COOKING SCHOOL CLOSES AFTER A WEEK OF SUCCESS

Work Done by Noted Expert to Aid in Following Food Laws

This morning marked the close of the Telephone Bank Liberty Loan which has been so successfully conducted all week by Mrs. Kate Brew Vaughn at Falmesstock Hall. There was another "urgent" attendance on hand and the keenest sort of interest was shown in the demonstration. Mrs. Vaughn made a specialty of cookies at the closing session. "Baking of cookies she said, is a thing of conservation for they keep a long time and are greatly relished by the boys in khaki. She then showed how to pack them for shipment to the boys in camp. The school has been a success far beyond expectations and the audience, which was packed to the doors, showed how to pack them for shipment to the boys in camp. The school has been a success far beyond expectations and the audience, which was packed to the doors, showed how to pack them for shipment to the boys in camp.

That the school has been a help to the community and a help as well to the national food administration, which Mrs. Vaughn is co-operating, was the general opinion expressed this afternoon. She has taken advantage of the opportunity to point out to the women of Harrisburg that by supporting the food administration they have their big chance to help in winning the war.

"On behalf of the officers and directors of the bank the Liberty Loan management I desire to express to you and your associates our appreciation in connection with the work of placing the Third Liberty Loan. "The gratifying results in this district are in a large measure due to your generous and patriotic service. The above telegram was received by Donald McCormick, chairman of the Harrisburg district, from C. E. Passmore, governor of the Federal Reserve Bank of Philadelphia, as a tribute to the district for oversubscribing its official Liberty loan quota of \$6,200,000 by \$2,092,900. J. Clyde Myton, secretary of the district, this morning announced that the final quota for the district was \$8,292,900. This includes the subscriptions through the banks and through the railroads. The returns are complete with the exception of official returns from the bank at Richfield and the one at Thompson-ton. These banks have reported nominally, so that the total will not be affected.

The returns from the four counties are: Dauphin, 18,231 subscribers, \$2,092,900; Cumberland, 6,242 subscribers, \$1,242,900; Perry, 3,662 subscribers, \$683,800; Juniata, 2,253 subscribers, \$376,800. The quotas were: Dauphin, \$1,300,000; Cumberland, \$1,000,000; Perry, \$400,000; and Juniata, \$300,000.

Local chairmen have also received commendation from the governor of the manner in which the large amounts secured through the railroads' subscriptions were placed to the credit of the counties to which they belonged. Formerly the counties did not get credit for their railroad subscriptions, the total for the district being \$8,292,900.

Imagine then a beautiful maiden within a hut, an open window, a maddened, bloodthirsty lion crouched—all ready for his spring—his home-crushing talons extended, his dripping jaws widely distended.
