

NEWS AND NOTES OF THE BOY SCOUTS

CHARTS SHOW SCOUT STANDING

Forty Organizations Planned For the City by End of Year

Local headquarters has just completed and installed in the office two very interesting charts. One is a map of the city, showing the location of all the troops as well as the location of churches that do not as yet have troops. Troops are shown by green stars, while churches without troops have plain white pins. The effort is to change the white pin for a star. The way scouting is growing at the present, indications are that Harrisburg will have thirty troops by the middle of the summer and forty by the new year.

The other chart shows the standing of the twenty-two troops already registered on this chart. A common pin indicates a candidate, a green pin for a tenderfoot, red for second class and yellow for first class. Assistant scoutmasters have a red and yellow pin and scoutmasters a moss-green pin.

In the near future a rating will be given to every troop, based upon membership, standing, progress in scoutcraft and examination and reports.

At the present time Harrisburg has 22 troops, 129 candidates, 370 tenderfoot, eighty-seven second class and nineteen first class, one of whom is a "life scout"—a total of 658. One thousand well-trained scouts is the aim by January first.

Roll of Boy Scouts

Troop No.	Located at	Candidates	Tenderfoot	Second Class	First Class	Total
1	Salem Reformed	1	13	14
2	Y. M. H. A.	..	33	33
3	Trinity Lutheran	..	10	10
4	Immanuel Presbyterian	..	8	9	5	22
5	Messiah Lutheran	3	15	18
6	Olivet Presbyterian	1	13	10	2	26
7	Harris Street Evangelical	..	32	7	1	40
8	Christ Lutheran	7	12	11	..	30
9	Capital Street Presbyterian	15	11	26
10	Second Reformed	..	4	4
11	Market Square Presbyterian	..	27	24	9	60
12	Memorial Lutheran	4	18	3	..	25
13	Boyd Memorial	10	30	5	..	45
14	Zion Lutheran	14	17	31
15	Sixth Street United Brethren	4	23	1	..	29
16	Bethlehem Lutheran	..	17	17
17	Immanuel Presbyterian	5	5	3	..	13
18	Covenant Presbyterian	..	35	4	3	42

20	Fifth Street Methodist	3	27	30
21	Ridge Avenue Methodist	13	7	20
22	Shiloh Lutheran	12	12

We are not looking for numbers only, but numbers plus quality.

Troop Six Is Awaiting Baseball Challenges

Troop 6 is still awaiting baseball challenges or track challenges. This troop will accept challenges only from teams where the players are registered tenderfoot scouts. We are willing to meet teams of our own

age of other organizations, such as grammar schools and athletic organizations, but when competition is for the Scout championship we must insist that all players are bonafide, out-and-out scouts.

Address communications to Harry Carson, 344 Hummel street.

DONATE ROBE

Waynesboro, Pa., May 24.—Mrs. A. L. Wolfensberger and Miss Sadie McCorney have donated a fine antique robe to the local Red Cross.

SCOUTS TO HAVE A NEW HOME

Ruling Scope of Service and Use of the Organization's Uniform

June 1 local headquarters will be moved to rooms 606 and 607 in the same building in which we are now located. The new rooms will not only provide offices for National Field Scout Commissioner H. M. Burd and Executive Virginia Stamps, but also provide ample space for meetings for scoutmasters and patrol leaders. In this room the patrol leaders school will be held.

At this time all scouts who have passed their exams will be given their badges. The ribbon bar pin will also be awarded to the first three scouts having the most points. First scout will receive the black pin, the second highest the yellow and the third highest the blue pin. Black, yellow and blue are the troop colors.

In the first week of June the patrol leaders school will be inaugurated. This school will be conducted by faculty arranged by headquarters and all patrol leaders and assistant patrol leaders will be expected to be regular attendants. The school will also be open to first class scouts. All the scout subjects will be taken up in regular order along with a course in leadership. This idea has been used to good advantage in many large cities and it will prove its helpfulness to the scouts of Harrisburg.

There is probably no part of the scout program so well known nor any of the scout ideals so widely recognized as that of "Do a good turn daily." Scouting stands for service with a capital S but there is always the danger of a misinterpretation of the nature of that service. We are not to be content with the rulings of national headquarters on this subject.

The scout uniform must not be worn when soliciting money when engaged in any selling campaign. "When engaged in any distinctive political endeavor. "When appearing on the stage professionally. "When taking part in parades other than for the purpose of rendering service as a scout. "When a boy ceases to be a scout through failure to register or through suspension or expulsion from the troop."

The executive board has adopted the policy that "it is contrary to the best interests of the Boy Scout movement for any local council, troop of scouts or group of boys to enter into any contract or business relationship with a commercial or business agency or corporation which might be construed as using the Boy Scout movement or organization for commercial purposes."

This means that scout officials are also requested to see that no scouts wear the uniform or other official insignia when as individuals they may be soliciting funds, selling tickets, or otherwise acting in a capacity similar to the commercial salesman, solicitor, etc.

