CLARK LOSES FOR STEELTON

Drops Ball Thrown by Stutz, Permitting a Brace of Scores For Wilmington

Wilmington, Del., May 31.—Clark's error in the eighth inning enabled Harlan to win from Steelton in a sensational game here yesterday in the Bethlehem Steel Corporation League, by the score of 2 to 1.

Five thousand fans were on hand to witness this sensational battle of pitchers between Pierce, the former Cub hurler, and Dumont, formerly of the Washington Americans.

Both pitchers displayed wonderful control up until the sixth inning, no hits having been made by either team until this period.

In the sixth inning Steelton pushed a run across on a base on balls, and an infield hit. Hunter, displaying some speed by scoring from second on the infield tap.

Harlan sent two runners over the rubber in the eighth. Payne walked, Wingate singled and Lake hit sharply to Stutz, who fielded the ball cleanly, but Clark dropped the ball, allowing both runners to score by a wonderful burst of speed.

Joe Jackson played his first game as a war worker, but was unable to accomplish anything sensational with the willow, contrary to expectations, as Steelton's outfielders played deep and were able to gather in his vicious long drives.

Pierce Is Some Pitcher

"Lefty" Pierce proved yesterday that he is the premier twirler of the Steelton Club and Joe Jackson, "Sockless" Joe will testify to it. In one of the fastest and most interesting games of the season Joe was not able to get one hit off the Steelton port flinger. He made a couple husky long drives, but the Steelton fielders were on the job and "Sockless" Joe could not hit 'em where they aint.

Motorcycle Records Made by 'Butch' Lineaweaver

Officials of the Keystone Motorcycle Club, of Harrisburg, and a number of contestants in yesterday's historic show at the Lebanon fair grounds who live here got into town early this morning with tired bodies but with much enthusiasm. One Harrisburger, Harry Nichols, was lucky to escape death, for his front tire flopped on him as he fell in front of the grandstand in the fifteen-mile race.

This big event was one continued triumph for Bill ("Butch") Lineaweaver, of Lebanon, who broke the track record of the Lebanon fair grounds and split two-fifths of a second off the unofficial world's championship for a mile on a half-mile circle dirt track before 2,500 spectators who gathered to see the annual Memorial Day races staged by the Keystone Motorcycle Club, of Harrisburg. Lineaweaver, in addition to playing havoc with previous records, took $60 in prize money. The track record of 1.03 3-5 held by "Shorty" Matthews, of Springfield, Mass., an Indian factory rider, was established at last year's meet. The local man lowered it by exactly one minute.

Summaries:

Three-mile Amateur — First, L. W. Schaum, Lebanon; second W. Davis, Harrisburg; third, Lee Zimmerman, Harrisburg. Time, 3.40. Money, $8 and $6.

Ten-mile Professional — First, W. Lineaweaver, Lebanon; second, L. W. Schaum, Lebanon; third, W. Tritt, Philadelphia. Time, 10.45 2-5. Money, $20, $15 and $5.

SECOND PLACE FOR TECH HIGH

Bethlehem Prep Wins Great Interscholastic Meet at Easton

Bethlehem Prep, on March field, Easton, yesterday, won the Lafayette interscholastic meet by a total of 51½ points, Harrisburg Tech came in second with 32 points. Perkiomen, the winner of the meet last year, made 28; Blair Hall scored 24½, and the rest of the twenty-five schools were strewn all the way from here to zero. It was a dull gray afternoon.

The track was soft from recent rains and not altogether conducive to fast time and for the most part there was none. However, O'Brien, of Lawrenceville, lowered the time for Lafayette interscholastic in the 120 high hurdle from the 17 2-5, which McFarlan, of West Philadelphia High, did last year, to 16 2-5, and in the low hurdles McLean, of the Central High School of Washington, in doing the distance in 27 flat, clipped two-fifths off the Lafayette record.

The Northeast High four-mile relay team, composed of Reeves, Rodenbaugh, Riecks and Gronquist, easily won this event, and showed very good team work in doing it. Reynolds, in winning the high jump for West Philadelphia High, and the scoring of Earp in both the broad and high jumps, completed the poin. scoring for Philadelphia school boys. The meet was, from the start, a race between Harrisburg Tech and Bethlehem Prep, with Blair Hall, through a large number of entries, constantly dangerous of becoming a factor in the fight for first position.

