D. A. R. MEETING NEXT THURSDAY

Harrisburg Chapter to Elect Officers, Hear Reports of Congress and Fine Talk

The annual meeting of the Harrisburg Chapter, Daughters of the American Revolution, will be held Thursday afternoon, May 23, at 3 o'clock, in the Civic Club, with the regent, Miss Cora Lee Snyder, presiding.

Officers will be elected for the coming year and there will be patriotic songs led by Mrs. Lee S. Izer, who will also sing a solo. Mrs. Frederick Herman Marsh, regent's alternate to the recent national congress of D. A. R. in Washington, will tell of the enormous war work of that large body of patriotic women and there will be brief reports from officers of the chapter.

The Rev. Dr. Lewis Seymour Mudge, minister of the Pine Street Presbyterian Church, will make the speech of the afternoon, telling of his latest visit to the Army camps, and members at large of any other chapters are cordially invited to be present.

The chapter gift of \$50, its share toward restoring the devastated village of Tillooy, France, is now due and everyone is asked for a contribution of fifty cents or more to be given to the treasurer, Mrs. Rudolph K. Spicer, 511 North Second street. This chapter of the D. A. R. will not march as an organization in the big parade of Saturday afternoon, but the members, who all are members of the Red Cross, at headquarters or the auxiliaries will march with their units.

For Commercial Dept. of Harrisburg Gas Co.

The monthly meeting of the commercial department of the Harrisburg Gas Company was held last evening at the offices, 14 South Market Square with the president, William German, presiding. LIGHTING CODE FOR FACTORIES

State Industrial Board Arranging Important Regulations to Benefit Workers

The factory lighting code of the Industrial Board of the Department of Labor and Industry has been revised to insure adequate artificial lighting without glare in Pennsylvania industrial establishments. This code, applicable throughout Pennsylvania, is now being distributed and may be obtained upon application to the Department of Labor and Industry. It specifies the intensity of artificial lighting required on various classes of industrial work. It requires suitable shading of lamps to minimize glare which is declared to produce eyestrain and increase accident hazard. An appendix to the code gives general descriptive information with suggestions for distribution of lamps in typical cases with diagrams and photographic illustrations of lighting arrangements in varied industrial plants.

"Do Your Bit"

THE sale of jewelry has now become one of the sources of revenue for the United States Government. The Government receives 3 cents on every dollar's worth of jewelry produced; it therefore becomes the PATRIOTIC DUTY of every merchant selling jewelry to do his share by pushing his sales in this department.

BAYER & PRETZFELDER CO., 5 East 17th St., New York.

The above card is from one of the leading jewelry firms in New York City—and states an important truth. It is as much the duty of the buyer to purchase jewelry as it is for the merchant to sell it.

When you give an article of gold or silver or a precious gem—you add to the wealth of the individual who receives it—you also add to the wealth of the Nation.

Millions upon millions of dollars of the wealth of the United States is represented in jewelry. This immense wealth is a source of income to the Government—It is also a national asset that can readily be turned into bullion and money in case of necessity.
