

City Schools Make Proud Record in War Work of Every Kind, Report Shows

Children in the public schools of Harrisburg have purchased Liberty Bonds to the amount of \$131,075, and War Savings Stamps and Thrift Stamps to a total of \$22,248.76. F. E. Downes, city superintendent of schools, announced to-day that children of the city have been very active in war work during the past year as shown by his statement. There is a total of 1,927 Senior Red Cross memberships and 8,926 Junior Red Cross memberships. A total of \$6,211.65 was subscribed to the Red Cross. To the Y. M. C. A. and similar war work activities, \$1,967.50 was given. A total of 3,360 Red Cross articles have been completed. Last year 3,424 war and home gardens were operated by the children. This year 3,432 gardens are being filled. Government lessons on community life have been taught. Lessons in conservation, war poster work, collection of books and magazines for soldiers, participation of 3,000 pupils in Red Cross Tag Day work, manual training, postal service, draft board service, and assistance in Red Cross and similar drives are mentioned in the statement as some of the children's war work activities.

WOMAN HONORED BY 3 COUNTRIES TO BE HERE

[Continued from First Page.] burg will contribute not less than \$150,000 to the National Red Cross fund—but twenty-five per cent. of the total contributions of this city will be retained for the Harrisburg Chapter. Miss Burke is one of the most eloquent women speakers of the present day. King George conferred on her the order of the Commander of the British Empire, for her work for the Red Cross in Serbia and with the Scottish Women's hospitals in Europe. The Red Cross, says Miss Burke, is saving hundreds of thousands of lives in Europe. Her nickname, "Pound-a-Minute" Burke, she got because her reputation in England is that she has raised \$5 for every minute she has spoken in behalf of charities. Miss Burke is to be one of a galaxy of stars in Harrisburg next week. Rabbi Stephen Wise will speak at the meeting of the organization committee in Chestnut street hall Monday night. At the same meeting at which Miss Burke speaks two of the Pershing Yankees will also appear and will be the first American veterans to tell of what is going on in the trenches "over there."

How Many Has Harrisburg?

Announcement by Secretary Baker, contained in the newspapers to-day, that there are now more than 500,000 American soldiers in France, leads to the query, how many of the Harrisburg boys are on the other side, preparing to take their place in the trenches. That Harrisburg will back these men to the utmost of its power there is no doubt. The executive committee in charge of the big Red Cross women's parade to be held Saturday afternoon of next week is getting its plans in shape very rapidly. To-day the committee went to see the young women employed at the Blount and the Jennings manufacturing companies relative to their participation in the procession. Yesterday they saw the girls at the silk mill, cigar factory and Moorhead knitting mills. All were highly enthusiastic over the parade and will be largely represented.

STORY OF FRANCE TO BE TOLD HERE

[Continued from First Page.] much the relating of which will be a revelation to Harrisburg. With the mass meeting in Chestnut Street Auditorium Saturday night and the big parade of school children Monday afternoon, Thrift week will be well inaugurated in Harrisburg; and in the drive for the sale of savings stamps in the four days beginning Tuesday the committee in charge of the campaign hope that this district will "go over" the \$3,000,000 it is proposed to place here. On Sunday the majority of clergymen of the city and county will call attention to the saving stamp drive and will impress on the minds of their congregations that the stamps they are quite as useful in their hands as were their big brothers, the Liberty Bonds. "Has your Liberty Bond a baby brother?" Buy war savings stamps! is a slogan suggested by the drive committee. Marshal Harry A. Boyer of the Monday afternoon parade to-day told that the line of march will be a long one, and that there will be half a dozen bands in line. There will be the mail carriers, Boy Scouts, Girl Scouts, and hundreds of school children from the sixth grade to the high schools. Chairman Sites of the canvassing committee will be ready shortly to announce the names of the solicitors who will cover the city.

Deaths and Funerals

The funeral of Mrs. Margaret Worley, 19, the bride of Samuel Worley, 22, Cumberland street, who died at the Harrisburg hospital, will be held to-morrow at 2 o'clock in the late residence, with services conducted by the Rev. J. Bradley Markward, pastor of the Bethlehem Church, of which Mrs. Worley was a member. Services and burial will be private, but the body can be viewed there evening from 7 to 9 at home. Burial will be in the Oberlin cemetery.

Funeral services for Charles W. Smith, Jr., will be held in Harrisburg, Saturday. Smith was killed at Horningford early yesterday. He was aged 23 years and was a brakeman for nineteen years. He recently was ill and was to undergo an operation. He fell from his train and the fall made him unconscious. He was struck by another train, and taken into the L.P. tower where he died a few minutes later. He was a member of the Brotherhood of Railroad Trainmen, the Railroad Relief, the Junior Order U. M. The Rev. Harry Kiser, pastor of Covenant Presbyterian Church, will officiate at the funeral services, which will be in Paxtang Cemetery. He is survived by his wife, Mrs. Smith; his parents, Mr. and Mrs. C. W. Smith, Sr.; three brothers, Harry, George and Oscar Smith, and a sister, Mrs. A. R. Minter.

Kaiser's Head Not to Be Nailed For Red Cross

It is doubtful if the "Nail the Kaiser" event planned by the Harrisburg Recruiting Station for the benefit of the Harrisburg chapter of the American Red Cross Saturday night will be staged as planned. According to the recruiting officers the executive committee of the Red Cross has decided that it did not care to have the event staged in their favor. Their contention is that the work of the Red Cross is a humane one, and it would not be comparable with their purposes to be benefited by what they term the "propaganda of hate" involved in pounding nails into a wooden replica of the Kaiser. A similar event staged in York netted \$2,000 for the Red Cross there. The recruiting officers decided that their wooden Kaiser will be placed in Market Square as planned, and the proceeds of the drive will be devoted to some other worthy war fund.

PATRIOTIC PRAYER SERVICE Mrs. J. G. Sanders will sing "A Beautiful Land" at the patriotic prayer service to be held to-morrow afternoon in the Pine Street Presbyterian Church. The service, which will open at 5:15 o'clock, is a service of prayer for the men in Army and Navy service.

CHILDREN TO TEST MEMORY FOR MUSIC As the closing feature of a year's study, pupils of the Cameron school-building will participate in a musical memory contest to be held in the Technical High School Auditorium, Thursday, May 23. Standard musical selections and compositions will be played and sung, and pupils will be asked to name the selections and the composers. They are now at work on various classical compositions. Use McNeil's Cold Tablets. — Adv.

HISTORICAL SOCIETY HEAR OF COMMODORE The Historical Society of Dauphin County will meet this evening, at 8 o'clock, in the society's building, 9 South Front street. "A Harrisburg Commodore" will be the subject of a talk by Thomas Lynch Montgomery. Cards have been sent to the members requesting their presence, and a good meeting is expected.
