TRY MAGNESIA FOR STOMACH TROUBLE It Neutralizes Stomach Acidity, Prevents Food Fermentation, Sour, Gassy Stomach and Acid Indigestion.

But before giving up hope and deciding you are a chronic dyspeptic, just try the effect of a little bisulphated magnesia—not the ordinary commercial carbonate, citrate, oxide or milk, but the pure bisulphated magnesia which you can obtain from G. A. Zimmerman or practically any druggist in either powdered or tablet form.

Take a teaspoonful of the powder or two compressed tablets with a little water after your next meal. It will see what a difference this makes. It will instantly neutralize the dangerous acids, harmful acid in the stomach which now causes your food to ferment and sour, making gas, wind, flatulence, heartburn and the bloated or heavy, lumpy feeling that seems to follow most of your meals.

Whether the note referred to above was sent by the old Ukrainian government or the new peasant government is not clear. Probably it was sent by the old government and led up to the arrest of members of that government by the German military authorities, when they protested against the measures being carried out by the Germans.

down on German machine and damaged another. The extreme activity of the artillery and aviators, the rifle fire and night flares and the reported movements behind the enemy lines in this sector may forecast a new attack, but General Pershing's men are ready for any emergency. They are countering the enemy preparations blow for blow, keeping up a harassing artillery, rifle and machinegun fire and are actively patrolling.

The spirit of the Americans is excellent. They are eager to fight, and a typical expression is: "Let Fritz start something. He'll get all that is coming to him."

A young French captain who trained the men now in the Picardy lines told the Associated Press today he never had seen finer material. "All are of one mind," he said, "to fight fast and hard and to finish the war quickly."

Brigadier General Benjamin Alvord, adjutant general of the American expeditionary forces, and Brigadier General A. E. Bradley, chief surgeon, have been relieved of their positions on account of ill-health and are returning to America.

Lieutenant Colonel Robert C. Davis will act as adjutant general and Colonel Merritte W. Ireland as chief surgeon.

Private George A. Hopkins, Baltimore, Md. Private Aloysius Brown, Brooklyn, N. Y. Lieutenant Kelly and Private Brown are cited in an army order. The other privates are cited in the corps orders. Lieutenant Kelly and Privates Brown and Hopkins each lost a leg. Lieutenant Kelly's citation reads:

Lieutenant Kelly was a reserve officer at Fort Sheridan. Private Hopkins is a Spanish-American war veteran and has a son in France. He was cited as a model of bravery. Single Vote Halts Suffrage in Senate; Up Again on Friday

Washington, May 7.—By the margin of one vote, opponents of woman suffrage yesterday blocked an order calling up the Susan B. Anthony amendment in the senate next Friday afternoon. The vote was 40 to 21 against taking up the amendment, and two-thirds of those present would have been necessary to sanction the step.

Nothing daunted, Senator Jones, of New Mexico, gave notice that he would on Friday ask for consideration of the amendment and at that time only a majority vote will be needed. Senators, such as Hollis, of New Hampshire, and Curtis, of Kansas, who back suffrage, said last night they were confident that the amendment will pass.

They say they will be able to muster sixty-four to sixty-five votes out of the entire Senate membership of ninety-six.

Ukrainians Tell Berlin German Officials Must Be Summoned Home

London, May 7.—The Ukrainian government has sent a note to Berlin asking that it will resign if several German officials are not recalled by Germany, says a Reuter dispatch from Moscow, dated Saturday. The note especially mentions General Von Eichenhorn, the chief commander, and Baron Mummé von Schwarzenstein, the German ambassador.

Whether the note referred to above was sent by the old Ukrainian government or the new peasant government is not clear. Probably it was sent by the old government and led up to the arrest of members of that government by the German military authorities, when they protested against the measures being carried out by the Germans.

If You Need Floor Covering By All Means Secure It Now

You would not buy rugs and hold them for an increase in value, like you would stocks or bonds, even though the prices are going up and the supply getting less from day to day. And we do not want you to buy rugs unless you need them, but if you really expect to buy one or more in the near future, it would be just as sensible to buy floor covering now, as it would be to buy stock which you know would surely increase in value.

Let's talk it over and show you some facts that speak for themselves.