Travel From Williamstown to Coast to See Movie Star

To work their way to Los Angeles to secure places on the company of William S. Hart, noted film star, to reach Los Angeles after many trials and to finally land positions in the big studio—these were some of the unique experiences narrated by two Williamstown boys, W. M. Byerly and H. A. Lewis, who began work in the Los Angeles studio, May 20. It is related that the two boys saw Hart in "Hell's Hinges," in a local theater last October. They decided to go to Los Angeles to work with him. They went to Detroit, working in the Oakland Motor Company factory, met Hart in a restaurant, as he was coming from a theater and saw him speed away in his car without an interview. They kept in touch with him through letters and finally reached Los Angeles, where they were immediately given positions.

REALTY BOARD THANKED

A letter expressing appreciation for the free survey work they have done, was received yesterday by the Harrisburg Realty Board. The letter, sent by the Ordnance Department, referred to free appraisal of land at Middletown.

PORKERS WAX FAT AND HAPPY

[Continued from First Page.]

new plan for garbage disposal. They didn't want to pay an enormous price for a reduction plant or to build a new one. Then some one suggested a pigsty. The idea was laughed at by some, thought over by others and taken seriously by a few. After weeks of debating, Council meetings, opinions from the City Solicitor, advertising for bids for garbage disposal and other plans were made, three men decided to submit a price for collection of garbage and disposing of it by feeding it to pigs. They were, Hiles, Frank and Lewis Hagy, all brothers, then operating a pig farm at Rohrerstown, just outside Lancaster, as they had the collection contract for that city.

Pigs Do Their Bit

The bid by the Hagy Brothers firm was \$2,000 a month for collection work. The five-year contract, secured the Nisley farm, near the city, and brought the pigs here to complete the job. The pigs are doing it, too.

One of the employees in speaking of the success of the system declared that so much waste was being collected now that it was necessary to bury several loads each day until more porkers arrived to eat them. About six wagonloads and three trucks of garbage are gathered daily by fifteen men. Almost all of the waste is dumped in to the pigs as soon as it reaches the farm. It was said that some of the residents are not cooperating by not observing the rules of the city prohibiting throwing of tin cans, glass, broken dishes, sawdust and other dirt into the garbage.

Expanding Plant Because of the scarcity of building materials, the Hagy brothers at first used the barn on the farm for the pigpens. Now wooden structures are being erected, which, when completed, will house more than 400 hogs. If necessary, more will be built later.

Few complaints are being received about the collection service, city officials said, and, despite the labor shortage, the firm is maintaining schedules much of the time. The three brothers themselves go with the other men on the teams much of the time to see that the collections are made properly and to help with the work.

The large farm on which the pigery is located is under cultivation also and, with plenty of fertilizer to be obtained by using garbage, large crops are expected later in the season.

Troop 20 Plans Cleanup of Second Class Exams

There will be a final cleanup for Troop 20 of indoor second class exams this evening. Exams will also be held for several candidates who are eager to become tenderfoot scouts.

Scouts will be given five points for each drill attended and one point extra for wearing their uniform. The scout attending all drills will receive an extra twenty-five points. Plans are being made for the anniversary celebration which will be held soon.

At this time all scouts who have passed their exams will be given their badges. The ribbon bar pin will also be awarded to the first three scouts having the most points. First scout will receive the black pin, the second highest the yellow and the third highest the blue pin. Black, yellow and blue are the troop colors.

These include the colors of all the patrols. W. F. TYSON, Scribe.

Boys Learn How to Make Fire Without Using Matches

Troop 12 was given a delightful surprise when Acting Scoutmaster Haehnel introduced J. C. Sparrow, assistant scoutmaster of Troop 6. Mr. Sparrow holds the city record for making fire by friction and for the benefit of the members of the troop he built several fires with the aid of a bow and drill and explained the process of making a fire-making set.

The Silver Fox patrol held a meeting at the home of Patrol Leader Hawthorne last week and reported good progress in selling Liberty Bonds and War Savings Stamps. Charles Goodyear passed his tenderfoot exams.

The troop had a hike last Friday evening. The eighteen scouts present were Miller, Shaffner, Troup, Metzner, Bell, Smith, Medeath, Swanson, Murray, Hiltbettel, Ellicker, Osman, Moyer, Schaffstall, Manges, Hawthorne, Goodyear and Ward.

Out of twenty-one registered scouts in the troop, nineteen were in the parade on Monday, May 13. Owing to the condition of the streets

after the rain it was decided to postpone the meeting of the troop until the following week.

Last Monday night's meeting was very short owing to the fact that the troop was dismissed to see the temperance parade. Some important business, however, was discussed. It was announced that the red post cards for ordering Thrift Stamps can be had by calling at the home of Acting Scoutmaster Haehnel.

The following is the honor roll for the week: Scouts Osman, Metzner, Melvin, Bell, Miller, Goodyear, Moyer, Medeath, R. Troup, D. Troup, Shaffstall and Ward.

JESS MEDEATH, Scout Scribe.

Both Men and Boys

are getting awake to the fact that our store is the ideal store to select their clothing and to save a considerable sum of money in doing so.

We sell all the latest models and we sell them at any price you wish to select; you will get the best quality, too.
