

MACKENSEN ON WEST FRONT IS READY FOR BLOW

German Mouths Water For Amiens and Cool, Green Somme Valley

With the British Army in France, May 22.—General Mackensen is widely reported to be on the west front, ready to strike the moment Field Marshal Hindenburg finds an opening.

It is calculated that a hundred divisions of shock troops (1,200,000 men) are awaiting Hindenburg's order. Forty of these are fresh troops having been used in this season's fighting.

From now on all prisoners returning from Russia, together with the 1918 class, returned wounded and the rest probably will be used up to anything like their intended strength.

DRINK HOT WATER AND RID JOINTS OF RHEUMATIC RUST

Why rheumatism and lumbago sufferers should drink phosphated hot water each morning before breakfast

Just as coal, when it burns, leaves behind a certain amount of combustible material in the form of ashes, so the food and drink taken day after day leaves in the alimentary canal a certain amount of indigestible material, which if not completely eliminated each day, becomes food for the millions of bacteria which infest the bowels.

Millions of people keep their joints free from these rheumatic acids by practicing this daily internal sanitation. A glass of hot water with a teaspoonful of limestone phosphate, drunk before breakfast, is wonderfully invigorating; besides, it is an excellent health measure because it cleanses the alimentary organs of all the waste, gases and sour fermentations, making one look and feel clean, sweet and fresh all day.

Those who try this for one week mark themselves free from sick headaches, constipation, bilious attacks, sallowiness, nasty breath and stomach acidity.

Each capsule contains about one dose of the drops. Take them like you would any pill, with a small swallow of water. They soak into the system and through the poisons which are making you old before your time. They will quickly relieve those stiffened joints, rheumatism, neuralgia, lumbago, sciatica, gall-stones, gravel, "brick-dust" etc. etc. are an effective remedy for all diseases of the bladder, kidney, liver, stomach and allied organs.

Go to your druggist to-day and get a box of GOLD MEDAL Haarlem Oil Capsules. Money refunded if they do not help you. Three sizes. GOLD MEDAL are the pure, original import. It is now put up in odorless, tasteless capsules. These are easier and more pleasant to take than the oil in bottles.

WELL-KNOWN LODGE MAN PRAISES TANLAC

Used to Just Drag Himself to and From His Work

Harry F. Minahan, of 2144 Greenwood St., Harrisburg, Pa., prominent in the Knights of Malta, and Inside Sentinel of Order Woodmen of the World, highly recommends the latter medicine to his lodge brothers and to all who are run down.

He says: "I was miserable. I felt all tired and run down so that I could hardly drag myself to work."

"But as soon as I began taking Tanlac I began to spruce up. I got so feeling better every day that now I am full of pep, I eat hearty and enjoy every bit and I am glad to be alive. I'm as different to what I was a little while ago as day is from night and I can truthfully say that this great change was brought about by Tanlac. That's why I urge everybody to take it."

Tanlac is now being introduced here at Gorgas Drug Store. Tanlac is also sold at the Gorgas Drug Store in the P. R. Station; in Carlisle at W. G. Stevens Pharmacy; Elizabethtown, Albert W. Cain; Greencastle, Charles B. Carl; Middletown, Colin S. Few's Pharmacy; Wagoner, Clarence Proff's Pharmacy; Mechanicsburg, H. F. Brunhouse.

The genuine Tanlac bears the name of J. I. Gore Co. on outside carton of each bottle. Look for it.

DAME RUMOR GAINS MANY A NEW VICTIM IN CITY

A wild rumor that Lieutenant George Flaichar, the French ace who thrilled Harrisburg with a series of aviation performances two weeks ago, during his stop here while flying from New York to Pittsburgh, in the interest of the Liberty Loan drive, was arrested upon his return to New York and convicted of being a German spy, gained wide credence in the city yesterday, in spite of its obvious absurdity.

The rumor was to the effect that the flyer had returned to New York and walked into a secret service trap and been discovered carrying maps and photographs of Harrisburg's capitol and munitions plants.

As a matter of fact, the French hero was widely feted in Pittsburgh where he flew and spoke in the interests of the French Relief Expedition, and at Buffalo, where he stopped on his flight back to New York.

PRESIDENT TO DECIDE NEED OF NEW TAX BILL Washington, May 22.—President Wilson, it has become known, will decide whether Congress shall frame a revenue bill before election. The judgment of the President as to the advisability of an extended session over financial legislation is invoked by Secretary of the Treasury McAdoo, who is in disagreement with the revenue-framing leaders in Congress as to the necessity for immediate action on another tax-raising measure.
