Your Health Depends Upon Your Kidneys

Many organs take part in assimilation of food, and a number are active in eliminating those portions of the food which are not taken into the blood for the upbuilding of the body. Of the eliminative organs, the liver and the kidneys are of major importance, and are most likely to be overworked and become diseased. When such is the case, various troubles of a digestive and eliminative character occur, and such troubles are so frequent and so common that it is absolutely necessary to find some relief. Warner's Safe Kidney and Liver Remedy was compounded over 40 years ago to help equalize the work of both kidneys and liver. How successful it has been is evidenced by its wide-spread sale and its value is attested by an immense number of appreciative users who through these many years have put it to the severest tests with the most satisfactory results.

"About 7 years ago I was so weak and worn out that I could hardly work. After trying other things without relief, I tried Warner's Safe Kidney and Liver Remedy. In a short time the pain left me, and the rheumatism and dyspepsia vanished. We have used Warner's Safe Remedies ever since with great success in our family." O. F. Rose, Burtonville, Kentucky, U. S. A.

"Jitney" Ice Stations

SO called because most of the sales are for five cents. Six cents at a "Jitney Store" entitles you to as much ice as you get from the wagons for 10c.

Forty per cent. of the price of the ice from wagons must go toward maintaining the delivery equipment. Buying ice from our Ice Stores saves you the money that would have been spent on the expense of having ice wagons to make house to house sales.

The Commercial Economy Board of the council Defense estimates that many thousand of men and vehicles probably 150,000, are needlessly employed in retail delivery service.

We ask our customers' co-operation in our effort to reduce the number of ice delivery wagons in Harrisburg. Be patriotic, go to an Alspure ice station and take your ice with you. You save 40 per cent. and at the same time help Uncle Sam win the war.

Alspure Ice Stores will soon be opened at the following locations:

- 3rd & Delaware Sts. 5th & Woodbine Sts. 6th & Hamilton Sts. 7th & Camp Sts. Forster & Cowden Sts. 13th & Walnut Sts. 13th & Swatara Sts. 15th & Chestnut Sts. 18th & Forster Sts.

Several others will be opened in the near future. "Be your own ice man" is part of the big movement sweeping all the state, to have folks do their own delivering of the goods bought.
