BENT DECLARES STEELWORKERS ARE SOLDIERS IN THE FIGHT

Bethlehem Steel Official, in Talking at Annual "Get-Together" Meeting, Asks Every Employee to Increase His Efficiency.

Declaring that steelworkers of today are soldiers in the thick of the fight, Quincy Bent, vice-president of the Bethlehem Steel Corporation, in addressing 1,200 steel officials in the high school auditorium last evening, asked the co-operation of every company employe to develop efficiency to 100 per cent, and increase the output to the highest mark.

The steel official, who was until a few months ago general manager of the local plant, was the principal speaker at the annual "get-together" meeting of superintendents, foremen and safety committee men of the local plant, held under the direction of the safety department, of which W. E. Chikp is head.

Local Plant Big Factor

The importance of the American foreman's part in the war was emphasized by Mr. Bent in his talk. The vice-president also gave some interesting data on the work now being done in the great system of work the local plant is doing.

In part Mr. Bent said: "The relation of the superintendents, assistant superintendents and foremen at the steel plant is parallel to the operation of a big ship at sea. In the upper deck are the officers while down in the engine room are the men that make the ship go. You are the men in the engine room of the steel industry's ship."

Telling of the amount of work steel mills of the country are expected to do, the vice-president said: "There is now enough work ahead to last for fifty-two weeks. From the gun plant at Bethlehem in the past year the local plant has sent to Europe component parts of 11,000 big guns and figuring the average length of fighting line held by each weapon Bethlehem has sent to the front twenty-five miles of the allied front."

Will Sign War Pledge

The official presented the steel workers' war pledge and when he asked whether it would be signed the men gave their assent with an outburst of applause. He declared that

High Points in Talks

"The Government is preparing for five years of war,"—MAGUIRE.

"The Bethlehem Steel Corporation in the near future plans to make two and one-half ships each week,"—BENT.

"If every man does not do as much in a day as he can, he is a pro-German,"—MAGUIRE.

"When a Reading plant official was asked how many rivets could be turned out at that plant daily, he declared enough to fill two ships,"—BENT.

"When I first became acquainted with conditions at Hog Island, the men were driving 340 rivets each day; now they are driving 4,000,"—MAGUIRE.

"those who do not sign it are not wanted in Steelton."

Frank A. Robbins, Jr., general manager of the local plant, was the first speaker. After explaining the purpose of the meeting in a short talk, Mr. Robbins told the steelworkers of the spirit of cooperation that will be necessary to make good the promises of the heads of the steel industry to produce many times the normal output of finished material during the war.

"We will make it go and by God's grace we will win the war," he declared.

Frenchman Talks

An interesting history of the French Foreign Legion of which there are at present only two of the original 300 Americans left in the organization, was told by Corporal Oscar Mouve, a member of the legion. Corporal Mouve was introduced by general manager Robbins. The important part the various plants of the Bethlehem corporation are playing in the building of Pershing "big ships" was emphasized by Dr. MacGuire, of the Emergency Fleet Corporation. Dr. MacGuire described in detail the plans for the fleet corporation and asked the co-operation of every steelworker in working out these plans.

Safety First Talk

W. T. Fonda, director of safety and welfare work for the Bethlehem Corporation talked along safety first lines. He urged superintendents and foremen to give their full support to first aid training which is one of the essential things in the success of a steel plant.

The Steelton Band played a number of selections during the meeting and patriotic songs were sung by the men with W. M. Harclerode, supervisor of music in the Steelton schools, leading. President Eugene Grace, of the Bethlehem Steel Corporation, did not attend the meeting.

ALUMNI RECEPTION

Plans for the annual reception of the graduates of the Steelton High school were made at a meeting of the executive committee of the High School Alumni Association. The event will be held on the evening of May 31. Dr. Francis H. Green, of the West Chester Normal school, will speak. A patriotic program is being arranged.

CHOIR REHEARSAL

Rehearsal will be held this evening by members of the St. John's Lutheran Church choir.

TO SELECT TEAMS

Teams for the Malta and Black degree will be selected on Monday evening at a meeting of Baldwin Commandery, Knights of Malta. A social hour will follow the usual business session. The Rev. B. L. C. Baer, of Mechanicsburg, a member of the commandery, who has recently been appointed an Army chaplain, will attend the meeting on Monday night.

