WHO WOKE UP GEORGE W. HILL?

Too Late, Secretary Invites School Teams Here For Annual Meet, May 25

Who exploded a bomb under George W. Hill, secretary of the Harrisburg Track and Athletic Committee? Who woke up Mr. Hill, anyway, in this brutal fashion? Secretary Hill was soundly sleeping, the sleep of indolence, active enough over at the Island games, but absolutely comatose last January when he should have, as usual, arranged for the interscholastic track meet, which is an annual event in the Capital City. All the athletes in town have been asking why Mr. Hill did not send out the invitations to state schools long ago so they could make their arrangements and have a big line of contestants here in the latter part of May. Mr. Hill declined to answer, but he has answered now.

"The annual high school track and field meet is to take place on May 25 at the Island," he suddenly informed last night, shaking the snow off his feet after months of silence. This is fine management. Harrisburg was looked up to as the leader in athletic contests, the one place for teams from all over the state to gather. The event called out as many as 7,000 spectators. It was one of the big fetes of Harrisburg.

Members of the Athletic Committee who were seen last evening expressed themselves as indignant that the committee had been given absolutely no opportunity to make plans for the meet, decide on a date or to look after the many details that such a big athletic event entails.

Several members of the committee expressed grave doubts whether a meet called at such a late date would be a success, inasmuch as many schools doubtless have May 25 filled up with other events and will be unable to send a team to Harrisburg on that date.

It was declared last night that the only way a meet of the size and importance of the annual interscholastic event can possibly be made a credit to the city is by months of careful preparation. This preparation has been absolutely lacking this year, it was pointed out, and, in fact, the calling of the meet was termed as "altogether irregular" by one member of the committee.

Department officials declared they had absolutely no knowledge of the proposed meet and expressed surprise that they had not been officially informed of the date before it was made public.

SCHOOL GIRL BASKET BALL PLAYERS WHO MADE FINE RECORD THIS SEASON

The Camp Hill High school girls' team during the season just closed played sensational basketball. The record established by this "cross river bunch" surpasses all other seasons. During the season the team scored 154 points against 88 of their opponents. The scores of the games follow: Hershey 12, Camp Hill 20; Oberlin 2, Camp Hill 59; Hassett Club 6, Camp Hill 10; Steelton grammar school 3, Camp Hill 18; Palmyra 5, Camp Hill 35; Central 26, Camp Hill 6; Hershey High 30, 154 points against 88 of their opponents.

Burns, Tioga Terror, Makes Record Hit

George Burns, the Tioga Terror, was hero yesterday in one of the most sensational games ever staged in the Shibe stadium. The White Sox had one run and Tillie Walker tied the score with a homer. Then Burns stroiled up to the marble, evidently a little peeved. He leaned back and swung so hard that the ball cleared the left field wall back to the bleachers. Never in its history of ten years had Shibe Park seen this feat duplicated. It is doubtful if any one ever again puts the ball over this left field wall.

CAPITAL CITY SPORTS

This afternoon the St. Mary's Catholic Club, of Steelton, will clash with the Reading team of the Allison Hill League on the Fourteenth and Chestnut streets diamond. The game promises to be a fast one, as the Reading team is leading the Allison Hill League with two victories and no defeats, while the St. Mary's squad has been playing top-notch ball since the opening of their season several weeks back. This contest will be called promptly at 3 o'clock.

A fast game is promised at the Fourth and Seneca streets diamond this afternoon, when the Highspire and West End nine will clash in the second game on the West End schedule. This contest will be significant in the fact that it will be Russell's last game. The speedy first baseman will leave this city on May 14 to enter the National Army. After Russell's departure his position on the West End squad will be filled by Wrightstone, another fast player. Bill Euker will again be wearing the West End spangles in today's game and galloping around his favorite position at short.

Yesterday's rain delayed the Lee-Zea and Sheaffer-Ramey matches, but they will be played off some time today and the semifinals begun on Monday. In the second round match on Thursday Campbell easily defeated Nestor in two short sets, score 6-1, 6-0. Nestor was outplayed throughout. The whole match and Campbell pushed into the third round without trouble. This man is more or less of a dark horse in the tournament and looks like a promising man for the Tech match.

The Ruxton and Hershey nine will battle to-day on the Island diamond.

With the score tied at 11 in the ninth inning, the All-Stars left the field on a decision made by Umpire Steckley and the contest was awarded the Camp Street nine. The game until the time of the disagreement was one of the fastest amateur contests staged on the Fourth and Seneca streets diamond. Pitcher Tarmann held the Stars to five scratch hits.

The Academy ball club will travel to Gettysburg to-day and tackle the Battledford academy boys. Since trimming the Central team 15-5 Coach Gavin's youngsters look better.
