Will Be Great Aid in Prolonging Life of Car, Says Service Man

In the face of the fact that autostantly reduced and that it will soon ecome much harder to secure cars, it is surprising how many motorists some of the simplest

No Admission Fee

Miller Auto Company, Oldsmobile "As a matter of ordinary economy

every man who drives a car," con-tinued Mr. Barker, "should familiar-ize himself with at least the simpler

tinued Mr. Barker, "should familiarize himself with at least the simpler rules of automobile maintenance. The best way to do this is to get-outomobile maintenance. The best way to do this is to get-outomobile maintenance. The best way to do this is to get-outomobile maintenance. The engineers that design any automobile go to a great deal of pains in their experimental work to deliver the very best that is in it. "For instance, Oldsmobile instruction books state very clearly that certain grades of oil should be used in the transmission and rear axle. Yet cases are constantly brought to our attention in which greases have been used. These units are designed to be lubricated by oil and it is an injustice to the car to use anything else. And so it goes. Every make of car is different—has certain peculiarities of its own—that demand more than a general knowledge of upkeep. The answer is the instruction book.

"Furthermore, any man who is careless in this direction does not realize how much he is missing in the way of smooth operation; or how great chances he may be taking."

Remarkable Photo Spectacle "The Blue Bird"

Maeterlinek's THE BLUE BIRD

n photographing the picture, 150,000 feet of negative was used. At deal of this was in multiple, triple and quarduple exposures, and is claimed that it sets a new record for this kind of work.

The story is a philosophical dissertation upon life, endowing all things with life and speech, and giving a glimpse into the hereafter. The dead waken, with messages for the living, and the Unborn are shown impatiently awaiting their advent upon the earth.

While a production of surpassing beauty and exquisite theme, the algory is plainly discernible, so that even a child can appreciate and en y the picture.—Adv.

in a lawle or grove to any certing place, to pass information to an audience of farmers and heir families. It was a long time ago that the larvester Company conceived this leans of making easy the dissemiation of useful information about arming. It would be impossible or any company to employ enough hen to go through the country and each all the farmers, so the next est thing is to equip the leaders in very farming community who delieve to distribute information with he means of taking information and distributing it themselves. Lecture books containing the decloped outlines of talks on necesary farm subjects for the speakers, and large lecture charts which can be read by the audience, is the mechanical equipment which the Harrester Company devised for farm peakers of all kinds. It developed hese charts, stands to hold them up ind cases to protect them while they are being shipped. All this equipment was worked out by the Agribultural Extension Department of the Harvester Company works. The equipment is owell designed that the United States Government also uses it, buying it at, cost from the Harvester Company.

greatest number of actors—not supers—ever assembled in one e appear in "The Blue Bird," aggregating about 1,000. There are specialties in which prominent players of the stage and screen part. Rose Rolanda, the well-known dancer, leads a ballet in symiatric control of the stage of the stage and screen leads a ballet in symiatric control of the stage of the stage and stage of the s

These short course schools are till in progress, and in every intance are held upon the request and under the direction of some ocal organization. So far twelve chools have been held in Pennsylania, eleven in Ohio, four in Maryand and three in Massachusetts, chools have been held also in Virinia and West Virginia. There ave been a total of 191 sessions in hese schools, a session meaning oughly one-half day of instruction. The attendance has been approximately 36,000 formers. The meneral given practical instruction in own actually to produce more food a coming season, and there were pecial sessions for the women, arching them how to cook with less agar and how to use potatoes to ke the place of one-third of the out. The schools were strictly parotic in that they approached the od situation from both sides—proaction and saving.

Don't envy your friends who have such bright, new looking brass beds, chandeliers, etc., in their homes,

At small cost we can replate and refinish your old pieces so they will defy the most critical examination—they will look like

We replate gold and silver ware, also repair and refinish auto lamps, radiators, band intruments, etc.

30 Lots Fronting on Lincoln Street

30 Lots Fronting on Bessemer Street

30 Lots Fronting on Ridge Street

40 Lots Fronting on Harrison Street

40 Lots Fronting on Baldwin Street

And More Lots on Harrison and Baldwin Streets if You Want Them

This is the most desirably located land in Steelton, excepting none. It lies partly within the Borough limits and partly without. Is away from the smoke and dirt and yet close to the trolley and the steel works. Steelton needs many additional homes right now and will need many more each year to keep pace with the improvements at the plant of the Bethlehem Steel Company, not to mention the Government improvements at Middletown and directly across the river from Steelton, all of which will help to increase the population of Steelton. Buy now before prices advance and build houses, or use your lots for war gardens and build at the close of the war. You can run no possible risk either way, as these lots are for sale at your own prices and must be sold to settle an estate.

TERMS:—\$5.00 to \$10.00 Cash, balance \$5.00 and upward per month at rate of 5% per

A discount of 10% will be allowed for all cash and a proportionate discount for part cash in advance. Liberty Bonds or Bank Certificates of deposit accepted as cash and accrued

Plans may be seen and additional information had at our office No. 122 NORTH FRONT STREET, STEELTON, prior to date of sale.

When you need help in time of suffering you want to be sure that the aid you seek is reliable. The fame of Beecham's Pills is secure. It rests on merit. For over half a century Beecham's Pills have met the expectation of suffering humanity without failing to accomplish the good promised. If you have headaches, lassitude, low spirits, nervousness, bitter taste-if you sleep badly and have bad dreams-it is because you are suffering from indigestion. Your food is not assimilated and instead of nourishing you, as nature intended, it is poisoning your system.

# Indigestion

makes you bilious, weaker than you should be and far from happy. Beecham's Pills are the help you need. A few small doses of this great family remedy will change your condition and your outlook on life for the better. Then a judicious use will keep you healthy and strong—give you sweeter sleep, clearer brain, sounder nerves. You should try this famous medicine without hesitation and know how safely,

it will prove its value to you.
