

BAKER WANTS \$12,000,000,000 FOR ORDNANCE

Supplemental Estimates Put in Call For Increase in Appropriations

Washington, May 23.—Supplemental estimates to the House yesterday by Secretary Baker reveal a program calling for approximately \$12,000,000,000 in appropriations and authorizations for the ordnance bureau alone.

The estimates submitted to-day ask for an additional appropriation of \$1,500,000,000 for ordnance. This is in addition to estimates now before the Appropriations Committee amounting to approximately \$3,000,000,000 and those before the Military Committee, which is expected to include about \$2,000,000,000 for ordnance in the Regular Army appropriation bill.

For heavy artillery and ammunition therefore it is provided in the estimates submitted to-day that more than \$3,000,000,000 in excess of the actual appropriations be authorized. The total authorizations requested by the War Department, exclusive of such appropriations, are more than \$7,000,000,000 of which amount \$5,118,000,000 is under special items and \$1,882,000,000 is under general contract authorizations for ordnance stores and supplies.

The detailed items for which authorizations are asked include: Manufacture and purchase of ammunition for small arms, \$706,486,991; ordnance supplies, \$350,299,260; small arms target practice, \$84,073,500. Manufacture of arms, \$207,324,325; automatic rifles, \$337,720,000; armored motor cars, \$272,422,500. Account of ordnance stores—Heavy artillery, \$1,063,131,119; ammunition for heavy artillery, \$2,701,394,437; artillery and maintenance, \$323,683,834; ammunition for practice, \$72,920,275.

Wake up with head clear, stomach sweet, breath right, tongue clean.

FOR RHEUMATIC PAINS AND GOUT

Swellings are Reduced and Inflammation Subdued So Quickly that Physicians are Amazed

The simplest remedy and by far the quickest acting one to reduce the swelling and banish all pain and misery in rheumatism and gout is Regy's Mustarine that you can buy at any drugstore for only 25 cents a box. It is almost unbelievable, but it is a fact nevertheless that when when the usual 10-day siege of gout for four days, and sometimes 7, by the free use of Regy's Mustarine in the yellow box with the doctor's internal remedy. Splitting headache, toothache, earache go in 10 minutes—sometimes 5. Just rub it on, that's all; it will not blister. For any ache or pain, for bruises, sprains, strains, sore muscles, stiff neck, neuritis, chilblains, sore or frosted feet it never fails. Ask for Regy's Mustarine in the yellow box, 25 cents. It's the original non-blistering substitute for the old-fashioned mustard plaster.—Advertisement.

KEEPS KIDNEYS ACTIVE WITH A GLASS OF SALTS

Must flush your Kidneys occasionally if you eat meat regularly.

Noted authority tells what causes Backache and Bladder weakness.

No man or woman who eats meat regularly can make a mistake by flushing the kidneys occasionally. Says a well-known authority. Meat forms uric acid which clogs the kidney pores so they sluggishly filter or strain only part of the waste and poisons from the blood, then you get sick. Nearly all rheumatism, headache, liver trouble, nervousness, constipation, dizziness, sleeplessness, bladder disorders come from sluggish kidneys.

The moment you feel a dull ache in the kidneys or your back hurts, or if the urine is cloudy, offensive, full of sediment, irregular of passage or attended by a sensation of scalding, get about four or five glasses of Jad Salts from any reliable pharmacy and take a tablespoonful in a glass of water before breakfast for a few days and your kidneys will then act fine. This famous salts is made from the acid of grapes and lemon juice, combined with lithia, and has been used for generations to flush clogged kidneys and stimulate them to activity, also to neutralize the acids in urine so it no longer causes irritation, thus ending bladder disorders. Jad Salts is inexpensive and cannot injure; makes a delightful effervescent lithia water drink which all regular meat eaters should take now and then to keep the kidneys clean and the blood pure, thereby avoiding serious kidney complications.

