### A Prominent York County Farmer Relieved of Stomach Trouble at Once by Tonall.

"The first week I took Tonall I felt like a different man," says Mr. H. B. Hauser, of New Freedom, York Co., Pa. "I have had stomach trouble for years and have tried several doctors and different kinds of medicine but I was steadily growing worse.

I read so much in the paper about Tonall and that it contained so many different kinds of Herbs, Roots and so small an amount of Alcohol so I thought I would just try a bottle. I have only had one bad spell with my heart since, and my stomach trouble has left me and my bowels are regular and I am enjoying my meal and need good and have no fear of eating what my appetite desires. Tonall has proven to be just what my system required to build me up and to store, Harrisburg, where its merits are being explained by the Tonall chemist and a free sample bottle given this week, and also at the Hershey Drug Store, Hershey, Pa.

Let us on this sacred day, dedicated to their memory, gather in our churches, our schools, our public avenues, and in our church yards and pay reverent respect to these men whose spirits are still marching on. With words of affection and songs of loyalty and love let us march singing in their memory, cover their graves with those sweet thoughts of God called flowers, and once again in the presence of their sacred resting places firmly resolve for their sakes to maintain this government for which they wrought and suffered and died. Let us reconsecrate ourselves and pledge in their names, all that is ours to the holy enterprise of maintaining National'unity, international unstice and world-wide good-will. ### PALMER BOWS TO WET DOMINATION

Democratic Leader Declares He Will Be Regular and For Judge Bonniwell

"The explanation of the results of Tuesday's primary election in Pennsylvania is very simple. It is that the Democratic party in that state is wet. That is the whole story. This statement was made Satur

This statement was made Saturday at Washington to the Philadelphia Press by Democratic National Committeeman A. Mitchell Palmer. "There may have been some other factors which entered into the result," he said, "but the wet and dry fight was what determined it. Guffey ran on a dry ticket and Bonniwell was a wet candidate. Bonniwell was nominated, showing that a majority of the Democratic party in Pennsylvania is wet."

Not Rebuke to Administration "Do you consider, that the result could be construed as a slap at the National Democratic Administration or a criticism of its conduct of the war?" Mr. Palmer was asked. "Not in the least," he said. "It was not a rebuke to the National Party or to the state organization. Mr. McCormick and myself and others who have been identified with the party management supported Guffey. I would have been for Guffey whether he ran on a wet or dry platform, because I think ho would have made a splendid Governor. But a majority of the party voters decided they want a wet candidate and proceeded to nominate one."

tion would be sufficient to put Guffey over.

"Judge Bonniwell has won the nomination for Governor and he will receive the loyal and enthusiastic support of the Democratic State organization, so far as I can influence it," said Mr. Palmer.

"I propose to do everything I can to help elect him, and I am sure that every other Democrat in the state will take the same view.

"For years I have been preaching that the minority in a party contest should abide gracefully by the will of the majority. I advocated that when things came my way, and now that my candidate was defeated I propose to take my own medicine."

Guffey will resign as state chairman and McCormick take a back seat in party affairs in opinion of people at Washington.

### Sproul Will Rest; Thanks His Neighbors

Chester, Pa. May 27.—William C. Sproul, Republican candidate for Governor, when asked if he had any additional statement to make in regard to his success at the polls on Tuesday last, said:

"I am extremely conscious of the great tribute paid me by the voters over the entire state and I will do my best when elected in November. to live up to their expectations. If there is one thing more than another that I am pleased with in the great majority I received, it is the fact that I received at the hands of my home people almost an unanimous that I received at the hands of my home people almost an unanimous vote. When one thinks that I have been in the Senate for twenty-two years and lived here all my life, actively engaged in politics and business, it is remarkable that my own party gave me all but 1.000 votes out of a total of 15,000. It at least gives ground for every true Republican over the state to vote for me in November. A man could have no better certificate than the splendid expression contained in my home county vote."
