BEIDLEMAN IS GIVEN GREETING

Senator Displays Strength in Lackawanna and Adjoining Counties This Week

Senator Edward E. Beidleman, candidate for the Republican nomination for Lieutenant Governor, was tendered a warm welcome by labor leaders, bankers, manufacturers, county officials and other prominent citizens of the metropolis of the anthracite region at Scranton last night. A committee of representative Republicans met the candidate at the railroad station and escorted him to the Hotel Jermyn, where he held an all-day reception and was greeted by hundreds of voters. Alfred E. Connell, one of the leading manufacturers of northeastern Pennsylvania and vice-president of the Anthracite Trust Company, headed the Beidleman reception to give welcome to the many influential citizens. Sheriff J. R. Schlager and County Commissioner John Von Bergen, Lackawanna county, Republican leaders, were among the first to confer with Senator Beidleman and they assured him that this section of Pennsylvania will swing solidly to himself and Senator William C. Sproul, candidate for Governor. Senator Beidleman talked of the emergency situation and said that he stands ready to perform any service that will meet the wishes of the people of Scranton and in other mine cave zones. "We have no mine caves down in Dauphin; there is no settling of the surface there and quite naturally we are not in close touch with actual conditions here. But I take it that the people of Scranton know what they want, and if elected Lieutenant Governor I will strive to the utmost to give the people of your city and other parts of the coal region the legislation they feel should be enacted to put an end to the mine cave evil," Senator Beidleman said. Senator Beidleman is going to remain here Thursday to attend a reception given in his honor by laboring men of the county. He has championed the cause of labor in several hot fights in the Senate, being the chief defender of the railroads' full crew bill and one of the men who is good work in putting through the bill that brought the mine workers of Pennsylvania under the provisions of the Workmen's Compensation act. To-morrow it is also planned to have the candidate make a tour of the county, when he will meet men prominent in labor rank in the valley. Unheralded by band or bugler, John R. K. Scott, of Philadelphia, Brumbaugh administration candidate for Lieutenant Governor and the Republican ticket, dashed into the city, remained for a few hours and then breezed out again for Pittsburgh. Upon his arrival here Scott hit the trail for City Hall, where he visited the office of Mayor Alex. T. Connell, who has declared for O'Neil. The mayor was pretty busy packing up for a trip to Philadelphia, and after a few minutes' chat with the candidate turned him over to Director of Public Works Robert W. Allen, who is also part owner and director of the Anthracite Brewing Company. The brewer escorted Scott through City Hall and introduced him to the heads of departments, clerks and firemen, many of whom are known to be Sproul and Beidleman supporters, despite the fact that the mayor is out for O'Neil. Brewster Allen took the candidate back to the Hotel Casey, where there was a reception on for Joseph F. Guffey, Democratic candidate for governor. There were too many Guffey men around the hotel, so Scott and Allen tracked to the Hotel Jermyn.

Mass Meeting For Red Cross at U. B. Church

Mechanicsburg, Pa., May 16.—Probably the most enthusiastic and interesting patriotic mass meeting ever held here was that of last evening in the First United Brethren Church in the interest of the Red Cross Second War Relief fund. John Francis, superintendent of the Carlisle Indian School, presided at the meeting which had for its speakers, Corporal Lemon, a Canadian, who gave an account of his experiences at the front, and G. H. Bible, who held the audience spell-bound while he told of war-stricken France and the many scenes he witnessed. So thrilling was his talk that tears and cheers alternately swayed the audience. He was so full of his subject that he conveyed to the people in the strongest manner the wonderful work the Red Cross is accomplishing and what it means for the morale of the soldiers. Patriotic songs were sung by a community choir.