DINTAMAN FUNERAL

Funeral services for Mrs. Floyd Dintaman, aged 56, will be held at her home in Oberlin on Sunday afternoon. Death was caused by pneumonia. Burial will be made in the Oberlin Cemetery.

AUTO STRIKES POLE

An automobile was badly damaged when it struck a pole in Adams street near Front street, early last evening. The police department was unable to give the name of the car or the driver.

BRETZ-MASTERSON WEDDING

Miss Anna Mary Bretz and John Isaac Masterson, both of Frederick street, Steelton, were married at the parsonage of the Centenary United Brethren Church, last evening at 8 o'clock by the Rev. A. K. Weir. The ring ceremony was used. The newly married couple will reside in the borough.

Lieutenant governor—Democratic, Holstein, 335; Logue, 335.

Congressman-at-Large — Democratic, Gorman, 643; Ikeler, 483; Kane, 262; McGarity, 153; Turner, 443; Turner, 386.

WORLD'S BEST KNITTER

By Associated Press

Detroit, May 24.—The world's knitting record is claimed by Mrs. Fred Springer, of Detroit, who yesterday won the knitting contest conducted here by the Red Cross, in which more than 700 women took part. In two hours Mrs. Springer completed twenty-one inches of a man's sock—the leg, heel and three-quarters of the foot.

HUNS CUT AWAY PIERS

By Associated Press

London, May 24.—Having failed in attempts to blow up the two concrete-laden ships sunk in the entrance to the Bruges canal at Zebrugge, the Germans are now engaged in cutting away the piers in an attempt to outflank the obstruction.

War Veterans Plan Big Parade on Memorial Day

Arrangements for the observation of Memorial Day in the borough are being made by members of Post No. 351, G. A. R. A parade in which Boy Scouts, schoolchildren and other organizations will take part will feature the Memorial Day activities. The parade will form promptly at 1.30 o'clock between Lincoln and Conestoga streets, and headed by the Steelton band will move over the principal streets of the borough. Patriotic residents who have automobiles are requested by members of the committee in charge of arrangements to donate them during the day. A. Y. Kinsly and Fred Dengler will be at the G. A. R. hall from 2 until 4 o'clock to-morrow to make arrangements with auto owners for the use of their cars. War veterans will be taken to Highspire at 8.30 o'clock and then to Oberlin, where the graves will be decorated.

CHOIR REHEARSAL

The weekly rehearsal of the First Methodist Church choir will be held in the church this evening at 7.45 o'clock.

CHURCH ENTERTAINMENT

An entertainment will be presented by members of the Navy section of the Centenary United Brethren Church this evening at 8 o'clock. The Navy members who were defeated in an attendance contest by the Army section are giving the program as part of an agreement of the contest. The program follows: Hymn, "America," audience; solo, Miss Martha Armstrong; quartet, Misses Verna Hartman, Cora Anderson, Messrs. Desenberg and Maurer; reading, Miss Eleanor Shaeffer; solo, Miss Pearl Beidel; duet, Mrs. Lial, Miss Opal Pierce; chorus, "Keep the Home Fires Burning," "Columbia the Gem of the Ocean," audience; reading, Miss Blanch Warner; "Star Spangled Banner."

APPOINTMENTS ASSISTANT

John D. Bogar has been appointed assistant to John H. Myers, superintendent of the bridge shop of the local steel plant. It was officially announced this morning.

MARGER FUNERAL

Funeral services for Mrs. Margaret Marger, 517 1/2 South Front street, who died on Tuesday, were held this morning in St. John's German Catholic Church.

Quincy Bent on Tour Through Steel Plant

Quincy Bent, vice-president of the Bethlehem Steel Corporation, and Frank A. Robbins, Jr., general manager of the local steel plant, this morning made a tour of the local plant. The Bethlehem official to-day made his first complete inspection of the plant but did not comment on his visit. At noon Mr. Bent was guest of honor at the luncheon of Red Cross solicitors in the Red Cross headquarters. Mr. Bent gave a brief talk on Red Cross work.

