For Burning Eczema

Greasy salves and ointments should not be applied if good clear skin is wanted. From any drugstore for 35c, or \$1.00 for large size, get a bottle of zemo. When applied as directed it effectively removes eczema quickly stops itching, and heals skin troubles, also soothes, cleanses and chafing. It penetrates, cleanses and soothes. Zemo is a clean, dependable and inexpensive, antiseptic liquid. Try it as we believe nothing you have ever used is as effective and satisfying. The E. W. Rose Co., Cleveland, O.

Letters From France to Camp Hill Minister

Camp Hill, Pa., May 28.—The Rev. Dr. E. M. Stephenson, of Camp Hill, has heard from his niece, Miss Mary Stephenson, who is with a St. Louis contingent of trained nurses serving in a British hospital in France, and a son Louis, who is an airman, enlisted at Sparta, Ill. Miss Stephenson writes: "Dear Uncle: I am very busy and cannot write much and cannot say what I otherwise would on account of the censor. I am very well and like the work as well as anyone can like this sort of thing. I have been advanced to the head of the nurses of this hospital and so have an added task in making out reports. This takes about two hours every night. There are many patients in this hospital by the name Stephenson, but so far I have not found anyone who knows our folks in Lancashire. Since this last drive began, we are in range of guns all the time and shells are bursting on all sides. We wake at night at some awful explosion and then on to go to sleep not knowing how soon one of the shells may come our way. Affectionately, "Mary."

Louie Stephenson in a recent letter says: "We are in a new camp. After a three days' ride on one of these toy trains we arrived at our present camp, the first Americans to pull in. We live in barns, but are busy building our barracks. Our camp is near a beautiful little river and this summer we shall enjoy bathing. The front is not far away. We hear the big guns all day. I'd like to be in the heavy artillery so that I might send a big one to 'Bill.' We have seen several air battles and they are a fright—a lot worse than a ball game. The fellows make an awful fuss. The Germans are making their last big drive. We'll give 'em a good one this summer. Write soon. Louie. "639 Aero Squad, A. E. F., L. of A., via New York."
