Hooray! Baby To Rule the House

No Longer Do Women Fear The Croak of All Human Blessings.

Thousands of women no longer dread themselves to the thought that sickness and distress are near. They know better, for Mother's Friend they have found a wonderful penetrating remedy to relieve many distressing ailments.

Nervousness, headache and stretching pains are among the disheartening and distressing experiences women everywhere say they entirely escape during the period of expectancy by the use of Mother's Friend.

Here is a remedy that softens the myriad of broad, fat abdominal muscles just beneath the skin, enables them to expand with the usual strain upon the ligaments and nerves, and assists nature to make it possible for women to go through maternity without many of the dreaded symptoms so familiar to a host of women.

By regular use throughout the period the muscles expand easily when baby is born, and pain and danger at the crisis is consequently less.

Mother's Friend is for external use only; it is absolutely safe and has been used by thousands of women awaiting the greatest time in a woman's life for over half a century.

Write the Bradford Regulator Co., Lamar Bldg., Atlanta, Ga., for their "Mother's Friend," so valuable to expectant mothers, and in the meantime obtain a bottle of Mother's Friend from the nearest drug store. Begin its use strictly according to directions with every bottle, and thus fortify yourself against pain and discomfort.

Lehigh to Lead Supporters of Judge Eugene C. Bonniwell, Democratic candidate for Governor, announced yesterday that either Jonathan Fredericks or Malcolm R. Gross, both of Lehigh county, would be acceptable as chairman of the Democratic state committee to succeed Acting Chairman Joseph

F. Guffey, the defeated gubernatorial candidate. This announcement was made after Judge Bonniwell returned from the western end of the state.

The Philadelphia Record says: "It is understood that Judge Bonniwell has put forward the names of Fredericks and Gross as the type of Democrat he desires to head the state committee, Fredericks, it was explained, has been county chairman in Lehigh several terms and his record for leading his party to victory is declared to be exceptionally good. Gross has been city solicitor at Allentown for about eight years and he is considered one of the best of the Lehigh county Democratic leaders. Although it is known that Guffey will not be a candidate for the office of state chairman, several of the so-called state leaders are opposing the plan to put an active man at the head of the state organization. Judge Bonniwell is believed, however, upon the selection of a chairman who will represent the rank and file of the Democrats of the state and one who is known as a vote-getter. It is pointed out that in recent years the chairman of the Democratic state committee have not been very active in waging state campaigns."
