilson and other officials by Commissioner L. R. Palmer, of the State Department of Labor and Industry. He will also take up matters connected with employment of women in munition factories and ordnance plants.

Increases Filed—Notices of increas of stock or debt have been filed with the Public Service Commission by half a dozen of the electric companies, while the Cambria and Indiana railroad has given notice of addition of \$200.00 of contice of addition of \$200.00 of continuous continuous and continuous continuous and continuous continuo

J. Burke, of Pittsburgh, one of the O'Neil candidates for Congressmanata-Large, was here to-day on his way to Wilkes-Barre.

Charter Granted.—The charter for the Harrisburg Terminal Co. was granted last evening.

No Purchases.—The State Forestry Commission did not authorize purchase of any additional land for forestry reservations to-day.

Northampton's Share.—Northampton county will receive \$15,450.03 as its share of the appropriation for aid of counties for township roads. It goes to second class townships and is for 1911.

Smallpox and Typhold.— State

is for 1911.

Smallpox and Typhold.— State health authorities have to-day sent an engineer to investigate a, small outbreak of typhold fever in Girard-ville, Schuylkill county. Up to the present time it has not been determined how many cases there are. One new case of smallpox was reported from the borough of Juniata, Blair county. This is 'he first case reported for some time from Blair county.

Sleeps as Bed Burns Water of No Effect

Newton, N. J. — He slumbered deeply and loudly in his room at the Waldmere Hotel. After a little cigaret butt he had dropped ignited the mattress. He continued to sleep, while little flames ran along its edge and the room filled with smoke.

its edge and the room filled with smoke.

The man in the next room began to choke and traced the fire to the door of the slumberer. He entered, to find the mattress afire, with its occupant stretched calm and still like Brunhilde on her pyre only Brunhilde did not snore.

The intruder picked up the pitcher and emptied its contents on the modern Rip Van Winkle, who strred, muttered drowsily, and slept again. The fire was out, to all appearances, and the rescuer left, pursued by the snores of the rescued. Five hours later the man in the next room appealed to the management.

ment.
"He's aftre again," he complained
"and I can't wake him up."
It took two strong men to rous
him sufficiently for him to slide of
the burning mattress.