HUGHES ASKS SENATE TO DROP PLANE INQUIRY

Plea of Interference Follows Adoption of Motion For Sweeping Search

Washington, May 23.—Charles Evans Hughes appealed to the Senate Military Affairs Committee yesterday to drop its proposed investigation into the airplane program, on the grounds it would hamper the Department in the inquiry being made under his direction. The request followed the passage without a fight of a resolution authorizing a sweeping Senate investigation.

His own investigation will be thorough and complete, and its results will be made public, said Mr. Hughes in a letter to the Attorney General, which was published at a meeting of the committee yesterday afternoon.

The committee may abandon its program for an inquiry, as a result of Mr. Hughes' request, or may confine it to a secret investigation to be made by a subcommittee. The Senators will decide within a few days, possibly next Friday, when the committee meets again. The committee, however, named the subcommittee to conduct the Senate inquiry if the second investigation should be decided upon. Senator Thomas, Democrat, chairman of the subcommittee, and the other members are Egan and Hoke Smith, Democrats, and New and Frelinghuysen, Republicans.

Substitute for Chamberlain Motion Senator McKellar reported from the committee to audit and control the contingent expenses of the Senate a substitute for the Chamberlain resolution authorizing the Senate inquiry soon after the Senate met at noon. It was passed without debate and without dissenting vote.

The substitute resolution authorizes the Military Committee to employ assistants and to visit the aircraft plants to make its investigation placed no limit on expenses that might be incurred. It is in the form of a rider to Senate resolution 48, which was passed in April 1917, and which authorized the committee to conduct any investigation it wanted to. It follows:

Resolved, That any expenses incurred by the Committee on Military Affairs under the provisions of Senate resolution 48, heretofore adopted including the expenses of employing assistants and traveling expenses, shall be paid out of the contingent fund of the Senate.

Both sides claimed a victory after adoption of the resolution. Administration leaders were jubilant because the Chamberlain resolution was not brought up. The Senators who have been fighting for the passage of the Chamberlain measure claimed victory because they had been granted complete authority to conduct a thorough investigation, even though the resolution authorizing it does not bear Senator Chamberlain's name.

ACADEMY BOYS TURN IN FOR RED CROSS

Almost \$125 was raised by competition at the Academy for the Red Cross war fund campaign, leaders announced last night. The Greeks and Romans, two warring societies of the school, began the competitive contest, each endeavoring to get the highest amount of subscriptions. The Greeks led in the result announced, which follows:

Greeks, first form, Mansfield and Bestecki, \$4.50; second form, H. Galbraith and E. Ludington, \$13.50; third form, Wickersham and K. Galbraith, \$18; fourth form, Mersereau and Bacon, \$12.25; fifth form, W. Lesuire and Beckley, \$6.50; sixth form, Westcoat and Bateman, \$8.25; seventh school, England, \$7.85; total, \$73.85.

Romans, first form, Hickok and Jennings, \$5; second form, Haslett and Maguire, \$11; third form, Johnston and Shrey, \$2.50; fourth form, Hennetham and Conseyman, \$10; fifth form, Midence and Scheisner, \$16.25; sixth form, May and Randall, \$11; lower school, Hawkins, \$2.65; total, \$58.40. Grand total, \$132.25.

BOY GETS GUN

Philip Grant, 654 Cumberland street, 8 years old, was released last night after the police had arrested him twice in one day on the charge of stealing a shotgun and camera from a house at Walnut and Short streets. He was arrested with the stolen goods in the morning, but escaped from the police station while the policemen were examining the camera. He was later arrested and released after he had been placed in the hands of his father.