RED CROSS CONCERT

Pupils of Frank Wieser, North Front street, will give a recital in the High school auditorium on June 4 for the benefit of the Junior Red Cross organization. The proceeds will be devoted to the Junior organization.

SMALL FIRE

Slight damage was caused by a fire at the business establishment of Louis Tescanes, Second and Dupont streets, at 5 o'clock this morning. The cause of the blaze is unknown. An alarm was turned in from Box 12.

MANY JOBS OPEN TO MEN UNDER NEW RULE

[Continued From First Page.]

Pennsylvania Railroad, The Philadelphia division can find employment for approximately 700 men immediately in its yards at Harrisburg, Enola and Marysville. Machinists are needed in fair numbers. Car repairmen and track laborers are urgently needed. Freight brakemen, freight firemen, truckers, etc., are all needed.

The Bethlehem Steel Company can also use men in large numbers. Unless possessed of previous experience, most of these men would be compelled to start as laborers, but would be given plenty of opportunity to advance themselves to better positions in the plant. The company is employing all men applying for positions and officials said that they could utilize approximately 300 men in the various departments of the Steelton plant. In this concern the workmen would be paid at the prevailing figure for unskilled labor and would work ten hours per day.

Plenty of Work

The Central Iron and Steel Company, another of Harrisburg's essen-

tial industries, can utilize men in large numbers. Approximately 550 men could secure employment with this concern. Three hundred men can find work as mechanics and first helpers at the open hearth, while over 200 unskilled laborers are needed. Some few men can find employment in clerical positions. All men will be given exceptional opportunities to work themselves into one of the positions in which some skill is required.

These are only a few of Harrisburg's essential industries from whose officials statements have been secured, but they indicate the general condition in Harrisburg. Employment can easily be found in practically every essential industry in Harrisburg, although few clerical positions are open. Students and girls are filling many of these positions.

In addition to the war and other essential industries of Harrisburg, employment can easily be found in surrounding farming districts. There the farmers need help badly. Few, if any, of them can secure help sufficient to cultivate their fields adequately and as a result much valuable ground is wasted. Passengers on trains arriving in Harrisburg relate how women are seen in large num-

Lemon Juice For Freckles

Girls! Make beauty lotion at home for a few cents. Try It!

Squeeze the juice of two lemons into a bottle containing three ounces of orchard white, shake well, and you have a quarter pint of the best freckle and tan lotion, and complexion beautifier, at very, very small cost.

Your grocer has the lemons and any drug store or toilet counter will supply three ounces of orchard white for a few cents. Massage this sweetly fragrant lotion into the face, neck, arms and hands each day and see how freckles and blemishes disappear and how clear, soft and white the skin becomes. Yes! It is harmless. Women are seen in large numbers working on farms along the tracks of the Pennsylvania Railroad.

MID-SEASON CLEARANCE

We announce our Semi-Annual Mid-season Clearance — an event eagerly anticipated by the people of Harrisburg and surroundings.

The Joy Of Coming Motherhood

A Wonderful Remedy That is a Natural Aid and Relieves the Tension.

The expectant mother revolves in her mind all we understand by destiny. And it is of the utmost importance that her physical comfort be our first thought.

There is a most splendid remedy for this purpose, known as Mother's Friend. It is applied over the muscles of the stomach, gently rubbed in, and at once penetrates to relieve strain on nerves, cords and ligaments. It makes the muscles so pliant that they expand easily when labor arrives and pain and danger at the crisis is naturally less.

Mother's Friend is for external use only, is absolutely safe and wonderfully effective. It enables the expectant mother to preserve her health and strength and she remains a pretty mother by having avoided the suffering and danger which would otherwise accompany such an occasion. Every nerve, muscle and tendon is thoroughly lubricated.

Mother's Friend is prepared by the Bradley Regulator Co., Lamar Bldg., Atlanta, Ga. They will mail you an intensely interesting "Motherhood Book." Write them to send it to you, and in the meantime send them a note to your druggist today for a bottle of Mother's Friend.

Every woman should aid nature in her glorious work. Mother's Friend makes it possible for you to do so, night and morning, without fail, night and morning.
