Suffered Eight Years Could Not Rest Until He Took Tonall. "I have been a sufferer for eight long years," says Charles B. Dietz, of Manchester, York county, Pa. "I have had pains in my back caused by kidney trouble for years. I tried a great many different kinds of medicine to get relief but none of them gave me the results that I obtained in a short time since I began to take Tonall. I can sleep on my side—something I have not done for over eight years. What I have gone through only those afflicted as I was can imagine. Just think! Work all day and not be able to enjoy rest, for as soon as I would turn over on my side my pains would commence, and at times my head would fairly swim around. I told my wife years ago that I never expected to again feel like I once did as the little rest I could obtain was not sufficient to make me feel good and I was about as tired in the morning as when I retired at night. But now, I tell you, I feel fine in every respect. I cannot praise Tonall too highly. Tonall is sold at Gorgas' Drug Store, Harrisburg, where its merits are being explained by the Tonall chemist, and also at the Hershey Drug Store, Hershey, Pa.
