

BURKE AHEAD OF WALTERS IN RACE FOR CONGRESS

Whether Allegheny Man Will Succeed Depend on Vote in Two Counties

Philadelphia, May 30.—With complete but unofficial returns from...

Mahlon M. Garland, Allegheny, 206,669. Thomas S. Crago, Greene, 195,973.

Anderson H. Walters, Cambria, 182,888. Thomas E. Atherton, Luzerne, 166,854.

Joseph McLaughlin, Philadelphia, 164,059. Thomas Robins, Philadelphia, 131,578.

Lex N. Mitchell, Jefferson, 73,918. Charles M. Clement, Northumberland, 70,627.

M. O. Harner, Allegheny, 50,186. Joseph McGarrity, Philadelphia, 42,976.

M. B. Rich, Clinton, 40,983. Guy B. Flyte, Luzerne, 34,031.

Whether Burke will be the fourth nominee depends, it is believed, on the size of the vote Walters receives in Fayette county and what the remaining districts in Allegheny give both Burke and Walters.

In Fayette county, from which Walters vote has not yet been received, State Senator William E. Crow, Republican state chairman, supported Walters, for one of the four nominations. Crago received 469; Garland, 3,358; Burke, 1,177; and Aaron, 960, in that county.

With the figures from Allegheny and Fayette county missing the vote for the Democratic candidates for Congress-at-Large is as follows: Joseph F. Gorman, Lehigh, 101,535.

Fred Ikelor, Columbia, 75,208. J. Calvin Strayer, York, 71,203. Samuel R. Turner, Allegheny, 67,925.

Elisha Kent Kane, McKean, 63,379. Joseph McGarrity, Philadelphia, 56,873.

State Senator William C. Sproul's total vote from complete but unofficial figures from all but sixteen of the 7,039 districts in the state, 355,839. The vote cast for J. Denny O'Neil, State Highway Commissioner, in the same districts, was 149,469, a plurality for Senator Sproul of 206,370.

With fifty districts missing, State Senator E. E. Beidleman had a plurality of 45,999 over Congressman John R. K. Scott, for Republican Lieutenant Governor.

Returns from every county in the state with 177 scattering districts missing James F. Woodward, of Allegheny, has a lead of 11,888 over Paul W. Houck, of Schuylkill county. The total figures at hand are as follows: Woodward, 214,973. Houck, 203,285.

Municipal Court Judge Eugene C. Bonniwell, Philadelphia, has a lead of 18,382 over Joseph F. Guffey, Pittsburgh, for the Democratic gubernatorial nomination.

MEAT CAUSE OF LAME BACK AND KIDNEY TROUBLE

Take a glass of Salts to flush Kidneys if your back is aching. Noted authority says Uric Acid from meat irritates the Bladder.

Meat forms uric acid which excites and overworks the kidneys in their efforts to filter it from the system. Regular eaters of meat suffer from the kidneys occasionally. You must relieve them like you relieve your bowels; removing all the acids, waste and poison, also you feel a dull misery in the kidney region, sharp pain in the back or sick headache, dizziness, your stomach sour, tongue is coated and when the weather is bad you have rheumatic twinges. The urine is cloudy, full of sediment; the channels often get irritated, obliging you to get up two or three times during the night.

To neutralize these irritating acids and flush off the body's urinous waste get about four ounces of Jad Salts from any pharmacy; take a tablespoonful in a glass of water before breakfast for a few days and your kidneys will then act fine and bladder disorders disappear. This famous salts is made from the acid of grapes and lemon juice, combined with lithia, and has been used for generations to clean and stimulate sluggish kidneys and stop bladder irritation. Jad Salts is inexpensive; harmless and makes a delightful effervescent lithia-water drink which millions of men and women take now and then, thus avoiding serious kidney and bladder diseases.—Adv.

Chamber of Commerce Lecturer to Give Interesting Details of the Front

W. H. FARLEY

Widespread interest is being manifested in the great patriotic war lecture, "Wake Up, America," which is to be given by W. H. Farley at the Chestnut Street Auditorium next Monday evening, June 3, under the auspices of the Harrisburg Chamber of Commerce. Through the enterprise of the Chamber this inspiring lecture, which is to be given in a limited number of the larger cities of the country, has been secured for Harrisburg. There will be no charge, admission being by ticket which can be obtained at the Chamber of Commerce offices in the Dauphin building.

The lecture is aimed to show the seriousness of the war and the necessity for bringing it to an early and successful conclusion and there will be no collections nor any subscriptions taken for any cause.

It shows in a most effective way the terrible features of the world conflict and the menace it holds for America, being profusely illustrated by stereopticon slides and moving pictures, many of which were taken right on the field of battle. Ruined Belgium and desolate France are seen in painful contrast to scenes of peaceful industry in our own country. The path of the German army is depicted, marked by blood and wanton destruction. The Kaiser is shown as a boy, and the way in which he was educated to war and conquest is clearly brought forth.

One sees how the German people have for generations been inoculated with the pernicious and false doctrine that might makes right.

Then comes the clarion call, "Wake Up, America," accompanied by the flash of lightning and the crash of thunder. It is as if the world personified was calling America to arms, telling her that the future of the race depended upon her. America rouses and prepares to battle for right and liberty. Old Glory is unfurled and our boys in khaki are seen marching with bayonets and heads held high, to the ships which are to bear them to France to do their part in crushing the dual-headed monster that has destroyed the peace of the world, thrown honor and decency to the winds and revelled in the blood of innocent children and women.