Soldier Well-Known Here Visits Friends in City

CHARLES RUSSEL McCAHAN

This is Charles Russel McCahan, of the One Hundred and Thirtieth United States Engineers, stationed now in Mississippi, who has been over one year in the service, and who has been the guest of his grandparents, Mrs. William A. McCahan, of this city, the past few days on his first leave of absence since enlistment. YOUNG McCahan is well known here. His great grandfather, James McCahan, was an engineer in the government service during the Civil War, and hauled Abraham Lincoln over the road on frequent trips to and from the front. His grandfather, William A. McCahan, served as a mere youth in the One Hundred and Ninety-Fourth Regiment, Pennsylvania Volunteers in the Civil War, and young McCahan answered the call to the service of his fathers soon after the war broke out, as a volunteer. His father is William McCahan, of Hagerstown.

WILSON PLANS REVENUE BILL THIS SUMMER

President Calls Leaders of Congress to Conference This Evening

Washington, May 23.—Following a summons to come to the White House this afternoon for a conference with the President, leaders in Congress practically abandoned hope yesterday that Congress would be permitted to adjourn and revenue legislation would be postponed until next winter. That the President will take sides with Secretary McAdoo and insist on a revenue bill at this time appears certain.

Representative Kitchin, Democratic floor leader, asserted in an interview to-day that it will require a statement from the President as commander-in-chief of the armies that the revenue bill is necessary for the support of the armies before we will put one through at this session.

Democratic leaders in Congress are almost defiant as regards the wishes of the Treasury Department itself. They are not willing to undertake revenue legislation on the arguments advanced by Secretary McAdoo and only the Presidential mandate it appears will bring them into line.

To Meet Chairman To-day At 6 o'clock this evening the President will confer with Chairman

Simmons of the Senate finance committee, Chairman Martin of the Senate appropriations committee, Chairman Kitchin of the House ways and means committee, Chairman Sherley of the House appropriations committee and Representative Garner, a Democratic member of the House ways and means committee. The quintet of Congressional leaders will go to the White House armed with arguments that revenue legislation should be postponed, first because it is "unnecessary" and again because it would be "bad politics" from the Democratic standpoint to project a bill at this time. Democratic members privately predict that drastic revenue legislation this summer will give the Republicans control of the House next fall. The taxes to be levied are so heavy they maintain, that a sufficient number of Democrats will fall by the

wayside to turn the House over to the Republicans. While it is not asserted that the supplementary war revenue bill is to be a partisan measure, Democrats argue the reaction will be against the party in power. WEEKLY PATRIOTIC PRAYER The weekly patriotic service of the Pine Street Presbyterian Church will be held this week on Friday afternoon at 5.15 o'clock. A vocal solo by Mrs. Catherine Heicher Isler will feature the program of the afternoon. POSTPONE RECRUITING WORK The Women's Recruiting Corps will not hold its regular meeting to-night as announced. The meeting has been postponed until Monday night. It will take place in the Technical High School auditorium.

Blind Evangelist to Tell His Life's Story The story of his life will be narrated to-night by the Rev. Thomas Houston, blind evangelist, Elizabeth, N. J., who has been holding evangelistic services in the Bethesda Mission for the past week. He will relate the story of his life, his conversion, and the opening of his life work. He is an honor graduate in one of the leading colleges and has had great success in his work everywhere. The closing night of his services will be to-morrow night in the Bethesda Mission headquarters. STOLEN AUTO RECOVERED The automobile belonging to Edgar B. Sunday, which was stolen Sunday night, was recovered by the Pottsville police yesterday. The machine was stolen from the Mauk garage.

SOLDIER SPEAKS IN CHURCH A patriotic prayer meeting in the church in the United States service was held in the Fourth Street Church of God last evening. J. Miller Karper, a member of the church, now serving in the United States Army, home on a furlough, was the principal speaker. Mother Gray's Powders Benefit Many Children Thousands of mothers have found Mother Gray's Sweet Powders an excellent remedy for children complaining of headache, colds, feverishness, stomach troubles and bowel irregularities from which children suffer. They are easy and pleasant to take and excellent results are accomplished by their use. Used by mothers for 30 years. Sold by Druggists everywhere, 25 cents.—Advertisement.