The meet was opened with the reading of the President's Memorial Day proclamation, prayer by the Rev. Samuel A. Martin, of the Lafayette faculty, and the singing of "America," in conformity with the wishes of the President of the United States regarding the observation of Memorial Day.

The summary:

STEEL LEAGUERS NOT SLACKERS

Two Sides to Argument and Federal Government Is Not Agitated

The sports writers in the cities of Major League ball are "riding" the Bethlehem Steel Corporation League hard, contending that the players who have deserted the ranks of O. B. ball for a job in the Steel league have done so for no other purpose than to escape the draft. It is quite natural that these writers would side with organized baseball, especially when it is taken into consideration that teams minus star players are certain to crimp the gate receipts. It is but natural that if all the star players were to accept berths in the Steel league the Major would fall in the discard. While continually "panning" the few who have been the targets for their criticism, it might be well if they took into consideration the veterans over draft age who have decided to cast aside Major league ball and no doubt big salaries to do their country a service by working in shipbuilding plants and munition industries. Then again how many players within the draft age who are playing ball in the Steel Co. league, are learning a trade that will be of use to them for life, and have not entered a claim for exemption. It is no more than can be expected that the big league managers are looking out for their interests and their interests alone and every time a player of note leaves they realize that his going may injure the club. Their alibi is that when the country called them for service in the ranks they made no protest but were perfectly satisfied to have them leave. It would be a mighty foolish manager who would argue against the action of the United States government especially in war time, and it certainly would not create any favorable public sentiment if they did. So what else had they to do but take it good naturedly. However, they now see the Steel league looming up as big as the Majors and are directing their attacks against this organization. Do they for one minute think that it took them to call attention to the fact that players are seeking a refuge in the Steel league to evade the draft when the country is represented strongly by agents of the department of justice and secret service upon whom devolves the duty of ferreting out draft evaders? While their arguments might be just in several cases, it is probable that they have gone a bit too far and the condition will no doubt be safisfactorily adjusted, not through their medium, but through the government experts detailed to this work.

Taking all in all there are always two sides to an argument and the city sports writers naturally take the side in which they may be the most beneficial. The list of players are available and the league management no doubt would be only too glad to furnish these writers with the names of the star players who are over draft age and those who are within the limit and have not filed a claim for exemption.

Great Crowd to See Steelton Play Fore River

Another huge crowd is expected tomorrow by the management of the Steelton baseball club to witness the battle between the local Steel League nine and Fore River. A number of magnates in the Steel Trust have asked for reserved seats in the exclusive front row, and a number of minor parties have secured tickets. Society is as much excited over the big league invasion as the ordinary fan.

Steelton's wretched luck yesterday, when Clarke lost the game by muffing a throw, sharpened the appetite of local rooters, for it is almost certain that Eddie Plank will be seen here for the first time in this game. Pierce and Ramsey each have done well, and it is Plank's turn to waft 'em over with his magician's south paw.

Fore River has many old-timers of fame, like Clyde Engle, Mammaux and Dugan. The lineup will probably be as follows: Kopf, s. s.; Dowd, 2d b.; Twombly, l. m.; Jacobson, c. f.; Engle, 1st b.; Dugan, r. f.; Connelly, 3d b.; Murphy, c.; Harris, c.; Mammaux, p.; Pennington, p.

WEST END A. C. BEAT P. & R. TEAM

Smart Plays at Battle Which Was Easy For the Pressler Boys

A rattling good game, teeming with uncommon features, was pulled off yesterday afternoon, the morning event being postponed, between West End and the P. & R. Division team, winding up 6-2, in favor of Manager Pressler's active squad. The Railroaders never had a chance, West End jumping at their throats for three tallies in the very first frame, and piling up three more in the third.

For smart, big-league baseball two stunts of yesterday would be hard to beat. In the eighth, Giblin, of the Railroaders, negotiated a double play, lone hand, at a critical moment, and in the sixth Euker, of West End, made an instantaneous return to home plate from a hot grounded, nailing the runner at home. Killinger then shot the ball down in time to catch the other runner trying to stretch to third.
