

Three Meals Without Any Wheat Flour

Why yes, everybody is having meals without any wheat flour. Don't get behind in the procession. Keep up to date. Here's how the United States Food Administration says it.

No macaroni, spaghetti or other wheat pastes—substitute hominy. Thicken gravies and sauces with rice flour, corn flour, corn starch.

Use breakfast foods made of corn, oats, rice, barley—none with any wheat flour in them.

Cakes made of barley, rice flour, corn flour, potato flour.

Desserts of oatmeal, barley, potato flour, tapioca, gelatin, milk, fruit.

Breakfast: Corn flakes with sliced bananas, eggs, hashed brown potatoes, oatmeal muffins, jelly.

Lunch: Rice with cheese sauce, cucumber and radish salad with French dressing, fruit, barley hermit cakes.

Dinner: Tomato soup, roast beef, escalloped potatoes, spinach, ripe olives, grape juice gelatin, wheatless wafers (corn-meal or oatmeal).

Oatmeal Muffins: 1 1/2 cups fine granulated oatmeal, 4 teaspoons baking powder, 1/4 teaspoon salt.

Sift dry materials together. Add to the cup of milk the melted fat, syrup and beaten egg. Combine these

two mixtures, stirring lightly without beating. Bake about thirty minutes in a moderately hot oven.

Barley Hermit Cakes: 1/2 cup fat, 1/2 cup sugar, 1 egg, 2 tablespoons milk, 2 cups barley flour, 2 teaspoons baking powder, 1-3 cup chopped raisins, 1/4 cup chopped nuts, 1/4 teaspoon cinnamon, 1/4 teaspoon cloves.

Combine the ingredients as for cake, add enough barley flour to make a dough stiff enough to be rolled. Roll thin, shape with small cookie cutter and bake on tin sheets.

Wharton School to Hold Its Commencement June 11

Commencement events of the Senior class of the local extension of the University of Pennsylvania Wharton School will open on Thursday evening, June 8, and will close with the commencement proper on Tuesday, June 11.

Nine students will be graduated this year, many other members of the class having enlisted in the United States service. The graduates include: T. J. Bard, L. Ira Cargill, Lee M. Hale, James Keane, Lawrence Och, John Zook, W. H. Dimmick, C. E. Fox and G. R. Neff.

The annual banquet, tendered by the Juniors to the Seniors, will open the festivities on Thursday evening, June 8. This event will be held at the Elks' Home. L. D. Cohen is chairman of the committee on arrangements. The baccalaureate sermon will be delivered in the Fourth Street Church of God on Sunday evening, June 9, by the pastor, the Rev. W. N. Yates.

Dean William McClellan, of the Wharton School at Philadelphia, will likely be one of the speakers at the commencement events on Tuesday evening, June 11, in the Technical High School Auditorium.

Senior examinations are now being given. On Monday, May 27, the final examinations for the Freshmen will start.

Irish Countess in Jail

COUNTRESS CONSTANCE MARKIEVICZ

Countess Markievicz, with many other Irish and Sinn Fein leaders, was arrested by the British in connection with a German plot. She was convicted after the abortive Irish rebellion two years ago and sentenced to be shot, but was later pardoned.

Italians to March in Big Patriotic Demonstration

Every Italian lodge in Harrisburg will have men in line in the big parade to celebrate the third anniversary of Italy's entrance into the war to be held to-morrow evening. Five hundred persons, including Mayor Keister and other city officials, are expected to be in line.

Joseph J. Parialo will be the chief marshal of the parade, which will move off from Front and Market streets at 7:30 o'clock. Moving from Market, the procession will move to Fourth, to Walnut, to Third, to Reilly, to Second, to North, to Front, to Market Square. Several bands, including that of the Sons of Italy and of Mechanicsburg, will be in line.

MANY BUY THRIFT STAMPS

Harrisburg workers are not letting up in their efforts to boost the sale of War Savings Stamps this week after the rush of "pledge week," which ended last Saturday. Committees are endeavoring this week to visit as many stores in Harrisburg as possible with the idea of influencing their owners to handle the stamps along with their other goods.

WHEAT CROP MAY BE VERY SHORT

State Reports Do Not Indicate Good Condition in the Southeastern Counties

May reports of the crop corresponders of the State Department of Agriculture show that the condition of wheat in the state as compared with an average is \$3 per bushel. The one discouraging feature of the wheat situation is that in the big producing counties the prospects are usually discouraging.

Lancaster shows about 70 per cent, while Chester condition of 68 per cent, Berks, 81 per cent, Delaware, 70 per cent and Bucks 81 per cent.

The condition of rye compared with an average is \$7.5 per cent. This indicates that the yield per acre will be 15.2 bushels and the total yield little more than 4,000,000 bushels which is off a million bushels less than last year.

