CUT OUT MEATS IF KIDNEYS ARE TROUBLING YOU

Uric Acid in meat excites Kidneys and Irritates the Bladder. Noted Authority says we must flush Kidneys with Salts if Back hurts.

We are a nation of meat eaters and our blood is filled with uric acid, says a well-known authority, who warns us to be constantly on guard against kidney trouble. The kidneys do their utmost to free the blood of this irritating acid, but become weak from the overwork; they get sluggish; the eliminative tissues clog and thus the waste is retained in the blood to poison the entire system.
