

Sons of Veterans to Have Large Turnout This Year For Memorial Day Parade

A special effort is to be made by the Sons of Veterans organization to have a large turnout in the Memorial Day parade this year. M. S. Fetterhoff, commander of the Harrisburg camp, and the secretary, W. S. Hess, were busy to-day getting into touch with the members of the organization and those qualified to participate in the parade next Thursday.

Commander Fetterhoff said to-day: "Memorial Day is again drawing near with all its sad and precious memories. Many of our fathers have answered the last roll call and are waiting on the other side to welcome their comrades who are still spared to tell the rising generation of the brave deeds of their forefathers. We, as the sons of these brave men, are proud of their record and honor ourselves in uniting in paying tribute to their memory."

Secretary Hess states that there are many sons of veterans in this city who have not connected themselves with the organization, and to these is extended a cordial and pressing invitation to unite with the Sons of Veterans in the Memorial Day parade. All such persons are also invited to take part in the Memorial Day service next Sunday morning at the Messiah Lutheran Church.