It is estimated that there are 7,653 acres sown to barley in the state with Center county leading and Tioga second. Clover and timothy are in splendid condition.

There has been an improvement in the prospects for a peach crop and it is now estimated that the peach crop will be between 65 and 70 per cent of a normal crop. With the setting of the peach buds the conditions were considerably brightened. Indications point to a good apple crop.

No Standard Yet.—In refusing a rehearing in the complaint of Harry W. Byrne, relative to the deposit and interest system of the Fayette County Gas Company, Chairman W. B. D. Ainey, of the Public Service Commission, says that the commission does not deem it expedient to promulgate a rule to fix a standard applicable to all with the possibility of creating conditions more objectionable than at present.

May Enter Militia—Appearance here to-day of Charles B. Smith and George Farnum, of Philadelphia, in company with General C. P. Crosswell, commander of the Reserve Militia, caused rumors that they might be named to places in the new military establishment. The Governor had a consultation with Adjutant General Beary to-day about completing the organization of the Guard in which some high places have never been filled.

General Crosswell was here about the instruction camp plans. First Taken Ill—Lester First, of this city, messenger in the state department, who returned from his wedding trip a few days ago, was operated on last night for appendicitis. He is improving to-day.

Johnson Winner—Charles Johnson, deputy auditor general, was congratulated to-day by friends at the capitol on his sweeping victory in Montgomery county, which was one of the storm centers in the state.

Mr. Johnson's friends won all along the line, Representative James S. Boyd, of Norristown, defeating Charles A. Ambler for senatorial nomination by 2,000.

Jersey Shore Case—Counsel Evans of the Public Service Commission, held a hearing to-day on the valuation of the Jersey Shore Water Company, a continued case. Few hearings were held to-day.

Increases Made—The Public Service Commission to-day announced that the Philadelphia Suburban Gas and Electric Company had filed notice increasing price of gas twenty cents a thousand feet in Pottstown, Phoenixville and other places, to take effect June 10. The South Pennsylvania Traction Company, filed notice of increase from five to six cents of fares within the city of Chester and on suburban zones and from 12 to 13 cents from Chester to the Sixty-ninth street terminal, Philadelphia, effective June 14. The Carbon Transit, Beaver Valley Traction, Cleveland and Erie Railway, and the Northern Pennsylvania Railway companies also gave notice of increases for passengers or power.

Civil Right Bill—Attorney General Brown is sending copies of the federal civil rights bill, designed to protect soldiers who are at war to 7500 justices of the peace and will send copies to constables. The act has been sent to all judges by Mr. Brown with a letter calling attention to its importance.

State Is Supreme—The Public Service Commission is declared by Attorney General Brown to have the power to "legally authorize a street railway company to increase a rate of fare, notwithstanding the fact that the rate was specified by local authorities as a condition upon which they have their consent to the company to construct its lines within the municipal limits." This decision was given to Chairman Ainey and will have an important bearing as contentions have been made during litigation over increases of fares by street railway companies that the commission was without jurisdiction where a franchise ordinance specifies the fare. It was given in the case of the borough of Wilkensburg which had passed an ordinance in 1899 specifying a three cent fare within its limits. The attorney general gives an exhaustive opinion in which he holds that the Legislature has the power to create a body to change rates fixed by local authorities. The decision will govern in perhaps twenty cases now pending before the commission.

Dr. Kalbfus Better.—Dr. Joseph Kalbfus, secretary of the State Game Commission, who has been ill, is improving.

To Open Bids.—The bids for the state highway bridge over Jacks creek in Derry township, Mifflin county, will be opened June 13.

Mr. Newman Here.—J. B. Newman, Illinois Health Commissioner, was here yesterday to see Commissioner James Foust.

At St. Louis.—Commissioner of Banking Daniel F. Lafean is at St. Louis, attending the national banking convention.

No Smallpox.—The outbreak of

sickness at Blossburg, which it was feared would be smallpox, has been officially reported as something else.

Registration Orders.—State draft headquarters has called on all local draft boards in Pennsylvania to state at once whether they are prepared

to proceed with the registration on June 5 of men who have become 21 since the last registration. This information must reach the state headquarters not later than May 25, so that there will be no delay in the work. Local boards are notified also that the chief clerk or any member

of a board is authorized to record answers of "persons absent from the jurisdiction of their respective local boards and to certify to their registration cards." Boards within whose jurisdiction are shipyards, munition plants and other industries are directed to arrange to care for men in

war industries who have to be registered and who are temporarily away from home, while the same is to be done by boards in whose districts are prisons. Forms for registration of prisoners who may have reached 21 in the last year are to be sent to wardens.