"Wake Up, America," was recently delivered before an audience of high officials in Washington, D. C., and was received with unqualified approval. It was endorsed by the Committee on Public Information. Every one who has seen it has gone forth with a keen realization that it will require the united efforts of all true Americans to avert the peril that undoubtedly threatens us. This is no time to close our eyes to the truth. We must face it undaunted, and each of us resolve that we will shrink no duty, no effort, no sacrifice that will hasten the day when Germany is defeated and the world again made safe for all.

Dr. Dernburg Will Be Put Up For Reichstag Seat by Progressives

Amsterdam.—The German Progressive party intends to put up Dr. Bernard Dernburg, former Colonial Secretary, as a candidate for the Reichstag in district No. 1 of Berlin, the Neue Preussische Korrespondenz reports. The election in this district will be to fill the vacancy caused by the death of Dr. Johannes Kaempf, speaker of the Reichstag.

Dernburg traveled about the United States for several months in the early part of the year giving lectures and engaging otherwise in German propaganda. His activities aroused opposition and he left the country in June, 1915.

Former Harrisburg Boy Lands With Division

With the Keystone Division in France is Frank H. Hoffman, son of Harry Hoffman, Sunbury. Young Hoffman is a former Harrisburg boy and has a number of friends here.

Senator Edward E. Beidleman, Republican nominee for Lieutenant Governor, received a bushel of letters and telegrams the last two days from friends throughout the state congratulating him on his run and rendering support in November. Some of the congratulations were from school friends and from men with whom he had been in the House of Representatives ten or twelve years ago. Senator Beidleman carried sixty-one of the sixty-seven counties and has telegrams and letters from everyone of them.

The Senator was heartily congratulated to-day by his colleague on the ticket, Representative James F. Woodward, nominee for Secretary of Internal Affairs, who stopped here on his way home from Philadelphia. Mr. Woodward said that he was satisfied of his nomination and well satisfied with the result. Paul W. Houck, his opponent, congratulated him.

State Democratic headquarters officials said to-day that the Democratic State Committee would be called for a meeting here around June 12, but that the date has not been determined.

Bonniwell Is Boss

Louis W. Strayer, one of the best informed of Washington correspondents, writing in the Pittsburgh Dispatch, says: "It became known to-day that National Chairman McCormick told his colleagues yesterday that he would support Judge Bonniwell for Governor, subordinating his personal views on the liquor question. While he is not expected to take an active part in the fight this fall in Pennsylvania, he says he will lend his name to Bonniwell."

Colonel Strayer also quotes A. Mitchell Palmer as saying: "The candidates on the Democratic ticket in Pennsylvania will write their own platform and the state organization will make every effort to secure their election."

It is construed to mean that the Democratic platform will be, inasmuch as Judge Bonniwell, the gubernatorial candidate, ran as a wet candidate against Guffey, who had declared in favor of the ratification of the prohibition amendment to the federal constitution. J. Washington Logue, the candidate for Lieutenant Governor, is classed as a dry man, but it is expected that the platform will conform to the views of the leader of the ticket, since there will be less embarrassment in that than if a wet candidate for Governor was asked to run on a dry platform."

While J. Denny O'Neil has refused to talk of the results of the campaign all signs point to his acceptance of the Republican vote. The Commissioner has been studying returns and it is believed that when his headquarters closes and his expense account is filed next week he will make a statement which indicates that he will line up for the ticket, but also make a ringing appeal for a united front against the "wets." In all probability, Mr. O'Neil, who cannot keep out of a political scrap, no matter how hard he tries, will take a leading part in the campaign for "dry" legislators in Western Pennsylvania.

Dr. Homer W. Tope, Philadelphia, district superintendent of the Anti-Saloon League, issued a statement yesterday in which he declared that temperance workers must line up behind Sproul for Governor. "With victory in sight," his letter reads, "it would be a fatal mistake to divide our forces and support any independent movement." On it the Philadelphia Record says: "The statement is regarded as significant because of the fact that it was believed in many quarters that O'Neil would refuse to accept the decision of the primaries and would launch out as the candidate of a third party. The boldness of the Hays chairman of the Republican National Committee, to Philadelphia within the next few days for the purpose of 'harmonizing' the various state factions, is resented by the Vares, say Philadelphia newspapers. Hays will attend a conference of Pennsylvania political leaders to formulate plans for the Congressional contests. Word was received yesterday that during his visit Chairman Hays would attempt to patch up differences between the Penrose faction and the Vares for the fall campaign. Senator William C. Sproul, Republican nominee for governor; Senator Edward E. Beidleman, who beat Congressman Scott for the nomination for lieutenant governor; and the others associated on the state ticket have been invited to attend.

Monuments Melted by Germans For Munitions

Paris.—Workmen arriving in Switzerland from Germany, says a dispatch from Berne to the Paris Matin assert that the Germans are having great difficulty in obtaining raw materials for the manufacture of munitions.

Several German newspapers daily publish ordinances commandeering material and ordering the melting of monuments and household objects containing metal, even handles on doors and windows being specified.
