Noted authority says we eat too much meat, which clogs Kidneys.

Take glass of Salts when Kidneys hurt or Bladder bothers you.

No man or woman who eats meat regularly can make a mistake by flushing the kidneys occasionally, says a well-known authority. Meat forms uric acid which excites the kidneys, they become overworked from the strain, get sluggish and fail to filter the waste and poisons from the blood, then we get sick, Nearly all rheumatism, headaches, liver trouble, nervousness, sleeplessness and urinary disorders come from sluggish kidneys.

The moment you feel a dull ache in the kidneys or your back hurts or if the urine is cloudy, offensive, full of sediment, irregular of passage or attended by a sensation of scalding stop eating meat and get ablespoonful in a glass of water before breakfast and in a few days your kidneys will act fine. This famous salts is made from the acid of grapes and lemon juice, combined with lithia, and has been used for generations to flush and stimulate the kidneys, also to neutralize the acids in urine so it no longer causes irritation, thus ending bladder weakness.

Jad Salts is inexpensive and cannot injure; makes a delightful effervescent lithia-water drink which cervyone should take now and then to keep the kidneys clean and active and the blood pure, thereby avoiding serious kidney complications.

Carlisle, Pa., May 28.—A gripping story of an experience in a gas at-tack is contained in a letter from Russel C. Fleegal, of Clearfield, a former Dickinson College student President Keenly Interested in now with the American Expeditionary Forces in France. Fleegal was among the earliest Dickinsonians to answer the call. He had returned frem the front line trenches to the third line when a gas attack was launched. Several of his companions died as a result and he himself is in a hospital recovering. He gives meager details, but says that his company has suffered considerably. The suspense, which has seemed interminable, was unquestionably telling upon the "nerves" of the capital city, and there was real appreciation here of the report from Paris that the Germans might purposely be delaying a renewal of the offensive in the bellef that the delay would have a wearing-down effect upon the morale of the soldiers holding the lines against them.

The sense of impatience over the German tactics, which may be said to have existed in Wasbington for the last fortnight, has been born of the lest fortnight, has been born of the last fortnight, has been born of the last fortnight, has been born of the lest fortnight, has been born of the last fortnight has been tastfully fortnight has been tastfully fortnight has been tastful served. CATARRH

The little Hyomei inhaler is made of hard rubber and can easily be carried in pocket or purage. It will last a lifetime. Into this inhaler you pour a few drops of magical Hyomei. This is absorbed by the antiseptic gauze within and now you are ready to breathe it in over the germ infested membrane where it will speedily begin its work of killing catarrhal germs. Hyomei is made of Australian eucalyptol combined with other antiseptics and is very pleasant to breathe.

It is guaranteed to banish catarrh, bronchitis, sore throat, croup, coughs and colds or money back. It cleans out a stuffed up head in two minutes. Sold by H. C. Kennedy and druggists everywhere.

Complete outfit, including inhaler and one bottle of Hyomei, costs but little, while extra bottles, if afterward needed, may be obtained of any druggist.—Advertisement.

Refrigerators

At Reduced Prices \$8.00 to \$50.00

We have just received a car load of Refrigerators that should have reached us at least six weeks ago. We have cut the regular prices on these in order to dispose of them before the season is over. Our misfortune in shipping delay is your good fortune.

This Is the Famous McDougall Kitchen Cabinet--Has No Superior

We received a car load lot of these cabinets about four weeks ago. At the same time we received a notice from the manufacturers that in order to save an advance of \$3 per cabinet it would be absolutely necessary for us to place our next car order at once. We placed the order.

In order not to be caught with the best part of two car loads of cabinets on our floors at the same time, we decided to sell the larger portion of this first car \$5.00 per cabinet under the regular price. We have about 20 cabinets to be sold yet at the special price. If you are in the market for a real good first class Kitchen Cabinet at a specially low price, do not delay. We reserve the right to change our price back to the regular price without further notice.

The Big Up Town Home Furnishers

\$830,000,000 to \$860,000,000 more for operating expenses!

That's what the railroads of the Country have to bear this year over the expenses of last year.

This estimate shows how the war has caused increases in cost of doing business-yet the war must be won-and will be won.

Passenger fares and freight rates will be increased to go into effect June 25.

Passenger fares will increase to 3 cents a mile.

It gets back to the same old line of figuring and simple business—

You can't buy goods for a dollar and sell them for ninety-five cents and stay in business.

Railroading has cost more in the last year than ever before. This year it will cost still more.

Yet nobody can help but take into consideration that while the Street car business has risen in costs, the little 5-cent fare has remained the same.
